TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2025

The Trustees present their annual report together with the financial statements of the company for the 1 April 2024 to 31 March 2025. The Trustees confirm that the Annual Report and financial statements of the company comply with the current statutory requirements, the requirements of the company's governing document and the provisions of the Statements of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic (FRS 102) (effective 1 January 2019).

Since the company qualifies as small under section 383, the strategic report required of medium and large companies under The Companies Act 2006 (Strategic Report and Director's Report) Regulations 2013 is not required.

Structure, governance and management

The company is constituted under a Memorandum of Association dated 30 November 2006 and is a registered charity number 1120865.

The Trustees who served during the year were as follows:-

R A Urwick

C J Bajo

No person may be appointed or continue to hold his position as a director of the company unless he is a member, or becomes a member within one month of his appointment.

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £5 in the event of a winding up.

The organisation is a registered charity, compliance oversight is relatively non-complex since there are few transactions. The charity is an independent company, whose activity is to receive funds from a variety of sources and make charitable donations.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Objectives and Activities

Policies and objectives

The charity's objects are to fund projects in the United Kingdom and overseas that work for the benefit of children/young people in the areas of medical health, poverty relief, education as well as those focused on environment and conservation.

To date the Charity has not conducted charitable project activities directly but instead has made donations to existing registered charities consistent with the objects in the Memorandum and Articles of Association. The Trustees are however considering whether to change the way in which the charity operates in future in particular to fund projects with which the charity will become directly involved.

We have referred to the guidance in the Charity's Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular the trustees consider how planned activities will contribute to the aims and objectives they have set.

The Trustees have the power to invest in such assets as they see fit.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

Achievements and performance

Review of activities

The trustees are satisfied with the level of activity during the year given current investment returns.

The charity received total investment income of £29,727 (2024: £26,375). Grants made in the year amounted to £nil (2024: nil). The total reserves as at 31 March 2025 were £3,027,005 (2024:£3,335,547).

Currently the charity has low levels of expenditure and therefore holds unrestricted funds far exceeding this level of expenditure. The Trustees keep under review appropriate projects for the charity to fund. Unrestricted funds are currently above and beyond six month's expenditure so that when appropriate projects are identified, they can be funded to a level which will make a significant difference to that project.

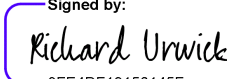

Reserves policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level sufficient to continue to make grants to beneficiaries as the need arises. Reserves are in the meantime invested to generate a return to fund future grants.

Small companies note

In preparing this report, the Trustees have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006

INDEPENDENT EXAMINERS' REPORT

Independent examiner's report to the Trustees of Urwick Benevolent Limited ('the Company')

I report to the charity Trustees on my examination of the accounts of the Company for the year ended 31 March 2025.

Responsibilities and basis of report

As the Trustees of the Company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Company's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Company's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Company and the Company's Trustees as a body, for my work or for this report.

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Urwick Benevolent Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the Company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds consists of investment management fees.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.4 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.
