#### **Structure, governance and management**

##### ***Nature of governing document***

The charity Charnwood 20:20 was founded and incorporated as a company limited by guarantee on the 11th May 2007, and its registered number under the Companies Act 1985 is 06245103. It is a registered charity in England and Wales, number 1120694. It now trades as "Love4Life" and previously was "TwentyTwenty".

The charitable company is limited by guarantee without having a share capital and the liability of the members is limited to £1 each. The charitable company is governed by its Articles of Association as amended on 13 April 2022.

##### ***Recruitment and appointment of trustees***

Prospective trustees fill in an application form, this is assessed by the Chair and CEO. A conversation between the prospective trustee and CEO happens to inform them further about the charity. The Chair and another member of the trustee team meet/interview, they are invited to a board meeting and then decide if they would be recruited to the position.

#### **Objectives and activities**

##### *Objects and aims*

Love4Life is run by a dedicated team committed to making a difference in the lives of young people.

Love4Life began in response to a growing concern for the well-being and self-esteem of girls from an estate in Loughborough. Since then our service has grown to work across more areas of deprivation in Leicester, Leicestershire and Derby, supporting hundreds of vulnerable young people every year.

We specialise in supporting vulnerable girls aged 11-18 to develop their self-esteem and form positive and empowering relationships by delivering Love4Life groups, one-to-ones and workshops in secondary schools and in the community.

Love4Life delivers targeted relationship and sex education to support young people facing difficulties in these areas. We provide honest and age-appropriate resources to help them understand their sexual health, how to stay safe and the potential risk of sexual exploitation.

All of our work embeds positive self-worth, body image and the handling of emotions in order to help a young person become more resilient. Our belief is that once young people feel good about themselves are more likely to make positive choices in their health and relationships.

Our aims, objectives and consequent activities are all designed and delivered with regard to the Charity Commission guidelines on public benefit. Our work directly benefits the young people, none of whom pay for any of our services. As they make progress in themselves, the benefit to them extends to their families and communities and the agencies that may have referred them to us.

The Charity's objects are:

- a) to provide for the public benefit, community projects promoting education, training, the relief of unemployment, good health and recreational and other leisure-time occupation in the interests of social welfare for persons who have need by reason of their youth, poverty or social and economic circumstances with the object of improving their conditions of life in Charnwood, Loughborough and in such other parts of the United Kingdom or the world as the trustees may from time to time think fit; and
- b) to fulfil such other purposes which are exclusively charitable according to the law of England and Wales and are connected with the charitable work of the charity.

##### *Objectives, strategies and activities*

We provide support to young people aged 11-18. We hold:

One-to-ones - young people who are in need of specific, targeted support receive 12 weeks of hourly sessions with a dedicated youth worker. These sessions take place either in school or in a safe space in the community.

Love4Life Groups –small weekly groups with a maximum of 12 young people. A safe social space where they feel supported alongside a group of young people with similar experiences. Our Love4Life groups offer fun, creative activities and group discussion as a means to explore important topics.

##### *Public benefit*

These activities benefit young people aged 11-18 who are disadvantaged or vulnerable within society. The young people we work with are more likely to stay in education, have better physical and mental health and engage in healthier relationships.

## **Charnwood 20:20**

#### **Trustees' Report**

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

#### **Trustee Annual Report: 2024-2025**

Over the course of 2024-2025, Love4Life has continued to respond to significant demand for our services across Leicestershire, Leicester, and Derby. Thanks to the dedication and expertise of our staff team, our reach has grown, our support has deepened, and our reputation as a trusted youth organisation has flourished.

The needs of the young people we support remain both urgent and complex. With statutory services under immense strain, many young people are waiting up to a year for support. In the meantime, they face challenges including mental health concerns, family pressures, academic difficulties, and the pervasive impact of social media. Our role has never been more vital.

We are proud to report a significant expansion in our delivery throughout the year. We ran 17 Love4Life groups across our delivery areas, including the launch of a new group in Leicester. Some existing groups relocated to better serve local communities. Our intentionally small group sizes allow us to provide focused, tailored support - and we've worked hard to ensure excellent attendance across all locations.

In total, 318 young people participated in our group work, while 288 received 1-to-1 support, meaning we directly supported 587 young people over the year.

#### **Impact and Outcomes**

We are delighted to share that 100% of the young people we supported made measurable progress in at least one of our targeted areas.

- 90% reported improved self-esteem
- 93% increased their confidence
- 89% developed a greater understanding of healthy relationships
- 83% made progress in all three areas

These figures reflect not only the effectiveness of our model, but the commitment and resilience of the young people we support. We are incredibly proud of their hard work and growth.

### Trustees' Report

This year we also began laying the foundations for long-term impact monitoring. By tracking outcomes over time, we aim to gain a clearer picture of how our support shapes the futures of the young people we serve. Our first findings will be available next year, and we are excited to share what we learn.

#### Expanding Education and Outreach

Our Relationship and Sex Education (RSE) provision has grown significantly and is playing an increasingly important role in raising awareness of Love4Life. These workshops are equipping more young people with the tools they need to make positive, informed decisions. They also support the sustainability of our work by contributing to a more diverse fundraising strategy.

#### Holiday Events and Social Connection

Our holiday events programme continues to thrive. These activities provide an essential bridge for young people to stay connected, build friendships, and apply the skills they've developed in group and 1-to-1 settings. Over the year, we delivered 19 activity days ranging from bowling and laser quest to creative sessions like stone painting and plant making. These events offer much-needed joy and connection, particularly for young people who may otherwise feel isolated during school breaks.

#### Sustainable Growth and Fundraising

With our services expanding, so too must our fundraising efforts. This year saw the successful implementation of a full calendar of community fundraising events, helping us build relationships, increase visibility, and access new funding streams. While grants and trusts remain our core income, reducing reliance on them is key to building a more resilient financial future. Diversification is now firmly embedded in our fundraising strategy.

#### **Youth Leadership and Voice**

Our Youth Board has made impressive strides this year. They've taken ownership of their agenda, participated in staff recruitment, visited groups to gather feedback, and contributed to strategic planning. Their insight ensures the voices of young people remain central to everything we do.

#### **Celebrating Achievements**

Our annual Celebration Event continues to be a stand out highlight. This year's event brought together young people from across our areas who shared their talents in music, poetry, and personal stories. It was a moving, uplifting evening - a true reflection of the confidence and creativity nurtured through Love4Life.

### **Trustees' Report**

#### **Looking Ahead**

Our vision for the future is one of thoughtful and sustainable growth. As we finalise our four-year strategy, we are focused on expanding our impact while securing the resources required to support our mission.

A key priority for the coming year is increasing delivery capacity in Leicester. We plan to appoint a second youth worker, bringing the team in line with our other regions. This will enable the formation of a sixth group in the city and expand our 1-to-1 support offer.

We are also embedding our new Data and Impact systems, which will allow us to maintain contact with young people after they've completed our programmes. This will deepen our understanding of Love4Life's long-term influence and inform future development.

The Youth Board continues to grow in confidence. Although they are not yet ready to attend full board meetings, we are excited to be introducing a trustee liaison role. A designated trustee will now attend Youth Board meetings quarterly, strengthening the link between the governance and the voices of young people.

Finally, we will continue to diversify and strengthen our fundraising efforts to ensure that Love4Life remains financially robust, innovative, and able to meet the ever-evolving needs of the young people and communities we serve.

We are proud of what has been achieved this year, and deeply grateful to everyone - staff, volunteers, funders, and partners - who makes this work possible. Together, we are helping young people build brighter, healthier futures.

#### **Financial review**

##### ***Policy on reserves***

Our policy is to have between 3-6 months of reserves. In an unstable financial climate with the cost of living crisis we believe this is essential so we can ensure services continue. This level of reserves helps to ensure continuity as we diversify our income streams.

##### ***Principal risks and uncertainties***

###### ***Reliance on trusts and grant funding***

We are heavily reliant on trusts and grant funding. Many of these are oversubscribed in the current climate. We are diversifying our income, we are expanding our income from Corporate Partnerships, and community fundraising. Our paid for RSE work has been growing and we are looking at how we ensure this remains a good source of income as a basis to our charitable work.

#### **Statement of Responsibilities**

The trustees (who are also the directors of Charnwood 20:20 for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". The report and accounts have been prepared in accordance with the provisions in the Companies Act 2006 relating to small companies.

## **Charnwood 20:20**

**known as Love4Life (and previously Twenty Twenty)**

### **Trustees' Report**

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

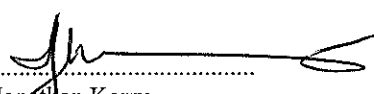

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

#### **Small companies provision statement**

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

The annual report was approved by the trustees of the charity on 3 September 2025 and signed on its behalf by:

### **Independent Examiner's Report to the trustees of Charnwood 20:20 ('the Company')**

#### **Independent examiner's report to the trustees of Charnwood 20:20 ('the Company')**

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 March 2025.

#### **Responsibilities and basis of report**

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

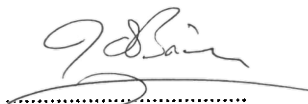

#### **Independent examiner's statement**

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member and Fellow of the Association of Charity Independent Examiners, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### **known as Love4Life (and previously Twenty Twenty)**

#### **Notes to the Financial Statements for the Year Ended 31 March 2025**

##### **1 Accounting policies**

###### **Summary of significant accounting policies and key accounting estimates**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

###### **Statement of compliance**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

###### **Basis of preparation**

Charnwood 20:20 meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

###### **Going concern**

The financial statements have been prepared on a going concern basis.

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The trustees make this assessment in respect of a period of one year from the date of approval of the financial statements.

###### **Exemption from preparing a cash flow statement**

Under the exemption available to smaller charities the Board of Trustees has chosen not to include a Statement of Cash Flows within the financial statements.

###### **Income and endowments**

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

###### **Donations and legacies**

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

## **Charnwood 20:20**

**known as Love4Life (and previously Twenty Twenty)**

### **Notes to the Financial Statements for the Year Ended 31 March 2025**

#### ***Grants receivable***

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

#### ***Deferred income***

Deferred income represents amounts received for future periods and is released to incoming resources in the period for which, it has been received. Such income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions which must be met before the charity has unconditional entitlement.

#### ***Expenditure***

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### ***Charitable activities***

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

#### ***Taxation***

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### ***Tangible fixed assets***

Individual fixed assets costing £600.00 or more are initially recorded at cost.

#### ***Depreciation and amortisation***

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

<b>Asset class</b>	<b>Depreciation method and rate</b>
Office equipment	25% on a reducing balance basis
Computer equipment	33.33% on a straight line basis

## **Charnwood 20:20**

### **known as Love4Life (and previously Twenty Twenty)**

#### **Notes to the Financial Statements for the Year Ended 31 March 2025**

##### **Trade debtors**

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

##### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

##### **Trade creditors**

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

##### **Fund structure**

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity. Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the Trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

##### **Pensions and other post retirement obligations**

The charity operates a defined contribution pension scheme which is a pension plan under which fixed contributions are paid into a pension fund and the charity has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised in the Statement of Financial Activities when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.
