Part 1: The Trustees' Annual Report

Oak Heights School Ltd was incorporated on 21 December 2006 and was subsequently registered as a charity with the Charity Commission, effective 4 October 2007.

1.Governance Overview and Modernisation

The Trustees present their report alongside the financial statements of the charity for the year ended 31 August 2025. The Trustees remain fully committed to maintaining robust governance practices in strict accordance with the Charities Act 2011 and the Charities SORP (FRS 102).

As part of a recent, proactive review of institutional governance aimed at adopting contemporary best practices, the Board is currently working with a specialist charity law practitioner to modernise the Charity's Memorandum and Articles of Association. This structured review aims to update formal conflict management protocols, regularise historic operational and property agreements, enhance contemporaneous record-keeping, and actively expand the composition of the Board through the recruitment of additional independent trustees.

The Trustees emphasise that all historical arrangements were established in absolute good faith, with the sole intent of advancing the charity's educational objectives and maintaining operational delivery at the lowest achievable cost to the public benefit.

Executive Management Framework

To secure stable executive leadership, Mr Dhillon committed full-time to the operational running and management of the institution in the dual role of Trustee and Principal. To preserve operational liquidity, executive duties were delivered under a restricted, below-market remuneration framework, detailed explicitly within the notes to the financial statements. No other trustee received remuneration or expenses during the year.

The Board of Trustees maintains strict administrative oversight over the role of Principal. Mr Dhillon's executive functions and operational decisions are regulated by the full Board of Trustees at all stages of critical decision-making. The Principal reports directly to the Board, where he is required to justify operational strategies.

2. Objectives, Activities, and Public Benefit

Oak Heights School Ltd was established to deliver high-quality senior-level education and enriching social activities to young people. Located in Hounslow Central, West London, the school has historically provided structured secondary education focusing on GCSE preparation. Achieving exceptional learning standards within a supportive educational environment, the curriculum successfully prepared students for competitive professional pathways.

3. Strategic & Financial Review

Macroeconomic Impact & Trade Debtors

The legacy of the COVID-19 pandemic caused unprecedented global disruption, resulting in mandatory statutory school closures across England. Oak Heights School responded swiftly by transitioning its curriculum to remote learning platforms to preserve educational continuity.

However, consecutive national lockdowns profoundly impacted the families within our local community, many of whom were self-employed or small business owners. Consequently, a significant proportion of families faced sudden economic instability and were unable to meet tuition fee schedules on time, leading to an accumulation of trade debtors. While the charity has successfully reduced the outstanding debtors list over consecutive periods, the Board remains committed to resolving the remaining legacy debt.

2025 Sector Headwinds and Restructuring

During the current reporting period, the independent educational sector faced unprecedented economic and legislative headwinds. In particular, the introduction of Value Added Tax (VAT) on independent school fees effective 1 January 2025, combined with the removal of charitable business rates relief for independent schools from 1 April 2025, imposed severe, compounding financial pressures. As a small charity serving a localised community, these legislative changes required an immediate restructuring of our fee models. Consequently, the school experienced a sharp decline in new enrolment interest across 2025, alongside a contraction in student numbers by the end of the academic year.

Post balance sheet events

1.Operational Transition and Cessation of Full-Time Schooling

Following a rigorous financial and operational review of the charity's long-term viability, the Trustees took the difficult strategic decision to close the full-time school element of the provider, effective 16 October 2025. This closure was managed in total compliance with regulatory procedures. Employed teacher and staff roles were made redundant in accordance to UK employment law. The charity worked in close coordination with the Department for Education (DfE), Hounslow Council, local schools, and all affected families to ensure seamless transitional paths for all pupils.

In response to clear demand and strong parental advocacy within the local community, the charity pivoted its operational model. Recognising that educational support services (subject to approval) and the administration of the current approved examination centre require a significantly smaller property footprint and lower overheads, the charity has maintained these vital provisions.

2. Post-Closure Status and Going Concern

Property Infrastructure and Lease Realignment

As the charity formalises its strategic transition from a full-time school to a specialised educational support and the continuation as an approved examination centre, ***Mr Dhillon has ceased all remunerated*** executive functions but continues to serve the charity strictly as a Trustee on a voluntary basis to support this streamlined operational phase and preserve charitable funds.

Following the closure of the full-time school element, the charity has significantly consolidated its assets and its physical infrastructure. The former school premises are now altered to a much-reduced occupancy model, utilised exclusively to operate the examination centre, fulfill statutory academic record retention, and provide associated administrative support. The landlord has granted a transitionary reduced rental rate and has formally agreed to fully suspend all current lease outgoings to at least £nil to preserve the charity's operations.

3. Going Concern Statement

Based on a reduced physical footprint and operational costs, the Trustees have a reasonable expectation that the charity has adequate resources and financial sustainability to continue operational existence as an examination and support centre (Subject to approval) for the foreseeable future.

Note 29 Additional Disclosures

The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.

Trustee Remuneration and Related Party Transactions

Executive management during the financial period was provided by Mr Dhillon in his dual capacity as Trustee and Principal. Total employment remuneration paid to Mr Dhillon during the year ended 31 August 2025 was £12,500 (2024: £12,500). This arrangement was accepted as a concession from standard market salaries for equivalent secondary educational leadership roles to preserve charitable liquidity.

No other Trustee received any remuneration, benefits, or reimbursement for expenses during the reporting period.

Following the strategic decision to close the full-time school element, and as part of the operational winding-down process, all remuneration to Mr Dhillon ceased completely on 31 March 2026. From this date forward, Mr Dhillon serves the charity strictly as a Trustee on a voluntary basis.

Operating Lease Commitments and Connected Party Property

The charity operates its streamlined examination and administrative support service from premises subject to a lease agreement with a connected party.

During the financial period ended 31 August 2025, premises were occupied under standard historical lease terms

Subsequent to the balance sheet date and following the closure of the full-time school element on 16 October 2025, the landlord reduced the rental rate and is currently suspended to support the transitional phase.

Subsequently, to protect the charity's financial position, all ongoing lease outgoings were fully suspended.

Consequently, the minimum lease commitment is £Nil. Historical transactions were conducted in absolute good faith to secure premises at the lowest achievable cost to the public benefit

Trade Debtors and Credit Risk Management

Trade debtors represent outstanding tuition fees due from historical academic terms, primarily originating from the 2020/21 pandemic lockdown periods. The Board remains actively committed to recovering these remaining legacy debts.

Trustees Report 1

Trust Objectives and Overview

The Trustees present their report with the financial statements of the charity for the year 1 September 2023 to 31 August 2024 and confirm they comply with the requirements of the Charities Act 2011, the trust deed/article of association and the Charities SORP (FRS 102).

Oak Heights School Ltd was set up to provide education and social activities to children at senior level.

The School is located in Hounslow Central, West London and provides schooling at GCSE level. Admission is by academic selection and pre-testing. The school orientates its programme around development towards careers which include banking, Law, Accountancy, Medicine, and Business.

The school has created a wonderful environment for learning and reached exceptional standards in its endeavours to provide high standard of education.

As of 1st January 2025, new government legislation introduced Value Added Tax (VAT) on all private school fees and services. Additionally, from 1st April 2025 charitable relief on business rates is no longer applicable to independent schools. These legislative changes have collectively imposed a significant financial burden on independent educational institutions nationwide. Due to ongoing economic instability, the school is experiencing lower enrolment numbers, with some students leaving during the academic year as a result of these challenges.

Like many private schools, we are now facing increased difficulties in meeting our day-to-day operational costs while continuing to uphold the high standards of education, facilities, and pastoral care that our community expects and deserves.

Mr Dhillon continues to serve as a key figure of the school.

Trustees Report 2

TRUSTEES

Mr S Dhillon
Mr Kulveer Sandhu (appointed 31/5/2013)
Miss Josephine Daly (appointed 31/5/2013)

OBJECTIVES

The trust's objectives are:

1. To encourage social development and provide education to children in Middlesex, in support of the National Curriculum.
2. To provide or assist in the provision of facilities for recreation and other leisure time occupation in the interests of social welfare with the object of improving the conditions of life of the beneficiaries.

Asset cover for funds

The assets of the trust meet the charity's obligations on a fund by fund basis.

Reserves Policy

The Trustees have examined the requirement for free reserves which are those unrestricted funds not invested in fixed assets. It is the policy of the charity to maintain free reserves at a level considered adequate to provide sufficient funds for approximately two months unrestricted expenditure to cover cost of the activities for charitable objectives and management and administration costs.

Risk Management

The Trustees have reviewed the affairs of the charity and acknowledge that there are significant strategic, financial, and operational risks arising from the introduction of legislative changes affecting private schools.

Statement of trustees' responsibilities

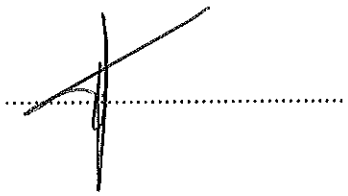

The trustees are required under the law applicable to charities in England and Wales to prepare financial statements for each financial year which give a true and fair view of the state of the charity's financial activities during the year and of its financial position at the end of the year. In preparing these accounts, the trustees are required to:

a) Select suitable accounting policies and apply them consistently;
b) Make judgements and estimates that are reasonable and prudent;
c) State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
d) Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

2.2 INCOME

		Yes*	No*	N/a*
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; • it is more likely than not that the trustees will receive the resources; • the monetary value can be measured with sufficient reliability.	✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).			✓
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).			✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period		✓	
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.			✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.	✓		
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.			✓
Income from interest,	This is included in the accounts when receipt is probable and the amount receivable can			

royalties and dividends	be measured reliably.	
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.	
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.	
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.	
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.	

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.	
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.	
Redundancy cost	The charity made no redundancy payments during the reporting period.	
Deferred income	No material item of deferred income has been included in the accounts.	
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date	
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.	

2.4 ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least	
	They are valued at cost.	
	The depreciation rates and methods used are disclosed in note 14.	
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 15.	
	They are valued at cost.	
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 16.	
	They are valued at cost.	
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.	
	Investments held for resale or pending their sale and cash and cash equivalents with a	

		Yes*	No*	N/a*
	maturity date of less than 1 year are treated as current asset investments			✓
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.	✓		
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.	✓		
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.			✓
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.	✓		
Current asset investments	The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity of loss than one year held for investment purposes rather than to meet short-term cash commitments as they fall due.			✓
	They are valued at fair value except where they qualify as basic financial instruments.			✓

Note 29 **Additional Disclosures**

The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.

Oak Heights School Ltd was incorporated on 21 December 2006 and applied for charity status with the Charity Commission soon thereafter. The company was given charity status with effect from 4 October 2007. Mr S Dhillon who is the Trustee and Principal of Oak Heights School Ltd has committed full time into the running and management of the school. Mr S Dhillon is remunerated at a rate of £12,500 per annum for his services and be reimbursed for any loans given to the School when appropriate. This figure is accepted as a reduced rate for the role that typically commands a higher salary being £40,000 plus during the start up stages until the School is fully financially established. Mr S Dhillon accepts that his salary may be delayed until such funds are available.

Mr S Dhillon will abide by the terms of a contract during his time as Principal, and be regulated by the Trust Body at all stages of the critical decision making. He will report to meetings where he will be required to discuss and justify various decisions, all of which will be documented in the minutes. The Trust Body will act periodically to identify and evaluate Mr S Dhillon's suitability to the post as Principal to ensure standards are maintained at all times. The Trust Body agrees to act with him to ensure that the School and its members are provided for in the best manner possible. Covid-19 caused unprecedented disruption which closed all schools in England. Oak Heights school quickly moved to remote learning during the national lockdown. The lockdown had a massive impact on our parents who were either self employed, ran businesses or were employed and as a result of this most parents were not able to pay school fees on time. Due to this our trade debtors was high. During 2020/21 Schools in England went back into lockdown again due to Covid, this caused further disruptions and uncertainty. Therefore, the school was still unable to chase unpaid debtors. As we are now out of the pandemic the school will now continue chasing school fees. The school has managed to reduce its debtors list and will endeavour to continue to chase the remaining debtors. The school remains committed to actively pursuing the collection of remaining outstanding balances.

However, due to ongoing economic instability and legislative changes affecting private schools, the school is experiencing lower enrollment numbers as usual, with some students leaving during the academic year due to financial hardship

Trustees Report 1

Trust Objectives and Overview

The Trustees present their report with the financial statements of the charity for the year 1 September 2022 to 31 August 2023 and confirm they comply with the requirements of the Charities Act 2011, the trust deed and the Charities SORP (FRS 102).

Oak Heights School Ltd was set up to provide education and social activities to children at senior level.

The School is located in Hounslow Central, West London and provides schooling at GCSE level. Admission is by academic selection and pre-testing. The school orientates its program around development towards careers which include banking, Law, Accountancy, Medicine, and Business.

The school has created a wonderful environment for learning and reached exceptional standards in its endeavours to provide high standard of education.

The pupils both on roll and registered as private candidates within our exam centre are increasing which means we are now looking into adapting the way we manage our accounts in order to develop a more efficient and organised system. To achieve this, various control measures will be put into place.

Mr Dhillon continues as a key figure as the school.

The trust's objectives are:

1. To encourage social development and provide education to children in Middlesex, in support of the National Curriculum.
2. To provide or assist in the provision of facilities for recreation and other leisure time occupation in the interests of social welfare with the object of improving the conditions of life of the beneficiaries.

Asset cover for funds

The assets of the trust meet the charity's obligations on a fund by fund basis.

Reserves Policy

The Trustees have examined the requirement for free reserves which are those unrestricted funds not invested in fixed assets. It is the policy of the charity to maintain free reserves at a level considered adequate to provide sufficient funds for approximately two months unrestricted expenditure to cover cost of the activities for charitable objectives and management and administration costs.

Risk Management

The Trustees have reviewed the affairs of the charity and do not consider that there are major strategic, business and operational risks which the charity faces.

Statement of trustees' responsibilities

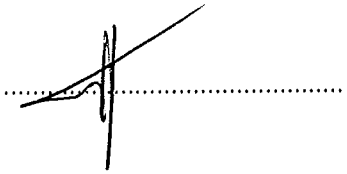

The trustees are required under the law applicable to charities in England and Wales to prepare financial statements for each financial year which give a true and fair view of the state of the charity's financial activities during the year and of its financial position at the end of the year. In preparing these accounts, the trustees are required to:

a) Select suitable accounting policies and apply them consistently;
b) Make judgements and estimates that are reasonable and prudent;
c) State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
d) Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Set out on pages	1-43		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/08/2023.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of Association of Chartered Certified Accountants, United Kingdom.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Note 29 Additional Disclosures

The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.

Oak Heights School Ltd was incorporated on 21 December 2006 and applied for charity status with the Charity Commission soon thereafter. The company was given charity status with effect from 4 October 2007. The School is growing with more students registering each year and this should ensure the School will be operating successfully and within budget over the next few years.

Mr S Dhillon who is the Trustee and Principal of Oak Heights School Ltd has committed full time into the running and management of the school. Mr S Dhillon is remunerated at a rate of £12,940 per annum for his services and be reimbursed for any loans given to the School when appropriate. This figure is accepted as a reduced rate for the role that typically commands a higher salary being £40,000 plus during the start up stages until the School is fully financially established. Mr S Dhillon accepts that his salary may be delayed until such funds are available.

Mr S Dhillon will abide by the terms of a contract during his time as Principal, and be regulated by the Trust Body at all stages of the critical decision making. He will report to meetings where he will be required to discuss and justify various decisions, all of which will be documented in the minutes. The Trust Body will act periodically to identify and evaluate Mr S Dhillon's suitability to the post as Principal to ensure standards are maintained at all times. The Trust Body agrees to act with him to ensure that the School and its members are provided for in the best manner possible. Covid-19 caused unprecedented disruption which closed all schools in England. Oak Heights school quickly moved to remote learning during the national lockdown. The lockdown had a massive impact on our parents who were either self employed, ran businesses or were employed and as a result of this most parents were not able to pay school fees on time. Due to this our trade debtors was high. As we come out of the pandemic the school will now continue chasing school fees. During 2020/21 Schools in England went back into lockdown again due to Covid, this caused further disruptions and uncertainty. Therefore, the school was still unable to chase unpaid debtors. The school will endeavour to continue to chase outstanding school fees. The school has managed to reduce its debtors list and will endeavour to continue to chase the remaining debtors.

Trustees Report 1

Trust Objectives and Overview

The Trustees present their report with the financial statements of the charity for the year 1 September 2021 to 31 August 2022 and confirm they comply with the requirements of the Charities Act 2011, the trust deed and the Charities SORP (FRS 102).

Oak Heights School Ltd was set up to provide education and social activities to children at senior level.

The School is located in Hounslow Central, West London and provides schooling at GCSE level. Admission is by academic selection and pre-testing. The school orientates its program around development towards careers which include banking, Law, Accountancy, Medicine, and Business.

The school has created a wonderful environment for learning and reached exceptional standards in its endeavours to provide high standard of education.

The pupils both on roll and registered as private candidates within our exam centre are increasing which means we are now looking into adapting the way we manage our accounts in order to develop a more efficient and organised system. To achieve this, various control measures will be put into place.

Mr Dhillon continues as a key figure as the school.

Asset cover for funds

The assets of the trust meet the charity's obligations on a fund by fund basis.

Reserves Policy

The Trustees have examined the requirement for free reserves which are those unrestricted funds not invested in fixed assets. Risk Management

The Trustees have reviewed the affairs of the charity and do not consider that there are major strategic, business and operational risks which the charity faces.

Statement of trustees' responsibilities

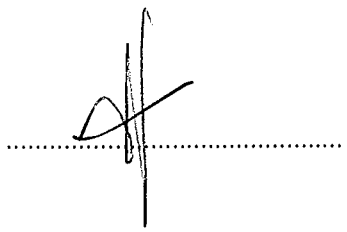

The trustees are required under the law applicable to charities in England and Wales to prepare financial statements for each financial year which give a true and fair view of the state of the charity's financial activities during the year and of its financial position at the end of the year. In preparing these accounts, the trustees are required to:

a) Select suitable accounting policies and apply them consistently;
b) Make judgements and estimates that are reasonable and prudent;
c) State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
d) Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/08/2022.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of Association of Chartered Certified Accountants, United Kingdom.

- the accounts did not accord with the accounting records; or

Note 29 Additional Disclosures

The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.

Oak Heights School Ltd was incorporated on 21 December 2006 and applied for charity status with the Charity Commission soon thereafter. The company was given charity status with effect from 4 October 2007. The School is growing with more students registering each year and this should ensure the School will be operating successfully and within budget over the next few years.

Mr S Dhillon who is the Trustee and Principal of Oak Heights School Ltd has committed full time into the running and management of the school. Mr S Dhillon is remunerated at a rate of £12,500 per annum for his services and be reimbursed for any loans given to the School when appropriate. However, this year in 2022 accounts he was remunerated £10,990. This figure is accepted as a reduced rate for the role that typically commands a higher salary being £40,000 plus during the start up stages until the School is fully financially established. Mr S Dhillon accepts that his salary may be delayed until such funds are available.

Mr S Dhillon will abide by the terms of a contract during his time as Principal, and be regulated by the Trust Body at all stages of the critical decision making. He will report to meetings where he will be required to discuss and justify various decisions, all of which will be documented in the minutes. The Trust Body will act periodically to identify and evaluate Mr S Dhillon's suitability to the post as Principal to ensure standards are maintained at all times. The Trust Body agrees to act with him to ensure that the School and its members are provided for in the best manner possible. Covid-19 caused unprecedented disruption which closed all schools in England. Oak Heights school quickly moved to remote learning during the national lockdown. The lockdown had a massive impact on our parents who were either self employed, ran businesses or were employed and as a result of this most parents were not able to pay school fees on time. Due to this our trade debtors was high. As we come out of the pandemic the school will now continue chasing school fees. During 2020/21 Schools in England went back into lockdown again due to Covid, this caused further disruptions and uncertainty. Therefore, the school was still unable to chase unpaid debtors. The school will endeavour to continue to chase outstanding school fees.

Trustees Report 1

Trust Objectives and Overview

The Trustees present their report with the financial statements of the charity for the year 1 September 2019 to 31 August 2020 and confirm they comply with the requirements of the Charities Act 2011, the trust deed and the Charities SORP (FRS 102).

Oak Heights School Ltd was set up to provide education and social activities to children at senior level.

The School is located in Hounslow Central, West London and provides schooling at GCSE level. Admission is by academic selection and pre-testing. The school orientates its program around development towards careers which include banking, Law, Accountancy, Medicine, and Business.

The school has created a wonderful environment for learning and reached exceptional standards in its endeavours to provide high standard of education.

The pupils both on roll and registered as private candidates within our exam centre are increasing which means we are now looking into adapting the way we manage our accounts in order to develop a more efficient and organised system. To achieve this, various control measures will be put into place.

Mr Dhillon continues as a key figure as the school.

Trustees Report 2

TRUSTEES

Mr S Dhillon
Mr Kulveer Sandhu (appointed 31/5/2013)
Miss Josephine Daly (appointed 31/5/2013)

OBJECTIVES

The trust's objectives are:

1. To encourage social development and provide education to children in Middlesex, in support of the National Curriculum.
2. To provide or assist in the provision of facilities for recreation and other leisure time occupation in the interests of social welfare with the object of improving the conditions of life of the beneficiaries.

Asset cover for funds

The assets of the trust meet the charity's obligations on a fund by fund basis.

Reserves Policy

The Trustees have examined the requirement for free reserves which are those unrestricted funds not invested in fixed assets. It is the policy of the charity to maintain free reserves at a level considered adequate to provide sufficient funds for approximately two months unrestricted expenditure to cover cost of the activities for charitable objectives and management and administration costs.

Risk Management

The Trustees have reviewed the affairs of the charity and do not consider that there are major strategic, business and operational risks which the charity faces.

Statement of trustees' responsibilities

The trustees are required under the law applicable to charities in England and Wales to prepare financial statements for each financial year which give a true and fair view of the state of the charity's financial activities during the year and of its financial position at the end of the year. In preparing these accounts, the trustees are required to:

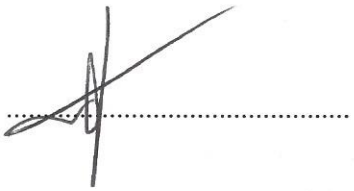

a) Select suitable accounting policies and apply them consistently;
b) Make judgements and estimates that are reasonable and prudent;
c) State whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
d) Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Set out on pages	1-44		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/08/2020.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of Association of Chartered Certified Accountants, United Kingdom.

Covid-19 caused unprecedented disruption which closed all schools in England. Oak Heights school quickly moved to remote learning during the national lockdown. The lockdown had a massive impact on our parents who were either self employed, ran businesses or were employed and as a result of this most parents were not able to pay school fees on time. Due to this our trade debtors was high. As we come out of the pandemic the school will now continue chasing school fees.
