Governance and management

The charity is operated under the rules of its constitution adopted 23 April 2004.

Overall management of the charity is the responsibility of the trustees who are elected and co-opted at the AGM.

Objectives and activities

To enhance the development and education of children primarily under statutory school age by encouraging parents to understand and provide for the needs of their children through community groups. Also for the care and development of children aged two to five years.

Public benefit statement

The Trustees confirm that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the Charity Commission's general guidance on public benefit, 'Charities and Public Benefit'.

Summary of the main activities undertaken for the public benefit

We provide a safe, stimulating environment where children can learn through play and experience and develop at their own pace. We adhere to the Early Years Foundation Stage document and support our children through all seven areas of learning. These activities benefit the public by providing good quality, affordable, accessible childcare facilities.

Silverdale Pre-School

Summary of the main achievements during the period

We offer ten sessions per week and breakfast and lunch club too. We offer Nursery Education funding for thirty and fifteen hour's entitlement. We also offer funding for two year olds.

Ofsted graded us 'good' in all areas and we continue to work with local schools, colleges and universities to support our local community and offer training in the Early Years. We also work with many external agencies to support children's additional needs.

We have recently employed an NVQ 3 student who has been an asset to our team and is completing on the job training.

We have been working with National Highways who are hoping to fund some work on our outdoor areas and provide volunteers too.

The charity's policy on reserves

The charity has no specific policy with regard to the level of reserves.

Risk analysis

The Council is in financial difficulty and there is always a threat that our centre will close. Although our pre-school is currently busy, we never know the amount of children who will come through our doors.
