- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

1. The advancement of the Christian religion in the Indian sub-continent
2. Relief of sickness and preservation of health among people residing in India
3. Relief of financial hardship for people living in India

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The trustees confirm they have referred to and had regard to the guidance contained in the charity commission's general guidance with regard to public benefit when reviewing the Trusts aims and objectives and in planning activities, including grants.

With due regard to the guidance issued by the charity commission on public benefit we continue to support a church, offering regular Christian services of worship and teaching.

We also support a residential school for poor children who would otherwise be unable to receive an education. Education is currently provided from reception through to Standard 10+2 (GCSE 'A' Level equivalent). No school or accommodation fees are charged.

Young people who want to continue their education are funded giving opportunity to attend local colleges and universities throughout India. All reasonable expenses are funded.

We relieve sickness and preserve health by facilitating health care from professional doctors, nurses and other health care specialists at hospitals in India and by organising healthcare camps.

We relieve financial hardship by providing grants to destitute families and those socially disadvantaged, through a local welfare society and by direct payment to those known to trustees.

We provide small grants to enable young people who have been educated with our support to begin independent living.

We have paid for children to be issued with their birth certificates and Adar cards allowing them to register for national exams and to prove their age empowering them to access help to refuse underage and forced marriage.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The church services continued to be disrupted in part of the year due to the Covid-19 Pandemic Meetings in the surrounding area at church members' homes have been held when permitted to do so. When the church has been able to meet, it has been well attended.

We fund hostel accommodation on two sites for children attending Morning Star School and for children and young people supported by us to attend other educational institutions.

Additional funding has been provided to improve technology within the school allowing for on-line classes and tutoring. Phones have been provided for older students, to access studies, when their schools/ colleges/ universities shut to in person teaching and put classes on-line during the year.

We have a total of 56 residential school students. 20 new students were enrolled this year from local slums and 2 orphans joined from an orphanage that closed down.

All children taking internal school exams passed and have been able to progress in their studies.

We funded five children studying 'A' Level equivalent studies at four institutions allowing them to follow a wide range of subjects. Despite great disruption to their courses, they all passed and have continued into further education, 4 at degree level and one pursuing a language qualification.

Four more students will be taking 'A' Level equivalent exams May 2022, two in medical subjects, one in commerce subjects and one in arts subjects. All have been funded with additional tuition as required.

Three Children who passed GCSE equivalent exams have started 'A' levels at local colleges although initially classes were still on-line.

We continue to fund Higher education. We are funding 1 student who on completing a BSC in Physical Education at University has continued into a masters level teaching qualification, 1 doing a Nursing Diploma, 1 doing an Occupational Therapy degree and one doing a Teaching Diploma.

We have one student who completed their nursing diploma and began work.

We have given some small independent living grants to young people who have finished studies and started working.

We have funded a number of hospital admissions for: extensive leg ulceration needing skin grafts, treatment for a heart condition including the insertion of stents, gallbladder treatment, and conditions such as malaria, dengue fever and stomach infections.

We continue to run immunisation programs, health checks and dental checks for all the children in our care and others brought to us who are unable to afford healthcare. We have funded treatment as needed following check-ups.

We teach about good nutrition, hygiene and healthy lifestyle to improve the health and wellbeing of children and families attending Morning Star School and church and their communities. This has been especially important in keeping Covid-19 infections to a minimum in hostels we fund.

During the coronavirus pandemic we have liaised carefully with those we work with to ensure government guidance and regulations are implemented and followed. There have been very few cases of coronavirus reported amongst those we work with to date. All have made good recovery.

Section E

Financial review

Brief statement of the charity's policy on reserves

We aim to keep a minimum of £12,000 in reserve to be used to meet unforeseen expenditure that may occur and to meet our obligations in case of insufficient funds being raised.

Details of any funds materially in deficit

Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

With current project running costs of approx. £4-6,000/month and no outstanding loans we are in a good financial position to take the charity's work forward.

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 05/04/2022.

**Responsibilities and
basis of report**

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.
