REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2020

The trustees, who are also directors for the purposes of company law, present their report and the financial statements of the charity for the year ended 31 December 2020.

The financial statements comply with the Charities Act 2011, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

OBJECTIVES AND ACTIVITIES

The Objects of the charity and how it is attempting to achieve the objectives

The charity is governed by a written constitution in which its objects are set out. The charity aims to provide affordable, reliable, accessible transport for registered youth and community groups, registered charities, schools, statutory groups and other non-profit making organisations.

Objectives achieved in the year, a review of activities and significant changes and development plans for the future.

Introduction

With a worldwide Coronavirus pandemic hitting us, 2020 has been a very different year from usual. January to March was relatively normal with usual services running but with lockdowns and restrictions imposed throughout the remainder of the year the Charity has been limited in the services it has carried out. However it has adapted and continued to provide essential services where possible. With some grants and funding the Charity has been able to continue its operations. Under the exceptional circumstances the Trustees are satisfied with the performance of the charity during the year from a staffing and professional view. The Trustees would like to be in a better position financially as at 31 December 2020 but consider that the charity is in a relatively good position to continue its activities during the coming year, and that the charity's assets are adequate to fulfil its obligations at this moment in time. It is always the intention to secure funding each year to boost income and this will be the focus in 2021. In a time of worldwide uncertainty, the Trustees and staff achieve what they can with the resources available.

Public benefit

The trustees have had regard to the Charity Commission's guidance on their legal duty on public benefit and are satisfied that the charity delivers public benefit. Due regard is also paid to the guidance on public benefit when deciding which new projects to undertake.

Contributions from volunteers

Volunteers carry out valued work for the charity.

ACHIEVEMENT AND PERFORMANCE

Achievement of objectives and review of activities

The Trustees are satisfied that the aims and objectives of the Charity have continued to be met and have worked together with staff to make the working practices achievable as far as possible due to the restrictions in place but feels that the Charity has adapted well, modifying its services to supply essential shopping trips to elderly and disabled members, collecting prescriptions and shopping for those in isolation, taking people for essential health and hospital appointments, helping transport stock for a local food bank, keeping in regular contact with vulnerable members by telephone and helping collect and distribute essential PPE right at the start of the pandemic. The main focus has been keeping in touch with our members and getting people out for essential activities when mainstream transport is not available.

With the welcome benefit of COVID emergency funding, the Job Retention Scheme, Rates Grant and Local Restriction Grants the extra income has meant that use of reserves has been limited. Driving staff were placed into furlough in the first lockdown when the Charity was ordered to close but were able to return to work in a phased manner. The Operations Manager has remained in post throughout ensuring grants and funding was accessed, liaising with the Trustees and staff, carrying out usual accounting activities and funding reports and ensuring the Charity premises and vehicles was COVID secure with all the necessary procedures put into place. A robust system was implemented to ensure passenger safety and confidence. A new working from home system was also implemented and worked very well with regular visits to the premises to meet with staff, carry out cleaning and ensure the site was secure. Vehicles have all been properly maintained and have had the usual regular safety inspections. For all it has been a different year it has been productive and busy with staff adapting very well and the Trustees are extremely proud of the team for the efforts they have shown in what has been an uncertain and scary time.

Details of intangible income

There were no donations of intangible income during the year.

FINANCIAL REVIEW

Transactions and financial position

The charity reported a deficit of £16,482 (2019 - £30,927). At the balance sheet date, total funds amounted to £125,201 (2019 - £141,683). Restricted funds amounted to £1,117 (2019 - £nil).

Specific changes in fixed assets

Changes in fixed assets are shown in detail in the notes to the accounts.

Effectiveness of fundraising policies

The charity relies on grant aid from the donors identified in the accounts, whose support is invaluable. There have been no other fundraising activities.

Policies on reserves, investment policies and investment performance

The Trustees have resolved to establish reserves to provide for future activities, and the Trustees have limited powers of investment.

Within those powers, a statement of investment principles has been adopted as set out below. The policy on reserves is that the existing financial assets are retained to produce income which is wholly utilised to support existing activities. There is no intention in the long term to either increase or reduce the capital held. This policy is justified in that it is necessary to preserve income at the present levels in order to maintain the activities of the charity.

Funds are invested in short term bank deposit accounts because of the need to access the funds.

FINANCIAL REVIEW

Availability and adequacy of assets of each of the funds

The Board of Trustees are satisfied that the charity's assets are available and adequate to fulfil its obligations for a limited number of years and is seeking to address this accordingly. Further details on the amounts and nature of reserves held can be found in note 13 to the financial statements.

Going concern

The trustees have reviewed the circumstances of the charity and are satisfied that adequate resources will be available to fund the activities of the charity for the foreseeable future; the trustees are of the view that the charity is a going concern.

SIGNIFICANT CHANGES AND DEVELOPMENTS AND PLANS FOR THE FUTURE

Staffing remained the same in 2020 with a team consisting of the Operations Manager, Travel Club Co-ordinator and 2 part time paid drivers. The usual volunteer drivers had to shield at home due to underlying health problems/age but 2 other volunteers helped out at the start of the pandemic. The organisation is ever confident that it has the right balance in place for the Charity to move forward and continue to deliver its aims and objectives.

Services were modified with one to one transport been offered rather than group hire and goods transported (insurers were happy for the Charity to do this).

The Charity is obviously concerned for its future due to the uncertainty of when life will return to normal, but is remaining positive that once the vaccination process is in place, the country will open up again and normal services will resume. Plans for the future include partnership working, publicity, and sponsorship and to seek funding to cover core costs. The Trustees understand that if the deficit continues each year the long term sustainability of the Charity is at risk and funding is essential to enable it to continue beyond 2021. It will do everything possible to keep the Charity afloat in order to meet its aims and objectives and to continue to be a vital part of life in our local community. It would be devastating for the most vulnerable in our society if the Charity were to close as well as the loss of jobs for valued, long serving members of staff.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

East Durham Community Transport Limited is a company limited by guarantee governed by its Memorandum and Articles of Association.

Method of election of the members of the Board of Trustees

The members of the Board of Trustees are elected at the annual general meeting. The Trustees may co-opt other members onto the Board but those co-opted members have no voting rights. The co-opted members must have the necessary qualities and experience needed to run both a Charity and a transport service. The Trustees managed to meet face to face before the pandemic and once again later in the year with 2 other meetings carried out remotely.

The organisational structure and how decisions are made

The charity operates in accordance with its constitution whereby a Trustee, from user group representative, is appointed at each annual general meeting to direct and oversee the work of the charity and holds no less than 4 meetings during each year. Staff liaises with Trustees on a monthly basis with budget and operational updates. A very close working relationship with Trustees and staff has been established, especially in the past few years which is vital in ensuring good communications, a friendly, comfortable environment but remaining very professional. The Operations Manager has worked tirelessly in 2020 to ensure budgets were met, funding was secured and grants accessed and all procedures for the Charity to remain open were in place.

The charity works with statutory agencies, registered youth and community groups, registered charities and other non-profit making voluntary organisations which become members and uses its vehicles to assist them in achieving their aims.

Details of related parties and transactions with related parties

The trustees are not aware of any related parties.

The major risks to which the charity is exposed and reviews and systems to mitigate risks

The Trustees identify the major risks to which the charity is exposed each financial year when preparing and updating a strategic plan, in particular those related to the operations and finances of the charity. The Trustees then review any major risks which have been identified, and establish systems to mitigate those risks. The charity is satisfied that the systems are in place to mitigate their exposure to the major risks which have been so identified and reviewed.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of East Durham Community Transport Limited for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2020.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Grant funding is provided to support the East Durham Travel Club.

Grant funding is provided to cover staff costs.

Designated funds

The designated funds were established in the 31 December 2007 Charitable Trust financial statements and relate to capital grants received for the purchase of additional minibuses.

Fund transfers

As the vehicles were in use for a period of at least five years from acquisition there is no restriction on the use of these proceeds, they are therefore released to general unrestricted funds.
