Achievements and Performance of the Charity

Summary

1. Regular programmes

- Our usual activities resumed uninterrupted from October 2022. Sunday worship services were held on our Church site but now also incorporated with broadcasts on Facebook and YouTube regularly for motivating and inspiring members towards godliness and life fulfilment particularly to encourage Church members in the new normal and reset of the agenda of the Church life. However, our weekly Empowerment Hour still holds online on the two platforms mentioned above. We have not been able to resume the mid-week service due to the low turn out for the Church life on Sundays.

In addition to these services we have added another weekly program called Awaken The Leadership In You and airs every possible Friday aimed at empowering God's people mentally. It focuses on Book Summaries written by business leaders and entrepreneurs.

- We could not hold our regularly Monthly Vigil/Prayer yet but we kept our monthly three days monthly Prayer and Fasting and ongoing.

- Also, in addition we kept our annual 3 batches of 7-days of partial fast and prayers that were usually observed in the months of January, July and December respectively.

- Choir practice rhythm has resumed.

- Women of Wisdom meetings which normally hold on alternate months with a focus to empower, enable and equip women to perform their roles at home particularly and society at large successfully continued

Policies on reserves

The position of the Board is to maintain sufficient unrestricted funds to cover operations and management running costs for a period of 6 months. In deciding the level of reserves, the trustees considered the forecasts of levels of income and expenditure for the coming year, the reliability of each source of income and the prospects of new sources of income. The trustees believes that the current level of unrestricted funds maintained by the charity is adequate for its management.

Restricted funds are reserve of money that can only be used for specific purposes. It provides reassurance to donors that their contributions will be used in a manner they have chosen.

2. Community Outreach Achievements

- Hope Arise Outreach, a Homeless feeding initiative was born in March of 2009. This Outreach focused on those who are living at the fringes of our Luton community. This outreach stopped completely until normalcy returned partially in November when we could not invite the Homeless people back into our building but had to betaking food out to them at their various hideouts in the Town Centre twice a week, Tuesday and Saturday.

3. Mental-empowerment Achievements

We continued with our Bible and leadership training through the Abba Leadership Institute but online through Zoom. We attracted outside candidates in addition to some in-house students to engage in the one year training.

4. Social empowerment and inclusion achievements

In the absence of our regular and weekly physical meetings for various activities we took to the social platforms of Facebook and YouTube to reach out to our immediate church members in particular and our community at large. Financial Review

Policies on reserves

The position of the Board is to maintain sufficient unrestricted funds to cover operations and management running costs for a period of 6 months. In deciding the level of reserves, the trustees considered the forecasts of levels of income and expenditure for the coming year, the reliability of each source of income and the prospects of new sources of income. The trustees believes that the current level of unrestricted funds maintained by the charity is adequate for its management.

Restricted funds are reserve of money that can only be used for specific purposes. It provides reassurance to donors that their contributions will be used in a manner they have chosen.
