Respect for Animals Educational Trust Limited

Strategic Report for the Year Ended 31 December 2024

The trustees, who are directors for the purposes of company law, present their strategic report for the year ended 31 December 2024, in compliance with s414C of the Companies Act 2006.

Respect for Animals Educational Trust Limited

Strategic Report for the Year Ended 31 December 2024

Achievements and performance

Respect for Animals Educational Trust (RfAET) continues its mission to end the cruel and unnecessary global fur trade.

The killing of tens of millions of animals each year for their fur is unethical, unnecessary, and indefensible. RfAET believes that moral progress is reflected in how nations treat their most vulnerable, and fur 'production' fails that test. Through peaceful, evidence based campaigning, we remain committed to giving a voice to the voiceless animals who suffer at the hands of the fur industry.

Our narrow focus and coalition leadership allow RfAET to punch above its weight, driving legislative, consumer and corporate change across the UK and Europe and beyond.

Fur Free UK Campaign

RfAET continued to lead the campaign for a UK-wide ban on the import and sale of fur. We built new relationships with ministers and officials at DEFRA, urging publication of the long-overdue results of its 2021 consultation into the fur trade.

We supported one of the most signed Early Day Motions in the current Parliament, calling for a total ban on fur imports and sales. We also attended events in Westminster to help build political momentum.

Labour MP Ruth Jones tabled the Fur (Import and Sale) Bill as a Private Members' Bill in October 2024, aiming to prohibit all imports and sale of real fur, including mink, foxes, chinchilla, raccoon dog, and coyote fur, and closing long standing loopholes in UK law. The bill's second reading was scheduled for summer 2025. Respect for Animals worked closely with Ruth Jones and aides in developing the content of the legislative text and the campaign plans to advance the Bill.

Fur Free Europe Campaign

RfAET remained at the forefront of the Fur Free Europe European Citizens' Initiative, which gathered over 1.5 million verified signatures and successfully pushed the issue onto the European Commission's legislative agenda. Our legal opinion, published in 2021, was instrumental in persuading the Commission that an EU-wide ban on fur farming and fur product sales is legally feasible, and remains highly relevant to the EC thinking on fur.

In January 2024, RfAET presented detailed animal welfare evidence at the first EFSA stakeholder meeting on fur farming, representing the Fur Free Alliance. EFSA's final scientific opinion, due in summer 2025, is hoped to provide the foundation for a proposal to ban fur farming and fur sales across the European Union.

Research and Reports

In spring 2024, RfAET commissioned and co-authored an in-depth scientific review of the welfare of mink, foxes, raccoon dogs and chinchillas on European fur farms. Developed with Eurogroup for Animals, Fur Free Alliance and Four Paws, the report was submitted to EFSA to help shape its upcoming scientific opinion.

Our previously published reports, including The Case Against Fur Factory Farming and our scientific critique of fur farmed cage enrichment, continue to be widely cited. They show that even so-called "high welfare" fur farms systematically fail to prevent serious animal suffering.

Exposing the Industry

RfAET collaborated with Belgian group GAIA to reveal that luxury fashion conglomerate LVMH donated €300,000 to the International Fur Federation, financially supporting a global lobbying effort to protect fur farming. The exposé was reported in international media and highlighted the urgent need for transparency and ethical accountability in the fashion sector.

Respect for Animals Educational Trust Limited

Strategic Report for the Year Ended 31 December 2024

Retail Campaigns

Through the Fur Free Retailer programme, RfAET helped secure fur free commitments from key retailers and fashion brands. Our campaign supporting the Max Mara boycott played a decisive role in the company's decision to go fur free, following an international effort that included protests, a balloon over their Italian HQ, and more than 270,000 emails from concerned consumers.

RfAET remains the UK administrator of Fur Free Retailer, the world's leading certification initiative for ethical fur free fashion. With partners including H&M, New Look and Gucci, the programme continues to shift the industry away from fur.

Global Partnerships and Coalitions

RfAET plays a leading role in international coalitions. We serve on the Executive Committee of the Fur Free Alliance, where we are also the elected Treasurer. We co-chair the working group on EU policy, and are key members of the Fur Free Retailer, fur farming, fur sales, and corporate outreach working groups.

We are proud members of Eurogroup for Animals, contributing to its Fur Working Group and supporting EU legislative action to end fur farming and marketing.

Facts About Fur and Future Plans

Our new website, Facts About Fur, will be launched in 2025 as a dedicated platform for verified statistics, trade data and scientific analysis. Designed as a global hub for journalists, policymakers, campaigners and consumers, it underpins our ambition to become the leading data resource on the global fur industry.

RfAET will continue to develop Facts About Fur, publish new reports and support campaigns across Europe, North America and Asia.

Looking Ahead to 2025 and Beyond

RfAET will continue supporting the EU campaign, especially EFSA's report and subsequent European Commission proposals, while upping pressure for a UK ban on fur imports and sales.

Our data driven strategy will be accompanied by further scientific reports, retail monitoring, and expanded media exposure of the fur industry. This will be hosted and promoted on our new Facts About Fur website.

We remain committed to our international coalitions, especially through the Fur Free Alliance and Eurogroup for Animals, to maintain and improve our efforts toward ending the global fur trade.

The strategic report was approved by the trustees of the charity on 18 August 2025 and signed on its behalf by:

.....
Ms Nicola Roberta Brooks
Company secretary and trustee

Respect for Animals Educational Trust Limited

Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 December 2024.

Objectives and activities

Public benefit

To advance the education of the public in the subject of the care and treatment of animals and consequent implications for the environment, ecology and biodiversity.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Trustees and officers

The trustees and officers serving during the year and since the year end were as follows:

Trustees:	Ms Nicola Roberta Brooks
	Mr Mark Glover
	S Creamer
Secretary:	Ms Nicola Roberta Brooks

Structure, governance and management

Nature of governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Financial instruments

Objectives and policies

The charity's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk. The use of financial derivatives is governed by the charity's policies approved by the board of trustees, which provide written principles on the use of financial derivatives to manage these risks. The charity does not use derivative financial instruments for speculative purposes.

Cash flow risk

The charity's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates. The charity uses foreign exchange forward contracts and interest rate swap contracts to hedge these exposures.

Interest bearing assets and liabilities are held at fixed rate to ensure certainty of cash flows.

Respect for Animals Educational Trust Limited

Trustees' Report

Credit risk

The charity's principal financial assets are bank balances and cash, trade and other receivables, and investments. The charity's credit risk is primarily attributable to its trade receivables. The amounts presented in the balance sheet are net of allowances for doubtful receivables. An allowance for impairment is made where there is an identified loss event which, based on previous experience, is evidence of a reduction in the recoverability of the cash flows. The credit risk on liquid funds and derivative financial instruments is limited because the counterparties are banks with high credit-ratings assigned by international credit-rating agencies. The charity has no significant concentration of credit risk, with exposure spread over a large number of counterparties and customers.

Liquidity risk

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the charity uses a mixture of long-term and short-term debt finance. Further details regarding liquidity risk can be found in the Statement of accounting policies in the financial statements.

Statement of trustees' responsibilities

The trustees (who are also the directors of Respect for Animals Educational Trust Limited for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Respect for Animals Educational Trust Limited

Trustees' Report

The annual report was approved by the trustees of the charity on 18 August 2025 and signed on its behalf by:

Company secretary and trustee

Respect for Animals Educational Trust Limited

Independent Examiner's Report to the trustees of Respect for Animals Educational Trust Limited ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2024.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the accounts. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently I express no opinion as to whether the accounts present a 'true and fair' view and my report is limited to those specific matters set out in the independent examiner's statement.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Respect for Animals Educational Trust Limited as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the financial year ending 31 December 2024 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the charity to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

The financial statements on pages 10 to 21 were approved by the trustees, and authorised for issue on 18 August 2025 and signed on their behalf by:

.....
Ms Nicola Roberta Brooks
Company secretary and trustee

The notes on pages 12 to 21 form an integral part of these financial statements.

Respect for Animals Educational Trust Limited

Notes to the Financial Statements for the Year Ended 31 December 2024

1 Charity status

The charity is limited by share capital, incorporated in .

The address of its registered office is:

30 Station Road

Carlton

Nottingham

Nottinghamshire

NG4 3DL

These financial statements were authorised for issue by the trustees on 18 August 2025.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

Respect for Animals Educational Trust Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Respect for Animals Educational Trust Limited

Notes to the Financial Statements for the Year Ended 31 December 2024

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Legacy gifts are recognised on a case by case basis following the grant of probate when the administrator/executor for the estate has communicated in writing both the amount and settlement date. In the event that the gift is in the form of an asset other than cash or a financial asset traded on a recognised stock exchange, recognition is subject to the value of the gift being reliably measurable with a degree of reasonable accuracy and the title to the asset having been transferred to the charity.

Investment income

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Respect for Animals Educational Trust Limited

Notes to the Financial Statements for the Year Ended 31 December 2024

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Respect for Animals Educational Trust Limited

Notes to the Financial Statements for the Year Ended 31 December 2024

Foreign exchange

Transactions in foreign currencies are recorded at the rate of exchange at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are reported at the rates of exchange prevailing at that date.

The results of overseas operations are translated at the average rates of exchange during the period and their balance sheets at the rates ruling at the balance sheet date. Exchange differences arising on translation of the opening net assets and results of overseas operations are reported in other comprehensive income and accumulated in equity (attributed to non-controlling interests as appropriate).

Other exchange differences are recognised in the Statement of Financial Activities in the period in which they arise except for:

- 1) exchange differences on transactions entered into to hedge certain foreign currency risks (see above);
- 2) exchange differences arising on gains or losses on non-monetary items which are recognised in other comprehensive income; and
- 3) in the case of the consolidated financial statements, exchange differences on monetary items receivable from or payable to a foreign operation for which settlement is neither planned nor likely to occur (therefore forming part of the net investment in the foreign operation), which are recognised in other comprehensive income and reported under equity.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Financial instruments

Classification

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

Respect for Animals Educational Trust Limited

Notes to the Financial Statements for the Year Ended 31 December 2024

Recognition and measurement

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

Respect for Animals Educational Trust Limited

Notes to the Financial Statements for the Year Ended 31 December 2024

Debt instruments

Debt instruments which meet the following conditions are subsequently measured at amortised cost using the effective interest method:

(a) The contractual return to the holder is (i) a fixed amount; (ii) a positive fixed rate or a positive variable rate; or (iii) a combination of a positive or a negative fixed rate and a positive variable rate.

(b) The contract may provide for repayments of the principal or the return to the holder (but not both) to be linked to a single relevant observable index of general price inflation of the currency in which the debt instrument is denominated, provided such links are not leveraged.

(c) The contract may provide for a determinable variation of the return to the holder during the life of the instrument, provided that (i) the new rate satisfies condition (a) and the variation is not contingent on future events other than (1) a change of a contractual variable rate; (2) to protect the holder against credit deterioration of the issuer; (3) changes in levies applied by a central bank or arising from changes in relevant taxation or law; or (ii) the new rate is a market rate of interest and satisfies condition (a).

(d) There is no contractual provision that could, by its terms, result in the holder losing the principal amount or any interest attributable to the current period or prior periods.

(e) Contractual provisions that permit the issuer to prepay a debt instrument or permit the holder to put it back to the issuer before maturity are not contingent on future events, other than to protect the holder against the credit deterioration of the issuer or a change in control of the issuer, or to protect the holder or issuer against changes in levies applied by a central bank or arising from changes in relevant taxation or law.

(f) Contractual provisions may permit the extension of the term of the debt instrument, provided that the return to the holder and any other contractual provisions applicable during the extended term satisfy the conditions of paragraphs (a) to (c).

Debt instruments that are classified as payable or receivable within one year on initial recognition and which meet the above conditions are measured at the undiscounted amount of the cash or other consideration expected to be paid or received, net of impairment.

With the exception of some hedging instruments, other debt instruments not meeting these conditions are measured at fair value through profit or loss.

Commitments to make and receive loans which meet the conditions mentioned above are measured at cost (which may be nil) less impairment.

Investments

Investments in non-convertible preference shares and non-puttable ordinary or preference shares (where shares are publicly traded or their fair value is reliably measurable) are measured at fair value through profit or loss. Where fair value cannot be measured reliably, investments are measured at cost less impairment.

Investments in subsidiaries and associates are measured at cost less impairment. For investments in subsidiaries acquired for consideration including the issue of shares qualifying for merger relief, cost is measured by reference to the nominal value of the shares issued plus fair value of other consideration. Any premium is ignored.

Respect for Animals Educational Trust Limited

Notes to the Financial Statements for the Year Ended 31 December 2024

Derivative financial instruments

The charity uses derivative financial instruments to reduce exposure to foreign exchange risk and interest rate movements. The charity does not hold or issue derivative financial instruments for speculative purposes.

Derivatives are initially recognised at fair value at the date a derivative contract is entered into and are subsequently remeasured to their fair value at each reporting date. The resulting gain or loss is recognised in statement of financial activities immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in statement of financial activities depends on the nature of the hedge relationship.

Fair value measurement

The best evidence of fair value is a quoted price for an identical asset in an active market. When quoted prices are unavailable, the price of a recent transaction for an identical asset provides evidence of fair value as long as there has not been a significant change in economic circumstances or a significant lapse of time since the transaction took place. If the market is not active and recent transactions of an identical asset on their own are not a good estimate of fair value, the fair value is estimated by using a valuation technique.

3 Income from donations and legacies

	Unrestricted funds General £	Total funds £

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST DECEMBER 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

To advance the education of the public in the subject of the care and treatment of animals and consequent implications for the environment, ecology and biodiversity.

RESPECT FOR ANIMALS EDUCATIONAL TRUST
LIMITED

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST DECEMBER 2022

ACHIEVEMENT AND PERFORMANCE

Fighting for a fur free world

Respect for Animals campaigns against the cruel and unnecessary international fur trade, believing fur farming and trapping to be morally indefensible.

By using innovative advertising and media campaigns such as the famous David Bailey 'Dumb Animals' poster and cinema commercial, consumer attitudes towards the wearing of fur in the UK have changed dramatically. Many department stores used to have fur salons and fur could be found commonly on high streets. Now, more and more department and high street stores have adopted 'fur-free' policies and have the Fur Free Retailer programme, run in the UK by the Respect for Animals Educational Trust (the Trust).

Effective campaigns run by the Trust have led to fur farming being banned throughout the United Kingdom for over 20 years now. The leg-hold trap, the device most commonly used to catch animals in the wild, is deemed so cruel that its use has been banned in this country for over 50 years and in the EU for over 20 years. The trade in cat and dog fur is now illegal in the EU and UK, as is the trade in the products of cruel seal hunts.

What we stand for

The killing of tens of millions of animals each year for nothing more than the fur on their backs is morally wrong and a crime against nature. Gandhi said 'The greatness of a nation and its moral progress can be judged by the way its animals are treated.' Animals killed for their fur are either trapped in the wild or reared in fur factory farms in tiny, barren wire cages.

All this for a product nobody needs. The Trust gives a voice to the countless and voiceless animals whose only crime is to have been born with beautiful fur. We campaign peacefully but effectively and have a good record of achievement, securing a ban on fur factory farming throughout the UK and we have been at the forefront of the consumer and educational campaigns in the UK that have led to the closure of most fur outlets here. But there is so much more to do.

Our work

Fur Free Europe

Despite being based outside of the EU, the Trust was one of the driving forces behind the Fur Free Europe European Citizens' Initiative (ECI), which was to become the most successful animal welfare ECI ever.

It was a legal opinion, commissioned in 2021 by the Trust which convinced the European Commission that a fur farming ban was legally possible, and persuaded key players in the European animal welfare movement to invest resources in the campaign. 1,502,319 validated signatures were officially submitted to the European Commission calling on the EU to ban fur farming and the placement of farmed fur products on the market once and for all.

Fur Free Europe was launched in May 2022 and received the support of more than eighty organisations from all around Europe.

Fur Free UK

The work of the Trust to see a fur imports and sales ban across the UK continues, despite the current Government abandoning the Animals Abroad Bill and the anti-fur trade measures it was to contain.

The Trust has provided background and briefing material for key political decision makers across the political spectrum, as well as submitting evidence to the Department of Environment, Food and Rural Affairs whilst urging it to publish the results of its consultation into the fur trade in the UK, which is now years overdue.

The Trust has attended multiple parliamentary events in Westminster this year.

International coalitions

Building alliances around the world in order to pursue effective campaigns is a key part of the ethos of the Trust.

We have continued to be members of the Executive Committee for the Fur Free Alliance (FFA), a coalition of more than 50 organisations around the world and are key contributors to FFA working groups and committees.

We have also been a part of the Executive of the Fur Free Europe ECI, as a representative of the Fur Free Alliance.

The Trust is also a highly valued member of Eurogroup for Animals, the leading coalition body for animal welfare in the European Union.

As members of EAA's Fur Working Group, we play a key role contributing to key EU-level activities as part of the ECI campaign, the Commission's revision of animal welfare legislation and their proposals for new fur labelling regulations.

RESPECT FOR ANIMALS EDUCATIONAL TRUST
LIMITED

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST DECEMBER 2022

World Leaders For Research And Reports

The Trust has also published a key piece of research: the revised edition of The Case Against Fur Factory Farming: a scientific review which includes the latest scientific evidence regarding the welfare of animals farmed for fur in Europe, and critically evaluates the fur industry's 'WelFur' protocols for on-farm assessment.

The report documents the extent of animal welfare failings inherent on fur farms and highlights that the current regulatory framework for the protection of fur animal welfare in the European Union is inadequate. It also finds that WelFur is not able to address the major welfare issues for mink, foxes and raccoon dogs farmed for fur, and establishes that enrichment of existing housing systems is unable to address the welfare problems in the cage systems used by the fur industry, concluding that a ban is the only viable solution.

The first edition of the report was translated into multiple languages and formed the scientific basis for convincing numerous countries to ban fur farming, including the Republic of Ireland, the Czech Republic and Norway. The Trust is proud to publish this second edition report in conjunction with Eurogroup for Animals. It is also set to be translated into Hungarian.

Fur Free Retailer

Fur Free Retailer program is an initiative of the Fur Free Alliance, organised by Respect for Animals in the UK. This forms a significant part of our corporate outreach, as we work with designers, brands and online retailers to provide them with facts and evidence regarding fur production. In the UK, most high street shops now have such policies.

Fur Free Retailer is the world's leading program to connect fur-free companies to consumers seeking ethical goods. The online Fur Free Retailer list provides consumers accurate information about a retailer's fur policy, allowing them to make an informed choice when shopping. The program specifically aims to encourage companies to go fur-free and further the spirit of ethical consumerism.

Some of the most famous FFRs include Gucci, Prada and Armani, as well as high street favourites like H&M, Next, New Look and River Island.

Fur Free Retailer recognizes the international ISO 26000 guidelines of corporate social responsibility.

Fur farming banned in Ireland

The Trust celebrated when the bill to ban fur farming in the Republic of Ireland passed the final stages of the parliamentary process on the evening of Tuesday 29 March 2022 and was then signed into law by the Irish President. This followed years of work on our part, with our opinion polling data and scientific reports proving crucial to finally winning a fur farming ban in Ireland.

Campaigning in China

In October 2022, the Trust took part in ACTAsia's Compassion In Fashion Forum, which, for the first time, was a part of Shenzhen Fashion Week in China.

The event was organised by our close colleagues ACTAsia, a group that campaigns against fur in China. Remotely, we presented our findings about the environmental impact of the fur industry, in front of attendees in Shenzhen and thousands of others dialling in from elsewhere in China.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
RESPECT FOR ANIMALS EDUCATIONAL TRUST
LIMITED

Independent examiner's report to the trustees of Respect for Animals Educational Trust Limited ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st December 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The charitable company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31st December 2022.

The members have not required the company to obtain an audit of its financial statements for the year ended 31st December 2022 in accordance with Section 476 of the Companies Act 2006.

The trustees acknowledge their responsibilities for

- (a) ensuring that the charitable company keeps accounting records that comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

These financial statements have been prepared in accordance with the provisions applicable to charitable companies subject to the small companies regime.

The financial statements were approved by the Board of Trustees and authorised for issue on and were signed on its behalf by:

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31ST DECEMBER 2022

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
