TRUSTEES' REPORTStatement of Trustees' Responsibilities.

Charity Law requires the Trustees to prepare financial statements for each financial year, in accordance with United Kingdom Generally Accepted Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the Charity and of its incoming resources and applications of resources of the Charity for that period. In preparing these financial statements, the Trustees should follow best practice and:

- a. Select suitable accounting policies and then apply them consistently.
- b. Make judgements and estimates that are reasonable and prudent.
- c. State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- d. Prepare the financial statement on the going concern basis, unless it is inappropriate to assume that the Charity will continue to function.

The Trustees are responsible for keeping proper accounting records, which disclose, with reasonable accuracy at any time, the financial position of the Charity, and to enable them to ensure that where applicable, the financial statements comply with the applicable law, regulations and trust deed. They are also responsible for safeguarding the assets of the Charity, and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

Governance & Management

The Charity's trust deed was adopted on the 1st February 2007 and the Church registered as a charity as from 6th September 2007.

The appointment of new Trustees is subject to the approval of the Board of Trustees at an appropriate Meeting. New Trustees are given an appropriate induction programme to the workings of the Charity, and receive training as necessary.

The Board of Trustees meet at various intervals to administer the Charity.

Certain aspects of the day to day running of the Charity are delegated to specific Trustees as detailed in the Minutes of the meetings of the Board of Trustees.

The Board of Trustees have overall responsibility for ensuring the Charity has appropriate systems of control, financial and otherwise. These systems should provide reasonable assurance that:

- The charity is operating efficiently and effectively;
- Its assets are safeguarded against unauthorised use or disposition;
- Proper records are maintained and financial information used within the charity, or for publication, is reliable, and
- The charity complies with relevant laws and regulations.

The systems of internal control are designed to provide reasonable, but not absolute, assurance against material misstatement or loss, they include.

- Regular consideration by Trustees of financial results, and
- Delegation of authority and segregation of duties as defined above.

Risk Review

The Board of Trustees have assessed the major risks to which the Charity may be exposed, in particular those related to the operation and finances of the Trust, and are satisfied that systems are in place to mitigate their exposure to the major risks.

TRUSTEES' REPORT (Continued)

The Board of Trustees take legal and other professional advice wherever necessary and will always continue to do so.

Objectives and Activities

The Objectives of the Charity are as follows:

(I)

- a) The advancement of the Christian Faith.
- b) The relief of sickness and the preservation and protection of physical and mental health.
- c) The relief of poverty.

The main activities in relation to the above objects are:

(II)

- a) Holding regular weekly Sunday services.
- b) Holding weekly evening bible study meetings.
- c) Holding periodical healing services.
- d) Promoting a weekly children's church and bible teaching school.
- e) Providing pastoral care where necessary.
- f) Continuing the church's tithe and offerings to other ministries.
- g) Giving training in pastoral care and helping the ministry to increase excellence in every area of church life.

Achievements and Performance.

Overall, income decreased this year by £7,599 with offerings decreasing by £4,357 and gift aid recovery decreasing by £3,242.

The Church has continued to use Southcourt Baptist Church, Aylesbury to continue its Services, Children's Activities and Prayer Meetings, as far as the Covid-19 pandemic has allowed. These Services have been supplemented by virtual Meetings and Services whenever this has been practical.

Training for church leadership has continued during the year for the benefit and growth of the church.

Income decreased from £92,529 in 2019 to £84,921 this year, which is a direct result of the Covid-19 pandemic. However, overheads have also decreased by £20,229 to £85,090. Overall, the Church has a net deficit for the year of £169 compared with a deficit in 2019 of £12,790. The aim of preserving reserves was achieved during the last year, in view of the problems arising from Covid-19 pandemic. In view of the current relaxation of Covid-19 restrictions it is now hoped that the increase in Church Membership desired in earlier years can now be achieved with a resultant restoration of Church income to earlier levels.

Financial reviewReserves Policy

The Charity's financial position has continued to be totally secure, in that at no time have commitments been made before funding is in place and the Board of Trustees intend that this policy will continue for the protection of Trustees.

Investment Policy

The monies and property of the Charity not immediately required for the purpose of the Charity may be held or vested in such persons, whether Members of the Charity or not, as the Committee may from time to time determine as Holding Trustees.

TRUSTEES' REPORT (Continued)

Plans for the Future

It is the intention of the Charity to continue to raise funds via its various services and meetings to further enhance the objects and activities detailed above and these activities will be expanded as the Covid-19 restrictions are relaxed.
