Peter Lang Children's Trust

Report of the Trustees
for the Year Ended 31 December 2022

The Trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements for the charity for the year ended 31st December 2022. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1st January 2015).

OBJECTIVES AND ACTIVITIES

Mission Statement

"The aim of the PLCT is to increase the number of babies and toddlers (conception to 3 years of age) in Gloucestershire who experience loving, nurturing and harm-free childhoods."

The Trust's strategic plan, with a specific focus on Early Intervention, was launched in October 2012.

The Trust's conviction is that this will help provide children with a secure social and emotional foundation for the rest of their lives and will reduce the likelihood of those later aggressive, harmful and self-destructive behaviours that result from damaging experiences in infancy.

2022 saw the continued implementation and refinement of a robust quarterly monitoring and evaluation process for all grant recipients. This process requires all grant recipients to specify their intended outputs and outcomes for each quarter of delivery and for the proposed programme of work as a whole. Grants are disbursed on a quarterly basis and the release of funds is dependent on the successful completion of quarterly monitoring returns for the preceding quarter. Applicants for funding are required to explain how they will help the Trust fulfil its mission, and how they will demonstrate that their programme has had an impact upon its targeted beneficiaries. The Trust expects projects to apply evidenced based methods when evaluating their outcomes.

It is anticipated that applications will meet 8 out of the following 10 specific short-term outcomes.

- Improved relationship between child and main caregiver, shown in a change in behaviour
- The child maintaining, or achieving appropriate social and emotional development
- An increase in parenting knowledge that is being applied
- An increase in a sense of parenting self-confidence
- An increase in parental involvement with the child
- An increase in the parents capacity to accurately see their child's point of view
- Reduced parental stress
- An increase in access to breastfeeding support
- A reduction in parental conflict
- Connecting parents to other services

Report of the Trustees
for the Year Ended 31 December 2022

OBJECTIVES AND ACTIVITIES

Grantmaking

Grants are primarily made to registered charities operating and based within Gloucestershire. There is a preference to fund small to medium sized organisations (i.e. income between £10,000 - £1m pa), but the principal criteria is the selection of organisations that will enable the Trust to fulfil its mission and targeted outcomes.

Furthermore:

- The PLCT Board of Trustees approves all grants. Its decisions are not subject to appeal.
- All grant recipients are subject to the conditions of grant agreed with the Trust at the beginning of the grant payment process - this includes the Trust's right to request an external audit, commitment to quarterly monitoring requirements (including the outputs and outcomes identified in the approved grant application), and any other specific conditions agreed between the Trust and the applicant.
- Applicants are required to have comprehensive and up-to-date safeguarding policies and procedures in place.
- Due diligence - as part of the application and monitoring process, the structure, governance and management of grant applicants is scrutinised. This includes evaluation of their internal policies and procedures regarding investment, reserves and risk management.
- Grants are made to organisations and the Trust does not generally consider appeals from, or on behalf of, individuals.
- The Trust does not generally consider capital appeals, i.e. requests for building costs or large items e.g. mini buses.
- The Trust does not generally fund individual activities or a trip unless they are part of a programme of activities that can be shown to have an impact against the Trust's targeted outcomes.
- The Trust does not normally provide grants or donations for projects, where the grant or donation is to cover expenditure that has already been incurred or committed.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Trust is a charitable company under the Companies' Acts 1985 and 1989, limited by guarantee and not having a share capital, incorporated on 28th December 2006 and first registered as a charity on 30th October 1991. The Company was established under a Memorandum of Association, which sets out the objects and powers of the charitable company and is governed under its Articles of Association.

Recruitment and appointment of new trustees

Trustees are recruited for the skills and expertise that are identified as necessary by the Trust to fulfil its mission and targeted outcomes as identified in its Strategic Plan. Potential Trustees are given the opportunity to meet the Trust Board and to discuss what their general and specific portfolio responsibilities could be. New Trustees are appointed by resolution of the Trustees. New Trustees are requested to sign a letter of commitment. There is no set maximum number of Trustees, although between five and eight is considered to be appropriate. The statutory minimum number is three. Trustee tenure is a maximum of nine years.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Organisational structure

Trustees' meetings are scheduled to take place quarterly with special meetings called, if this is deemed necessary, to discuss particular issues. It is standard practice at each of the meetings for Trustees to discuss their own development needs and review their personal contribution to the Trust.

The Trust employs one member of staff, the Trust Manager, who is responsible for the day-to-day administration of the Trust, and the monitoring and evaluation of the Trust's grant-making programme. The Board of Trustees makes the final decision to award grants. The Board is also responsible for confirming annual grant budget availability.

Mr Robin Balbernie is the Chair of Trustees.

Mrs Bridget Osicki is the Vice Chair and also advises on Human Resource Management.

Mr John Holland is the Treasurer and offers support and expertise on the Business Portfolio.

Mr Stephen Hawkins holds the lead portfolio for Business.

Mrs Patricia Perrins holds the lead portfolio for Philanthropy and is also responsible for the line management of the Trust Manager.

She also administers monitors and evaluates the projects that are supported by the Trust and liaises with other local agencies, making recommendations and reporting back to the Trustees at Board Meetings.

Trustees' Induction and Training

The PLCT has a formal induction process. In summary, new Trustees are invited to spend time with the Chairman and other Trustees, during which the aims and objectives of the Trust are outlined and discussed. Meetings are also arranged with individual Trustees, at which their particular roles are explained, for example Philanthropy, Finance and Business, in order to provide an understanding of the Trust's operations and to give an opportunity for questions and clarification.

New Trustees receive a copy of the Governing Documents, previous audited accounts, Minutes of Trust Meetings and of appropriate committee meetings and relevant Charity Commission guidance (CC3) on the roles and responsibilities of Trustees. Trustees are also provided with a copy of the Good Trustee Guide produced by NCVO. Training opportunities are identified for the Trust Board as a whole and for specific individual areas of responsibility, with Trustees supported in accessing said training.

Trustees give their time voluntarily and receive no benefits from the Charity. They are able to claim for out of pocket expenses or agreed expenditure. Any expense reclaimed from the charity is included in the accounts.

Report of the Trustees
for the Year Ended 31 December 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT

Risk management

Where appropriate, systems or procedures have been established to mitigate the risks faced by the Trust.

- Financial - Investment strategies are based on advice from Rathbones, which uses a low risk portfolio. Outcomes are regularly reported at Trust Meetings.
- Mission delivery - The Trust is not itself a service provider but realises its mission by the identification, financing and monitoring of already established organisations that have the apposite qualifications, staff and processes. Grant applicants undergo a detailed assessment process, including due diligence e.g. governance, accounts, safeguarding procedures, risk management processes, etc. Key risks are identified and considered as part of the grant's assessment process. Grant recipients are monitored on a quarterly basis with regular site visits and on-going scrutiny of internal documents e.g. annual reports and audited accounts.
- Operational - Identify risks faced by the PLCT and assigning ratings (likelihood x impact) to those risks. The monitoring of the risk register (i.e. actions, responsibilities, residual risk ratings) is on going.
- Health and Safety - Procedures are in place to ensure compliance with the health and safety of staff and visitors to our premises. A member of staff at City Works Resource Centre is the qualified first aid appointed person.
