a) **Madonna & Child project for vulnerable women and disabled children**

The fund currently assists 20 handicapped children and 20 vulnerable women. The support the mothers of handicapped children receive is money which goes towards helping the women to meet food, housing, medical and physiotherapy costs, school fees and also materials with which to make things to sell (primarily soap). It remains an important aspect of this Foundation that the women and children get together socially regularly throughout the year. They continue to be given a meal every two months. The vulnerable older women are given food.

Madonna & Child	<b>7,000</b>
-----------------	--------------

b) **Diocese of Koupéla: protecting and educating girls**

We have continued to finance a **refuge for girls in Baskouré** which houses young girls who have run away from a forced young marriage or from areas of terrorist activity. Increasingly, girls are being taken in due to having fled massacres/terrorist activity. Our giving contributes towards the cost of food, electricity, housing, clothes, healthcare costs and training the girls in a trade (making clothes, embroidery, brewing the local beer, weaving, soap-making, raising of livestock and growing vegetables being some of their past/current activities).

We continue to fund **St Monique Home** in Gounghin (for secondary school-aged girls), all of whom are orphaned of either one or both parents.

We have continued to include **OCADES** in our giving. OCADES is an organisation which works to give training to disadvantaged girls and women.

1) **Talks and presentations**

Gillie was delighted, on Wednesday 11<sup>th</sup> May 2022, to give the first talk in over two years, since the lifting of Covid restrictions. On this occasion it was to the Mothers’ Union of Cranleigh where the turnout was good and £225 was raised.

2) **Trip 2022**

For the fourth year running, there was no trip due to terrorist activity.

3) **Our Regular Projects**

- b) The Diocese of Koupéla
- c) Priest of the Roman Catholic Diocese of Fada N’Gourma
- d) Priest of the Roman Catholic Diocese of Kaya
- e) St Joseph’s Training Centre in Fada

a) **The Yoann Foundation for disabled women and children**

The fund currently assists 22 handicapped children and 18 vulnerable women. The support the mothers of handicapped children receive is money which goes towards helping the women to meet food, housing, medical and physiotherapy costs, school fees and also materials with which to make things to sell (primarily soap). It remains an important aspect of this Foundation that the women and children get together socially regularly throughout the year. They continue to be given a meal every two months. The vulnerable older women are given food.

b) **Diocese of Koupéla: protecting and educating girls**

We have continued to finance a **refuge in Baskouré** which houses young girls who have run away from a forced young marriage. Our giving covers food, electricity, housing, clothes, healthcare costs and training the girls in a trade (making clothes, embroidery, brewing the local beer, weaving, soap-making, raising of livestock and growing vegetables). This year, they made an urgent appeal to help them secure a water source. We sent them the necessary £5,800 which funded the drilling and fitting of a solar powered pump.

We have continued to fund 20 girls through **primary school** and 10 girls through secondary school (these are looked after by **St Monique Home**). All secondary school girls are orphaned of either one or both parents. We have also continued to give donations to the **Gounghin Nursery School**. We have continued to include **OCADES** in our giving. OCADES is an organisation which works to give training to disadvantaged girls and women.

Giving to the Diocese of Koupéla this year:

Baskouré Refuge (basic) £5,000, plus for the water pump and tower (£5,800)	10,800

1) **The Trustees:** Gillie Nicholls, David Nicholls and Jude O'Mara Spicer.

There were no talks or presentations this year due to the Coronavirus restrictions. However, Gillie made a talk which is accessible online (<https://www.youtube.com/watch?v=Jehalll40aA>)

3) **Trip 2021**

For the third year running, there was no trip due to terrorist activity and Coronavirus restrictions.

a) **The Yoann Foundation for disabled women and children**

The fund currently assists 23 handicapped children, 20 vulnerable women and 23 young seamstresses. The support the mothers of handicapped children receive is money which goes towards helping the women to meet food, housing, medical and physiotherapy costs, school fees and also materials with which to make things to sell (primarily soap). The vulnerable older women are given food. It remains an important aspect of this Foundation that the women and children get together socially regularly throughout the year. Coronavirus restrictions made it difficult for this to happen this year. Another aspect which is increasingly useful is the support of girls being trained in sewing/couture. Those who successfully complete training are given sewing machines (funded by us) at the end of their training.

b) **Diocese of Koupéla: protecting and educating girls**

Ab Gerard YOUGBARE (who runs OCADES) is our chief contact in Koupéla.

We continue to finance a **refuge in Baskouré** which houses young girls who have run away from a forced young marriage. Our giving covers food, electricity, housing, clothes, healthcare costs and training the girls in a trade (making clothes, embroidery, brewing the local beer, weaving, soap-making, raising of livestock and growing vegetables). They appealed for extra help for purchasing the following: repair to solar panels (£2,414), digging of hole for toilet waste (£941), repair to the roof of the dorm (£825), tables and chairs (£246) and for blackboards and a fridge. An extra £4,426 was therefore sent in September, along with extra funds for the piggery and the replacement fencing; all the projects were achieved. We continue to fund 20 girls through **primary school** and 10 girls through secondary school (these are looked after by **St Monique Home**). All secondary school girls are orphaned of either one or both parents. We have continued to give donations to the **Gounghin Nursery School** and **Primary School**. We continue to include **OCADES** in our giving. OCADES is an organisation which works to give training to disadvantaged girls and women.
