OLDHAM ATHLETIC COMMUNITY TRUST

REPORT OF THE TRUSTEES/DIRECTORS FOR THE PERIOD ENDED 31 AUGUST 2022 cont'd

Structure, Governance and Management

Governing document

Oldham Athletic Community Trust is a company limited by guarantee, governed by its Memorandum and Articles of Association. It was incorporated on 21 December 2006. It is registered as a charity with the Charity Commission.

There is no share capital and the liability of the members is limited to £10 each on a winding up whilst membership continues and for one year after ceasing to be a member.

Membership of the company at 31 August 2022 was 5.

Appointment of trustees

The Trustees have been selected by identifying the key strategic partners for the Trust over the next five years and subsequently inviting a senior representative from each organisation to join the board. These members have been supplemented with representation from the football club whom the trust represents.

The Trust seeks to have representation from the following areas:

Local Authority - Oldham Council

Customer and non-customer schools

Local third sector organisations - Guinness Housing

Formal process for induction and training on responsibilities and duties

Trustees are invited to become involved and provided with written information relating to the objects and background of the Trust. All current trustees are to be provided with a copy of the Trust's governing document which outlines the roles of a trustee although many already hold similar positions elsewhere.

How the Trust is managed

Our Governance has changed, an Independent Chair of the Board has brought experience, commitment and guidance to the Trust. Our relationship with the Club is extremely positive, it sees us now as an integral part of the Club and we are housed within the stadium working collaboratively with employees of the Football Club. We are now in a position that enables us to plan for the future and develop positive strategies that will allow the Trust to develop and grow organically without putting the Trust's future at risk.

The Trust is managed on a daily basis by the Community Manager supported by the Operations Manager who report to the trustees on a quarterly basis.

Risk Management

The main risk in terms of the activity of the organisation is that of safeguarding young people who form the majority of our target audience. In order that we can make the environments we work in as safe as possible the Trust have adopted the following policies:

- Every coach or employee who will have contact with young people MUST be suitably qualified, be enhanced DBS checked, hold an appropriate first aid qualification and have undertaken safeguarding children and young people training.
- For every session that we organise a risk assessment MUST be completed and any risks must be recorded and action taken to reduce or eliminate them.
- To underpin our aim to ensure the safety and well being of young people the Trust has a robust Child Protection policy which is reviewed annually.

Objectives and activities

The five main objectives of the charity are:

- to maintain Oldham Athletic Football Club at the heart of its community and to increase opportunities for young people and families to be involved with Oldham Athletic.
- to promote social responsibility and encourage positive relationships amongst communities through sport.
- to work with local communities to maximise the use of facilities and provide meaningful sports opportunities for young people to enhance their communities.
- to raise the aspirations of young people through football and education.
- to be a sustainable, well managed and forward thinking organisation.

We will achieve these by working towards our five steps to success:

- we will develop a "fit for purpose" and inclusive workforce that represents the demographics of the local community in Oldham.
- we will listen to our partners and the community in Oldham to develop offers and propositions that meet mutual objectives.
- we will develop our abilities to communicate and gain recognition of the work the Trust delivers.
- we will ensure that our Trust is financially sound, well managed, effectively governed and less reliant on grant funding.
- we will deliver to a high standard, all of the time, every time within our three "Core Values".

Achievements, performance and plans for the future

The Trustees are mindful of the guidance contained in the Charity Commission's general guidance on public benefit and this influences decisions when reviewing the charity's aims and objectives and planning future activities. In promoting health and well-being in the local community the Trustees believe that the trust's activities are for the public benefit.

OLDHAM ATHLETIC COMMUNITY TRUST

REPORT OF THE TRUSTEES/DIRECTORS FOR THE PERIOD ENDED 31 AUGUST 2022 cont'd

During this year we could finally look forward and plan ahead free from Covid-19 restrictions. This meant that our community delivery was able to flourish and provide further support to those in need within our local communities.

OACT Head of Community, Martin Vose, said "From providing employment opportunities through the Kickstart scheme at the start of the year to finishing by welcoming 1,500 aspiring footballers to Boundary Park through our two grassroots matchdays it has been a year to remember.

A huge amount of thanks must go to the OACT members of staff, alongside our volunteers and trustees, whose relentless drive to see lives changed for the better has been at the heart of the impact we see across this report.

Whilst the above has been all about looking back I would like to take the opportunity to look ahead. With the new ownership at Oldham Athletic AFC it promises to be a bright and exciting future for everyone connected with the club and the Trust. Given this positive new outlook I can't wait to see what we achieve as a community in the next twelve months".

Our 2021/22 Impact Report which highlights the continued work of the Community Trust over the last season and illustrates the way in which the Trust continues to touch the lives of thousands of people across the Oldham area can be found at:

https://www.oldhamathletic.co.uk/siteassets/image/pdfs/oact/yearbook-2022_23-upload..pdf

From a financial point of view the year was a great success with a surplus of £66,994 which has improved reserves and means that the Trust can aim to help even more people in the year ahead.

Reserves Policy

The Trustees intend to hold sufficient reserves to ensure funds are available to continue the Charity's work in the community in the event of unforeseen fluctuations in the anticipated levels of income and expenditure.

Trustees' responsibilities in relation to the financial statements

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and the incoming resources and application of resources, including the net income or expenditure for the year. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Companies Act 2006 and the Charity (Accounts and Reports) Regulations. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF OLDHAM ATHLETIC COMMUNITY TRUST

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 August 2022, which comprise the Statement of Financial Activities, the Balance Sheet and the related notes.

Responsibilities and basis of report

As the charity's trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

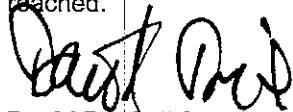

Independent examiner's statement

Since the company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an Independent examination; or
- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

These financial statements for the year ended 31 August 2022 comply with FRS102. The date of transition was 1 January 2015. The transition to FRS102 has resulted in a small number of changes in accounting policies to those used previously but none of the changes have resulted in any adjustments or amendments to retained funds.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of raising funds when this arises.
