Our Aims and Objectives

Purpose and Activities

Our charity's purpose, as set out in the objects contained in the company's memorandum of association, is to promote humane behaviour towards Border Collie dogs by providing appropriate care, protection, treatment and security of Border Collies which are in need of care and attention by reasons of sickness, maltreatment, poor circumstances or ill usage and to educate the public in matters pertaining to Border Collie welfare in general and the prevention of cruelty and suffering among Border Collie dogs.

The aims of the charity are to ensure the future and survival of the Border Collie as a breed known for its intelligence, working ability and loyalty by providing a better understanding of the Border Collie, its needs and training in both working and companion homes by promoting effective education about the specific needs of Border Collies, and to provide sanctuary, both physical and mental for dogs, of a Border Collie type who are in difficulties, especially where they are unsuitable for rescue organisations and re-homing programmes.

Ensuring our work delivers our aims

The Charity was established with the benefit of a legacy from the estate of the late Bernard Mahon to support the work which was being undertaken by Barbara Sykes to promote the Border Collie and to provide a safe haven for dogs who were suffering from mistreatment or abuse, as originally publicised in the Freedom of Spirit magazine.

The main emphasis of the work of the Trust to date, has been to deal with the large number of rescue cases which are being referred for assistance, with the benefit of the legacy from the late Helen Clark the emphasis now is to develop permanent accommodation at Copy Nook Farm to ensure the long term viability of the Trust.

The focus of our work

During the year the focus of the Trusts work has been the care, support and training of the rescue dogs which are in the care of the Trust, so that they are able to move forward to being able to secure a permanent home as well as looking after the sanctuary dogs. We have been able to build on our use of social media to be able to put out a small number of podcasts which aim to assist owners of Border Collies understand and care for their dogs.

The Trustees have spent a significant amount of time during the year in planning for the redevelopment of Copy Nook farm and worked with Elm FM as contractor on the upgrading of the access road so that the property can be accessed more easily. As well as with TS Archdesign to prepare an application for planning permission to convert the farmhouse to two properties suitable for on-site staff accommodation.

We are grateful to the small band of volunteers who fundraise to support the work of the Trust or who donate regularly to assist to cover the routine operations of the Trust.

The relationship with the ISDS (International Sheep Dog Society) which initially started by providing valuable information for their archive history of the breed website has now grown so that we are the only rescue organisation which they officially recognise and as a partner provide a link to on their website and again this year the Trust is invited to undertake fundraising at their events including the world trials in North East England in 2026.

How our activities deliver public benefit

Our main activities and how we try to help the Border Collie breed are described below. All our charitable activities are focused on the promotion of the Border Collie breed, and providing sanctuary and training for dogs who will either be rehomed into a supportive working or companion home, with appropriate financial assistance for those older dogs who require additional veterinary care, or who will remain housed by the Trust for the remainder of their lives.

The year has continued to be impacted by the cost of living crisis which has effected the amount of grant received and increased costs which has impacted on the outturn for the year. We still kept our dogs as long as needed to assess them correctly and to put them on training programmes before putting them up for rehoming.

Rescue Dogs

With the number of abandoned and unwanted dogs continuing to escalate each year, and more this year with many people abandoning the puppies purchased during the lock down, our kennels assistants have worked hard to ensure that our limited accommodation available has been used to full potential with 1,196 dogs now accepted by the Trust to date, we took in 49 dogs from pounds and homes, 39 were rehomed during the year, 2 dogs due to health issues beyond medical help were put to sleep and eight dogs went forward to the following year.

All dogs are fully assessed by veterinary professionals, microchipped and most are neutered while in the care of the Trust, and potential adopters are checked and are required to spend time with the dogs at the charity's base before they are allowed to take a dog away on a longer term adoption.

Where dogs are older, with greater age related veterinary care requirements, the charity may provide appropriated financial assistance with costs in cases of hardship.

Training and Promotion

The Charity has produced a video which has allowed it to be able to undertake a wider range of educational activities, particularly with young people and to assist in fund raising by showing the work undertaken at meetings and seminars which it is expected can be increased once we have Copy Nook Farm fully operational.

The Trust has also uses its website and social media to provide easier access to information, items which the trust sells, to promote its work and raise vital funds.

The charity is grateful to the ISDS (International Sheep Dog Society) for their recognition of the Trust and allowing it to provide educational material and undertake fundraising at all its major events.

Where possible, the charity has also continued a programme of training events, aimed mainly at other rescue organisations, to ensure that they are able to accommodate and provide as safe a haven as possible for any Border Collies that they are caring for.

Principal Funding Sources

The largest source of funds has been the legacy from the late Helen Clark.

To ensure the Trust can continue to operate, the charity has been working to attract donations from individuals who we are able to contact through the website and functions the Trust attends together with continued support from supporters of the Trust, many donated with the benefit of gift aid.

Given the continued demand for the services offered by the Charity and the reduced level of reserves available to support its continuing work we now have a very able volunteer who has submitted a number of applications to charitable trusts to see if they are able to provide financial support with both revenue and capital projects.

We are grateful for the continued support from the Rose Animal Welfare Charity and the Ostachini Trust and other grant givers who continue to support the day to day work of the Trust. Which allows the continued higher staff establishment which means we are able to support each dog more fully, ensuring where possible they are available for rehoming sooner.

The Trust is also well supported by a number of volunteers who donate their time and effort to directly assist the Trust, through work in looking after or exercising the dogs in the Trust's care, assisting with transport or undertaking a range of other duties, or who have donated goods or services which can be auctioned to produce funding for the Trust.

Investment Powers & Policy

Following the receipt of the Clark legacy, amounts are currently invested in deposits with the CCLA Charities Common Investment Funds and in Nat West Bank and the Board have agreed a prudent investment policy of continued use of bank deposits, Charity Investment funds where not covered by governmental guarantees spread over a range of banks, and in National Savings and gilt edged securities.

Reserves Policy

The Board of Management has examined the charity's requirement for reserves in light of the main risks to the organisation. It has established a policy whereby unrestricted funds not committed or invested in tangible fixed assets held by the charity should cover at least six month's expenditure.

The Trust has allocated from its Reserves an amount equal to the Net Book Value of its investment in land and property to reflect that these amounts are not available to support the day to day operating activity of the Trust.

Plans for Future Periods

The largest project to ensure that the Trust is sustainable in the future is the renovation of Copy Nook Farm, which should increase our capacity to house rescue and sanctuary dogs and provide a venue to education and fund raising events.

The charity plans to expand its activities in future years with an increased emphasis on the provision of training and advice with work continuing on rescue dogs and the care of those in the Trust's long term care.

The lease of the land on which the kennel accommodation is built ran until the 26th October 2022 and has now been replaced by a Tenancy at Will. As set out more fully in Note 14 to the Financial Statements the Trust has now started work on a property which it is hoped will secure its long term future.

The Board has now got the skills and resources necessary to take the Trust forward so it will eventually be able to operate when the founding Trustees retire.

With more and more dogs in need of rescue space than ever before with our limited accommodation and facilities we are unable to cater for all the dogs needing to come into our care. The Trust's training and rehoming programmes for dogs from both private homes and the dog pounds has been so successful that with more kennels, better facilities and more trainers and training space we could not only accommodate more dogs but could prepare them for rehoming much sooner than at present. The Trust provides back up and training for all its adopters and at present there are only outdoor facilities making it very difficult to provide the service that is needed to ensure that each adopter fully understands the dog they are adopting.

Expansion to improved and larger facilities should mean the Trust could cater for more dogs, prepare them for rehoming in a shorter time and could provide facilities being the base for sanctuary dogs and ones that need more intensive training. The expansion will provide the opportunity to take in dogs that if left in the homes or the dog pounds are put to sleep. At present we can only cater for a small percentage of these dogs.

Structure, Governance and Management

Governing Document

The organisation is a charitable company limited by guarantee, incorporated on the 27th June 2007 and registered as a charity on the 14th November 2007. The company was established under a Memorandum of Association which established the objects and the powers of the charitable company, which were updated on the 8th November 2008 at the request of the Charity Commission, and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Recruitment and Appointment of the Board of Directors

The Directors of the Company are also the charity trustees for the purposes of charity law and under the Company's Articles are known as members of the Board of Management. Under the requirements of the Memorandum and Articles of Association the members of the Board of Management can continue to serve indefinitely.

The Chief Executive is remunerated under a Contract of Employment, at the rate of the national living wage for some of the time she commits to the work of the charity, the other member of the Board of Management gives their time voluntarily and receive no benefit from the charity. Any expenses reclaimed from the charity are set out in note 6 to the Financial Statements.

The Board of Management include individuals skilled in the care of Border Collies, the provision of training and information and the management and administration of charities as well as a broad mix of general business skills. The requirements of the charity are regularly reviewed and additional members will be sought if and when any additional skills or experience are required.

Trustee Induction and Training

All Trustees are encouraged to identify any additional training requirements which would be beneficial to the work of the charity, and if appropriate courses can be identified, they will be funded from the funds of the charity.

Risk Management

The Board of Management has conducted a review of the major risks to which the charity is exposed. A risk register has been established which is updated at least annually. Where appropriate, systems and procedures have been established to mitigate the risks the charity faces. Internal control risks are minimised by the implementation of procedures for the authorisation of all transaction and projects.

Procedures are in place to ensure compliance with health and safety of staff, volunteers, clients and visitors to the charity's premises and those attending training events which have had to be reviewed and updated in response to Covid 19.

Full registration is maintained for the various databases held by the charity with the Information Commissioner's Office and a policies of insurance is held with the NFU Mutual Insurance Company for the major risks facing the charity.

Organisation Structure

The Board of Directors meet formally as and when required, at least annually, mainly through the use of virtual meetings using appropriate electronic means of communication.

A scheme of delegation is in place and day to day responsibility for the provision of services rests with the Chief Executive. The Chief Executive is responsible for ensuring the charity delivers the services specified and key performance targets are met.

Related Parties

The charity has in place with the Chief Executive a Contract of Employment for the provision of the services provided by the charity, who is letting the land on which kennel accommodation has been developed utilised by the Trust on a Tenancy at Will.

Responsibilities of the Board of Management

Company law requires the Board of Management to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing these Financial Statements, the Board of Management should follow best practice and:

- Select suitable accounting policies and apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- Prepare the Financial Statements on the going concern basis, unless it is not appropriate to assume that the company will continue on that basis.

The Board of Management is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the Financial Statements comply with the Companies Act 2006. The Board of Management is also responsible for safeguarding the assets of the charitable company and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

Members of the Board of Management

Members of the Board of Management, who are Directors for the purposes of company law and trustees for the purposes of charity law, who served during the year and up to the date of this report are set out on page 1.

In accordance with company law, as company Directors, we certify that:

- So far as we are aware, there is no relevant information of which the company's independent accountants are unaware; and
- As the Directors of the company we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant information and to establish that the charity's independent accountants are aware of that information.

Accountants

Nuvo Accountancy Limited were appointed as the charitable company's independent accountants in previous years and the Trust will be undertaking a retender of this service for the next financial year.

This report has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (issued in March 2005) and in accordance with the special provisions of Part VII of the Companies Act 2006 relating to small entities.

Approved by the Board of Management on 3rd March 2026 and signed on its behalf by:

David G Maitland
Chairman

Independent accountants report to the trustees of The Freedom of Spirit Trust for Border Collies

We report on the accounts of the company for the year ended 30th June 2025, which are set out on pages 9 to 16.

Respective responsibilities of the trustee and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for the year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied ourselves that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention

Basis of independent accountants' report

Our examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanation from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent accountants' statement

In connection with our examination, no matter has come to our attention which gives us reasonable cause to believe in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- accounting requirements of section 396 of the companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

For the year ended 30th June 2025 the company is entitled to the exemption from the audit requirements contained in section 477 of the Companies Act 2006.

No member of the company has deposited a notice, pursuant to section 476 of the Companies Act 2006, requiring an audit of these accounts.

The Directors acknowledge their responsibility for:

- (a) Ensuring that the company keeps accounting records which comply with section 386 of the Act; and
- (b) Preparing accounts which give a true and fair view of the state of affairs of the company as at 30th June 2025 and of its income and expenditure for the year then ended in accordance with section 396, and otherwise comply with the requirements of the Act relating to accounts, so far as applicable to the company.

These accounts are prepared in accordance with the special provisions of section 396 of the Companies Act 2006 relating to small companies

Approved by the Board of Management on 3rd March 2026 and signed on its behalf by

David G Maitland
Chairman

The Freedom of Spirit Trust for Border Collies

Notes forming part of the Financial Statements for the year ended 30th June 2025

1 Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the Financial Statements are as follows:

a. Basis of accounting

The Financial Statements have been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable in the UK and Republic of Ireland (FRS102) (effective 1st January 2015) - (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Companies Act 2006.

The Freedom of Spirit Trust for Border Collies meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transactional value.

b. Preparation of the accounts on a going concern basis

The Trust reported a reasonable surplus for the year and has transferred funds to the Property Fund which represents those reserves which are invested in property. The Trustees believe that this does not adversely affect the Trust and on this basis the charity is a going concern.

c. Incoming resources

All incoming resources are included in the Statement of Financial Activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income.

Legacies are included when the charity has been notified of the gift and the amount is reasonably certain.

Grants are recognised when the matching expenditure is incurred.

Voluntary income is received by way of donations and gifts and is included in full in the Statement of Financial Activities when received.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Gift aid is recognised as a debtor in respect of all appropriate gifts recognised in the accounts.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably; this is normally upon notification of the interest paid or payable by the Bank.

d. Fund accounting

Unrestricted funds are available to spend on activities that further any purposes of the Trust. Designated funds are unrestricted funds which the trustees have decided at their discretion to set aside for a specific purpose.

The Freedom of Spirit Trust for Border Collies

Notes forming part of the Financial Statements for the year ended 30th June 2025 (cont.)

e. Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include accountants' fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly; others are apportioned on an appropriate basis as set out in Note 4.

f. Tangible fixed assets and depreciation

Individual fixed assets costing £100 or more are capitalised at cost and are depreciated over their estimated useful economic lives on a straight line basis as follows:

Motor Vehicles	-	3 years
----------------	---	---------

As Copy Nook Farm is still awaiting renovation works and fitting out to create two properties for staff accommodation and kennels and ancillary facilities to meet the Trust's operational requirements, no depreciation has been charged to date on the assets.

Once works are commenced the Trust will be in a better position to assess the Economic Useful Lives of the various assets and charge depreciation accordingly.

g. Current Asset Investments

Investments are carried at the current valuation at the balance sheet date.

2 Legal status of the Trust

The Trust is a company limited by guarantee and has no share capital. In the event of the Trust being wound up, the liability in respect of the guarantee is limited to £1 per member of the Trust.

	No of Employees	
	2025	2024
	7	7

The main employees during the year were the Chief Executive who was contracted to work 27 hours per week and five part time Kennel Assistants who work directly on the care and the training of the dogs in the Trust's care.

As a small employer the charity provides the NEST defined contribution pension scheme for all its employees contributing 3% of qualifying earnings.

7 Trustee Remuneration & Related Party Transactions

All staff are remunerated at the National Living Wage

The total emoluments of the Chief Executive were £16,751 (2024: £ 15,372)

The Chief Executive has a reversionary freehold interest in the land on which the charity has developed kennel accommodation.

The highest paid employee was Beatrice Harrison one of the full time kennel Assistants who earned £ 17,823 (2024: £21,155)

The Trust has put in place a policy of insurance to cover the responsibilities undertaken by Directors and Officers.

8 Taxation

As a charity, the Freedom of Spirit Trust for Border Collies is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 256 of the Taxation of Chargeable Gains Act 1992 to the extent these are applied to its charitable objects. No tax charge has arisen in the charity.

13 Other Information

The Freedom of Spirit Trust for Border Collies is a private limited company by guarantee without share capital and incorporated in England. It's registered office is:

Golcar Farm,
Spring
Lane
Eldwick
Bingley
West Yorkshire
BD16 3AU

14 Capital Commitments & Post Balance Sheet Event

The Trust purchased Copy Nook Farm on the 28th February 2025 and since that date has been working on plans to convert the current farm house into accommodation for two members of staff and the barn and out buildings into kennels which are suitable for the Trust's purposes that economic to operate, which it is hoped will be undertaken utilising the balance of the Project Expansion Fund, grants from donors and assistance from volunteers.

The immediate requirement was to improve the access road to the property to allow easier access, with the worst 115 metres in May 2025, although further work is required to other areas of the road.

Plans have been drawn up for the work on the farmhouse and an application for planning permissions was submitted in August 2025, once this is approved contracts will need to be let to undertake the required works.

Our Aims and Objectives

Purpose and Activities

Our charity's purpose, as set out in the objects contained in the company's memorandum of association, is to promote humane behaviour towards Border Collie dogs by providing appropriate care, protection, treatment and security of Border Collies which are in need of care and attention by reasons of sickness, maltreatment, poor circumstances or ill usage and to educate the public in matters pertaining to Border Collie welfare in general and the prevention of cruelty and suffering among Border Collie dogs.

The aims of the charity are to ensure the future and survival of the Border Collie as a breed known for its intelligence, working ability and loyalty by providing a better understanding of the Border Collie, its needs and training in both working and companion homes by promoting effective education about the specific needs of Border Collies, and to provide sanctuary, both physical and mental for dogs, of a Border Collie type who are in difficulties, especially where they are unsuitable for rescue organisations and re-homing programmes.

Ensuring our work delivers our aims

The Charity was established with the benefit of a legacy from the estate of the late Bernard Mahon to support the work which was being undertaken by Barbara Sykes to promote the Border Collie and to provide a safe haven for dogs who were suffering from mistreatment or abuse, as originally publicised in the Freedom of Spirit magazine.

The main emphasis of the work of the Trust to date, has been to deal with the large number of rescue cases which are being referred for assistance, with the benefit of the legacy from the late Helen Clark the emphasis now is to locate permanent accommodation to ensure the long term viability of the Trust.

The focus of our work

During the year, although having a smaller impact, we have continued to be mindful to deal with the impact of the Covid-19 which has impacted on both the way the Trust operates to keep staff and the ability to raise funds from our usual events. With the continued economic uncertainty the level of support from grant donors has reduced but the Trust has fortunately received a legacy, which has been applied mainly to support its move to permanent accommodation. Whilst staffing has been an issue at times we have continued when possible with the increased number of Kennel Assistants hours to support and assist in the care and training of the dogs in the care of the Trust so that the Chief Executive can spend more time promoting the work of the Trust and assisting the band of devoted fund raising volunteers.

The relationship with the ISDS (International Sheep Dog Society) which initially started by providing valuable information for their archive history of the breed website has now grown so that we are the only rescue organisation which they officially recognise and provide a link to on their website and again this year the Trust is invited to undertake fundraising at their events.

How our activities deliver public benefit

Our main activities and how we try to help the Border Collie breed are described below. All our charitable activities are focused on the promotion of the Border Collie breed, and providing sanctuary and training for dogs who will either be re-homed into a supportive working or companion home, with appropriate financial assistance for those older dogs who require additional veterinary care, or who will remain housed by the Trust for the remainder of their lives.

The year has been impacted by the cost of living crisis which has effected the amount of grant received and increased costs which has impacted on the outturn for the year. We still kept our dogs as long as needed to assess them correctly and to put them on training programmes before putting them up for re-homing.

Rescue Dogs

With the number of abandoned and unwanted dogs continuing to escalate each year, and more this year with many people abandoning the puppies purchased during the lock down, the our kennels assistants have worked hard to ensure that our limited accommodation available has been used to full potential with 1,100 dogs now accepted by the Trust to date, we took in 56 dogs from pounds and homes, 41 were rehomed during the year, one old dog and one which after a full assessment and an opinion from the vet they were too aggressive for rehoming as a result of a tumour to safely accommodate in sanctuary were pts, one was taken into sanctuary and twelve dogs went forward to the following year.

All dogs are fully assessed by veterinary professionals, microchipped and most are neutered while in the care of the Trust, and potential adopters are checked and are required to spend time with the dogs at the charity's base before they are allowed to take a dog away on a longer term adoption.

Where dogs are older, with greater age related veterinary care requirements, the charity may provide appropriated financial assistance with costs in cases of hardship.

Training and Promotion

The Charity has produced a video which has allowed it to be able to undertake a wider range of educational activities, particularly with young people and to assist in fund raising by showing the work undertaken at meetings and seminars.

The Trust has also re-developed its website to both overcome a number of technical issues and provide easier access to information provided and items which the trust sells to promote its work and raise vital funds.

The charity is grateful to the ISDS (International Sheep Dog Society) for their recognition of the Trust and allowing it to provide educational material and undertake fundraising at all its major events. The Trust also regularly promotes its work and views through the website, seminars and events.

Where possible, the charity has also continued a programme of training events, aimed mainly at other rescue organisations, to ensure that they are able to accommodate and provide as safe a haven as possible for any Border Collies that they are caring for.

Principal Funding Sources

The largest source of funds has been the legacy from the late Helen Clark.

To ensure the Trust can continue to operate, the charity has been working to attract donations from individuals who we are able to contact through the website and functions the Trust attends together with continued support from supporters of the Trust, many donated with the benefit of gift aid.

Given the continued demand for the services offered by the Charity and the reduced level of reserves available to support its continuing work we now have a very able volunteer who has submitted a number of applications to charitable trusts to see if they are able to provide financial support with both revenue and capital projects.

We are grateful for the continued support from the Rose Animal Sanctuary and the Sister Lilly Animal Charity and other grant givers who continue to support the day to day work of the Trust together with a legacy from the estate of the late Heather Pope. Which allows the continued higher staff establishment which means we are able to support each dog more fully, ensuring where possible they are available for rehoming sooner.

The Trust is also well supported by a number of volunteers who donate their time and effort to directly assist the Trust, through work in looking after or exercising the dogs in the Trust's care, assisting with transport or undertaking a range of other duties, or who have donated goods or services which can be auctioned to produce funding for the Trust.

Investment Powers & Policy

Following the receipt of the Mahon and Clark legacies, amounts are currently invested in deposits with two Charities Common Investment Funds and in two major UK banks and the Board have agreed a prudent investment policy of continued use of bank deposits, Charity Investment funds where not covered by governmental guarantees spread over a range of banks, and in National Savings and gilt edged securities.

Reserves Policy

The Board of Management has examined the charity's requirement for reserves in light of the main risks to the organisation. It has established a policy whereby unrestricted funds not committed or invested in tangible fixed assets held by the charity should cover at least a year's expenditure.

Now that the Trust is running on a firm footing, and income and expenditure almost match the trustees are considering the future of our work and have set up Project Expansion to start to build up funds for the next phase of our development.

Plans for Future Periods

The charity plans to expand its activities in future years with an increased emphasis on the provision of training and advice with work continuing on rescue dogs and the care of those in the Trust's long term care.

The lease of the land on which the kennel accommodation is built ran until the 26th October 2022 and has now been replaced by a Tenancy at Will, which means that the Trust needs to consider how to secure the medium to long term future of the Trust. Work has been on-going to identify options on alternative premises which could be utilised to not only provide permanent accommodation but also a trading income to subsidise the work of the Trust and how this could be financed. One option was investigated fully in the year, incurring professional fees, but we were unable to agree a deal which could be afforded by the Trust.

The Board has been expanded to allow the skills and resources necessary to take the Trust forward so it will eventually be able to operate when the founding Trustees retire.

With more and more dogs in need of rescue space than ever before with our limited accommodation and facilities we are unable to cater for all the dogs needing to come into our care. The Trust's training and rehoming programmes for dogs from both private homes and the dog pounds has been so successful that with more kennels, better facilities and more trainers and training space we could not only accommodate more dogs but could prepare them for rehoming much sooner than at present. The Trust provides back up and training for all its adopters and at present there are only outdoor facilities making it very difficult to provide the service that is needed to ensure that each adopter fully understands the dog they are adopting.

Expansion to improved and larger facilities would mean the Trust could cater for more dogs, prepare them for rehoming in a shorter time and could provide facilities being the base for sanctuary dogs and ones that need more intensive training. The expansion would provide the opportunity to take in dogs that left in the homes or the dog pounds are put to sleep. At present we can only cater for a very small percentage of these dogs.

Structure, Governance and Management

Governing Document

The organisation is a charitable company limited by guarantee, incorporated on the 27th June 2007 and registered as a charity on the 14th November 2007. The company was established under a Memorandum of Association which established the objects and the powers of the charitable company, which were updated on the 8th November 2008 at the request of the Charity Commission, and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Recruitment and Appointment of the Board of Directors

The Directors of the Company are also the charity trustees for the purposes of charity law and under the Company's Articles are known as members of the Board of Management. Under the requirements of the Memorandum and Articles of Association the members of the Board of Management can continue to serve indefinitely.

The Chief Executive is remunerated under a Contract of Employment, at the rate of the national living wage for some of the time she commits to the work of the charity, the other member of the Board of Management gives their time voluntarily and receive no benefit from the charity. Any expenses reclaimed from the charity are set out in note 6 to the Financial Statements.

The Board of Management include individuals skilled in the care of Border Collies, the provision of training and information and the management and administration of charities as well as a broad mix of general business skills. The requirements of the charity are regularly reviewed and additional members will be sought if and when any additional skills or experience are required.

Trustee Induction and Training

All Trustees are encouraged to identify any additional training requirements which would be beneficial to the work of the charity, and if appropriate courses can be identified, they will be funded from the funds of the charity.

Risk Management

The Board of Management has conducted a review of the major risks to which the charity is exposed. A risk register has been established which is updated at least annually. Where appropriate, systems and procedures have been established to mitigate the risks the charity faces. Internal control risks are minimised by the implementation of procedures for the authorisation of all transaction and projects.

Procedures are in place to ensure compliance with health and safety of staff, volunteers, clients and visitors to the charity's premises and those attending training events which have had to be reviewed and updated in response to Covid-19.

Full registration is maintained for the various databases held by the charity with the Information Commissioner's Office and a policies of insurance is held with the NFU Mutual Insurance Company for the major risks facing the charity.

Organisation Structure

The Board of Directors meet formally as and when required, at least annually, mainly through the use of virtual meetings using appropriate electronic means of communication.

A scheme of delegation is in place and day to day responsibility for the provision of services rests with the Chief Executive. The Chief Executive is responsible for ensuring the charity delivers the services specified and key performance targets are met.

Related Parties

The charity has in place with the Chief Executive a Contract of Employment for the provision of the services provided by the charity, who is letting the land on which kennel accommodation has been developed and utilised by the Trust on a Tenancy at Will.

Responsibilities of the Board of Management

Company law requires the Board of Management to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing these Financial Statements, the Board of Management should follow best practice and:

- Select suitable accounting policies and apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- Prepare the Financial Statements on the going concern basis, unless it is not appropriate to assume that the company will continue on that basis.

The Board of Management is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the Financial Statements comply with the Companies Act 2006. The Board of Management is also responsible for safeguarding the assets of the charitable company and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

Members of the Board of Management

Members of the Board of Management, who are Directors for the purposes of company law and trustees for the purposes of charity law, who served during the year and up to the date of this report are set out on page 1.

In accordance with company law, as company Directors, we certify that:

- So far as we are aware, there is no relevant information of which the company's independent accountants are unaware; and
- As the Directors of the company we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant information and to establish that the charity's independent accountants are aware of that information.

Accountants

Nuvo Accountancy Limited were appointed as the charitable company's independent accountants in previous years and have expressed their willingness to continue in that capacity.

This report has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (issued in March 2005) and in accordance with the special provisions of Part VII of the Companies Act 2006 relating to small entities.

Approved by the Board of Management on 17th March 2025 and signed on its behalf by:

David G Maitland
Chairman

Independent accountants report to the trustees of The Freedom of Spirit Trust for Border Collies

We report on the accounts of the company for the year ended 30th June 2024, which are set out on pages 9 to 15.

Respective responsibilities of the trustee and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for the year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied ourselves that the charity is not subject to audit under company law and is eligible for independent examination, it is my

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention

Basis of independent accountants' report

Our examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanation from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent accountants' statement

In connection with our examination, no matter has come to our attention which gives us reasonable cause to believe in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- accounting requirements of section 396 of the companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

For the year ended 30th June 2024 the company is entitled to the exemption from the audit requirements contained in section 477 of the Companies Act 2006.

No member of the company has deposited a notice, pursuant to section 476 of the Companies Act 2006, requiring an audit of these accounts.

The Directors acknowledge their responsibility for:

- (a) Ensuring that the company keeps accounting records which comply with section 386 of the Act; and
- (b) Preparing accounts which give a true and fair view of the state of affairs of the company as at 30th June 2024 and of its income and expenditure for the year then ended in accordance with section 396, and otherwise comply with the requirements of the Act relating to accounts, so far as applicable to the company.

These accounts are prepared in accordance with the special provisions of section 396 of the Companies Act 2006 relating to small companies

Approved by the Board of Management on 17th March 2025 and signed on its behalf by

David G Maitland
Chairman

The Freedom of Spirit Trust for Border Collies

Notes forming part of the Financial Statements for the year ended 30th June 2024

1 Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the Financial Statements are as follows:

a. Basis of accounting

The Financial Statements have been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable in the UK and Republic of Ireland (FRS102) (effective 1st January 2015) - (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102 and the Companies Act 2006.

The Freedom of Spirit Trust for Border Collies meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transactional value.

b. Preparation of the accounts on a going concern basis

The Trust reported a reasonable surplus for the year and has transferred funds to the Project Expansion Fund. The Trustees believe that this does not adversely affect the Trust and on this basis the charity is a going concern.

c. Incoming resources

All incoming resources are included in the Statement of Financial Activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income.

Legacies are included when the charity has been notified of the gift and the amount is reasonably certain.

Grants are recognised when the matching expenditure is incurred.

Voluntary income is received by way of donations and gifts and is included in full in the Statement of Financial Activities when received.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Gift aid is recognised as a debtor in respect of all appropriate gifts recognised in the accounts.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably; this is normally upon notification of the interest paid or payable by the Bank.

d. Fund accounting

Unrestricted funds are available to spend on activities that further any purposes of the Trust. Designated funds are unrestricted funds which the trustees have decided at their discretion to set aside for a specific purpose.

The Freedom of Spirit Trust for Border Collies

Notes forming part of the Financial Statements for the year ended 30th June 2024 (cont.)

e. Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include accountants' fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly; others are apportioned on an appropriate basis as set out in Note 3.

f. Tangible fixed assets and depreciation

Individual fixed assets costing £100 or more are capitalised at cost and are

Motor Vehicles	-	3 years

Social security costs	2,077	1,559
Pension Costs	1,763	1,477
Total	<u>121,744</u>	<u>111,551</u>
	No of Employees	
	2024	2023
	<u>7</u>	<u>9</u>

The main employees during the year were the Chief Executive who was contracted to work 35 hours per week and five part time Kennel Assistants who work directly on the care and the training of the dogs in the Trust's care.

As a small employer the charity provides the NEST defined contribution pension scheme for all its employees contributing 3% of qualifying earnings.

7 Trustee Remuneration & Related Party Transactions

The total emoluments of the Chief Executive were £15,372 (2023 - £ 17,631).

The Chief Executive has a reversionary freehold interest in the land on which the charity has developed kennel accommodation.

The Trust has put in place a policy of insurance to cover the responsibilities undertaken by Directors and Officers.

8 Taxation

As a charity, the Freedom of Spirit Trust for Border Collies is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 256 of the Taxation of Chargeable Gains Act 1992 to the extent these are applied to its charitable objects. No tax charge has arisen in the charity.

13 Other Information

The Freedom of Spirit Trust for Border Collies is a private limited company by guarantee without share capital and incorporated in England. It's registered office is:
Golcar Farm,
Spring Lane
Eldwick
Bingley
West Yorkshire
BD16 3AU

14 Capital Commitments & Post Balance Sheet Event

After over five years of searching for a permanent base for the Trust on the 23rd May the Board approved an offer to purchase Copy Nook Farm, Salterforth, Lancashire for the asking price of £565,000 which was substantially confirmed by a valuation by Hayfield Robinson.

Since that date the legal process has been only progressing slowly, mainly due to inaction on the part of solicitors, but exchange of contracts took place on 21st January 2025 with completion taking place on 28th February 2025.

The property will require works to convert the current farm house into accommodation for two members of staff and the barn and out buildings into kennels which are suitable for the Trust's purposes that economic to operate, which it is hoped will be undertaken utilising the balance of the Project Expansion Fund, grants from donors and assistance from volunteers.

Our Aims and Objectives

Purpose and Activities

Our charity's purpose, as set out in the objects contained in the company's memorandum of association, is to promote humane behaviour towards Border Collie dogs by providing appropriate care, protection, treatment and security of Border Collies which are in need of care and attention by reasons of sickness, maltreatment, poor circumstances or ill usage and to educate the public in matters pertaining to Border Collie welfare in general and the prevention of cruelty and suffering among Border Collie dogs.

The aims of the charity are to ensure the future and survival of the Border Collie as a breed known for its intelligence, working ability and loyalty by providing a better understanding of the Border Collie, its needs and training in both working and companion homes by promoting effective education about the specific needs of Border Collies, and to provide sanctuary, both physical and mental for dogs, of a Border Collie type who are in difficulties, especially where they are unsuitable for rescue organisations and re-homing programmes.

Ensuring our work delivers our aims

The Charity was established with the benefit of a legacy from the estate of the late Bernard Mahon to support the work which was being undertaken by Barbara Sykes to promote the Border Collie and to provide a safe haven for dogs who were suffering from mistreatment or abuse, as originally publicised in the Freedom of Spirit magazine.

The main emphasis of the work of the Trust to date, has been to deal with the large number of rescue cases which are being referred for assistance, with the benefit of the legacy from the late Helen Clark the emphasis now is to locate permanent accommodation to ensure the long term viability of the Trust.

The focus of our work

During the year, although having a smaller impact, we have continued to be mindful to deal with the impact of the Covid-19 which has impacted on both the way the Trust operates to keep staff and the ability to raise funds from our usual events. With the continued economic uncertainty the level of support from grant donors has reduced but the Trust has fortunately received a legacy, which has been applied mainly to support its move to permanent accommodation. Whilst staffing has been an issue at times we have continued when possible with the increased number of Kennel Assistants hours to support and assist in the care and training of the dogs in the care of the Trust so that the Chief Executive can spend more time promoting the work of the Trust and assisting the band of devoted fund raising volunteers.

The relationship with the ISDS (International Sheep Dog Society) which initially started by providing valuable information for their archive history of the breed website has now grown so that we are the only rescue organisation which they officially recognise and provide a link to on their website and again this year the Trust is invited to undertake fundraising at their events.

How our activities deliver public benefit

Our main activities and how we try to help the Border Collie breed are described below. All our charitable activities are focused on the promotion of the Border Collie breed, and providing sanctuary and training for dogs who will either be rehomed into a supportive working or companion home, with appropriate financial assistance for those older dogs who require additional veterinary care, or who will remain housed by the Trust for the remainder of their lives.

The year has been impacted by the cost of living crisis which has effected the amount of grant received and increased costs which has impacted on the outturn for the year. We still kept our dogs as long as needed to assess them correctly and to put them on training programmes before putting them up for re-homing.

Rescue Dogs

With the number of abandoned and unwanted dogs continuing to escalate each year, and more this year with many people abandoning the puppies purchased during the lock down, the our kennels assistants have worked hard to ensure that our limited accommodation available has been used to full potential with 1,100 dogs now accepted by the Trust to date, we took in 56 dogs from pounds and homes, 41 were rehomed during the year, one old dog and one which after a full assessment and an opinion from the vet they were too aggressive for rehoming as a result of a tumour to safely accommodate in sanctuary were pts, one was taken into sanctuary and twelve dogs went forward to the following year.

All dogs are fully assessed by veterinary professionals, microchipped and most are neutered while in the care of the Trust, and potential adopters are checked and are required to spend time with the dogs at the charity's base before they are allowed to take a dog away on a longer term adoption.

Where dogs are older, with greater age related veterinary care requirements, the charity may provide appropriated financial assistance with costs in cases of hardship.

Training and Promotion

The Charity has produced a video which has allowed it to be able to undertake a wider range of educational activities, particularly with young people and to assist in fund raising by showing the work undertaken at meetings and seminars.

The Trust has also re-developed its website to both overcome a number of technical issues and provide easier access to information provided and items which the trust sells to promote its work and raise vital funds.

The charity is grateful to the ISDS (International Sheep Dog Society) for their recognition of the Trust and allowing it to provide educational material and undertake fundraising at all its major events. The Trust also regularly promotes its work and views through the website, seminars and events.

Where possible, the charity has also continued a programme of training events, aimed mainly at other rescue organisations, to ensure that they are able to accommodate and provide as safe a haven as possible for any Border Collies that they are caring for.

Principal Funding Sources

The largest source of funds has been the legacy from the late Helen Clark.

To ensure the Trust can continue to operate, the charity has been working to attract donations from individuals who we are able to contact through the website and functions the Trust attends together with continued support from supporters of the Trust, many donated with the benefit of gift aid.

Given the continued demand for the services offered by the Charity and the reduced level of reserves available to support its continuing work we now have a very able volunteer who has submitted a number of applications to charitable trusts to see if they are able to provide financial support with both revenue and capital projects.

We are grateful for the continued support from the Rose Animal Sanctuary and the Sister Lilly Animal Charity and other grant givers who continue to support the day to day work of the Trust together with a legacy from the estate of the late Heather Pope. Which allows the continued higher staff establishment which means we are able to support each dog more fully, ensuring where possible they are available for rehoming sooner.

The Trust is also well supported by a number of volunteers who donate their time and effort to directly assist the Trust, through work in looking after or exercising the dogs in the Trust's care, assisting with transport or undertaking a range of other duties, or who have donated goods or services which can be auctioned to produce funding for the Trust.

Investment Powers & Policy

Following the receipt of the Mahon and Clark legacies, amounts are currently invested in deposits with two Charities Common Investment Funds and in two major UK banks and the Board have agreed a prudent investment policy of continued use of bank deposits, Charity Investment funds where not covered by governmental guarantees spread over a range of banks, and in National Savings and gilt edged securities.

Reserves Policy

The Board of Management has examined the charity's requirement for reserves in light of the main risks to the organisation. It has established a policy whereby unrestricted funds not committed or invested in tangible fixed assets held by the charity should cover at least a year's expenditure.

Now that the Trust is running on a firm footing, and income and expenditure almost match the trustees are considering the future of our work and have set up Project Expansion to start to build up funds for the next phase of our development.

Plans for Future Periods

The charity plans to expand its activities in future years with an increased emphasis on the provision of training and advice with work continuing on rescue dogs and the care of those in the Trust's long term care.

The lease of the land on which the kennel accommodation is built ran until the 26th October 2022 and has now been replaced by a Tenancy at Will, which means that the Trust needs to consider how to secure the medium to long term future of the Trust. Work has been on-going to identify options on alternative premises which could be utilised to not only provide permanent accommodation but also a trading income to subsidise the work of the Trust and how this could be financed. One option was investigated fully in the year, incurring professional fees, but we were unable to agree a deal which could be afforded by the Trust.

The Board has been expanded to allow the skills and resources necessary to take the Trust forward so it will eventually be able to operate when the founding Trustees retire.

With more and more dogs in need of rescue space than ever before with our limited accommodation and facilities we are unable to cater for all the dogs needing to come into our care. The Trust's training and rehoming programmes for dogs from both private homes and the dog pounds has been so successful that with more kennels, better facilities and more trainers and training space we could not only accommodate more dogs but could prepare them for rehoming much sooner than at present. The Trust provides back up and training for all its adopters and at present there are only outdoor facilities making it very difficult to provide the service that is needed to ensure that each adopter fully understands the dog they are adopting.

Expansion to improved and larger facilities would mean the Trust could cater for more dogs, prepare them for rehoming in a shorter time and could provide facilities being the base for sanctuary dogs and ones that need more intensive training. The expansion would provide the opportunity to take in dogs that left in the homes or the dog pounds are put to sleep. At present we can only cater for a very small percentage of these dogs.

Structure, Governance and Management

Governing Document

The organisation is a charitable company limited by guarantee, incorporated on the 27th June 2007 and registered as a charity on the 14th November 2007. The company was established under a Memorandum of Association which established the objects and the powers of the charitable company, which were updated on the 8th November 2008 at the request of the Charity Commission, and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Recruitment and Appointment of the Board of Directors

The Directors of the Company are also the charity trustees for the purposes of charity law and under the Company's Articles are known as members of the Board of Management. Under the requirements of the Memorandum and Articles of Association the members of the Board of Management can continue to serve indefinitely.

The Chief Executive is remunerated under a Contract of Employment, at the rate of the national living wage for some of the time she commits to the work of the charity, the other member of the Board of Management gives their time voluntarily and receive no benefit from the charity. Any expenses reclaimed from the charity are set out in note 6 to the Financial Statements.

The Board of Management include individuals skilled in the care of Border Collies, the provision of training and information and the management and administration of charities as well as a broad mix of general business skills. The requirements of the charity are regularly reviewed and additional members will be sought if and when any additional skills or experience are required.

Trustee Induction and Training

All Trustees are encouraged to identify any additional training requirements which would be beneficial to the work of the charity, and if appropriate courses can be identified, they will be funded from the funds of the charity.

Risk Management

The Board of Management has conducted a review of the major risks to which the charity is exposed. A risk register has been established which is updated at least annually. Where appropriate, systems and procedures have been established to mitigate the risks the charity faces. Internal control risks are minimised by the implementation of procedures for the authorisation of all transaction and projects.

Procedures are in place to ensure compliance with health and safety of staff, volunteers, clients and visitors to the charity's premises and those attending training events which have had to be reviewed and updated in response to Covid-19.

Full registration is maintained for the various databases held by the charity with the Information Commissioner's Office and a policies of insurance is held with the NFU Mutual Insurance Company for the major risks facing the charity.

Organisation Structure

The Board of Directors meet formally as and when required, at least annually, mainly through the use of virtual meetings using appropriate electronic means of communication.

A scheme of delegation is in place and day to day responsibility for the provision of services rests with the Chief Executive. The Chief Executive is responsible for ensuring the charity delivers the services specified and key performance targets are met.

Related Parties

The charity has in place with the Chief Executive a Contract of Employment for the provision of the services provided by the charity, who is letting the land on which kennel accommodation has been developed and utilised by the Trust on a Tenancy at Will.

Responsibilities of the Board of Management

Company law requires the Board of Management to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing these Financial Statements, the Board of Management should follow best practice and:

- Select suitable accounting policies and apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- Prepare the Financial Statements on the going concern basis, unless it is not appropriate to assume that the company will continue on that basis.

The Board of Management is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the Financial Statements comply with the Companies Act 2006. The Board of Management is also responsible for safeguarding the assets of the charitable company and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

Members of the Board of Management

Members of the Board of Management, who are Directors for the purposes of company law and trustees for the purposes of charity law, who served during the year and up to the date of this report are set out on page 1.

In accordance with company law, as company Directors, we certify that:

- So far as we are aware, there is no relevant information of which the company's independent accountants are unaware; and
- As the Directors of the company we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant information and to establish that the charity's independent accountants are aware of that information.

Accountants

Nuvo Accountancy Limited were appointed as the charitable company's independent accountants in previous years and have expressed their willingness to continue in that capacity.

This report has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (issued in March 2005) and in accordance with the special provisions of Part VII of the Companies Act 2006 relating to small entities.

Approved by the Board of Management on 15th March 2024 and signed on its behalf by:

David G Maitland
Chairman

Independent accountants report to the trustees of The Freedom of Spirit Trust for Border Collies

We report on the accounts of the company for the year ended 30th June 2023, which are set out on pages 9 to 15.

Respective responsibilities of the trustee and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for the year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied ourselves that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention

Basis of independent accountants' report

Our examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanation from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent accountants' statement

In connection with our examination, no matter has come to our attention which gives us reasonable cause to believe in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- accounting requirements of section 396 of the companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

For the year ended 30th June 2023 the company is entitled to the exemption from the audit requirements contained in section 477 of the Companies Act 2006.

No member of the company has deposited a notice, pursuant to section 476 of the Companies Act 2006, requiring an audit of these accounts.

The Directors acknowledge their responsibility for:

- (a) Ensuring that the company keeps accounting records which comply with section 386 of the Act; and
- (b) Preparing accounts which give a true and fair view of the state of affairs of the company as at 30th June 2023 and of its income and expenditure for the year then ended in accordance with section 396, and otherwise comply with the requirements of the Act relating to accounts, so far as applicable to the company.

These accounts are prepared in accordance with the special provisions of section 396 of the Companies Act 2006 relating to small companies

Approved by the Board of Management on 15th March 2024 and signed on its behalf by

David G Maitland
Chairman

The Freedom of Spirit Trust for Border Collies

Notes forming part of the Financial Statements for the year ended 30th June 2023

1 Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the Financial Statements are as follows:

a. Basis of accounting

The Financial Statements have been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable in the UK and Republic of Ireland (FRS102) (effective 1st January 2015) - (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Companies Act 2006.

The Freedom of Spirit Trust for Border Collies meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transactional value.

b. Preparation of the accounts on a going concern basis

The Trust reported a reasonable surplus for the year and has transferred funds to the Project Expansion Fund. The Trustees believe that this does not adversely affect the Trust and on this basis the charity is a going concern.

c. Incoming resources

All incoming resources are included in the Statement of Financial Activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income.

Legacies are included when the charity has been notified of the gift and the amount is reasonably certain.

Grants are recognised when the matching expenditure is incurred.

Voluntary income is received by way of donations and gifts and is included in full in the Statement of Financial Activities when received.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Gift aid is recognised as a debtor in respect of all appropriate gifts recognised in the accounts.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably; this is normally upon notification of the interest paid or payable by the Bank.

d. Fund accounting

Unrestricted funds are available to spend on activities that further any purposes of the Trust. Designated funds are unrestricted funds which the trustees have decided at their discretion to set aside for a specific purpose.

The Freedom of Spirit Trust for Border Collies

Notes forming part of the Financial Statements for the year ended 30th June 2023 (cont.)

e. Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include accountants' fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly; others are apportioned on an appropriate basis as set out in Note 3

f. Tangible fixed assets and depreciation

Individual fixed assets costing £100 or more are capitalised at cost and are

Motor Vehicles	-	3 years

	9	11

The main employees during the year were the Chief Executive who was contracted to work 35 hours per week and five part time Kennel Assistants who work directly on the care and the training of the dogs in the Trust's care.

As a small employer the charity provides the NEST defined contribution pension scheme for all its employees contributing 3% of qualifying earnings.

7 Trustee Remuneration & Related Party Transactions

The total emoluments of the Chief Executive were £17,631 (2022 -£ 16,412).

The Chief Executive has a reversionary freehold interest in the land on which the charity has developed kennel accommodation.

The Trust has put in place a policy of insurance to cover the responsibilities undertaken by Directors and Officers.

8 Taxation

As a charity, the Freedom of Spirit Trust for Border Collies is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 256 of the Taxation of Chargeable Gains Act 1992 to the extent these are applied to its charitable objects. No tax charge has arisen in the charity

Our Aims and Objectives

Purpose and Activities

Our charity's purpose, as set out in the objects contained in the company's memorandum of association, is to promote humane behaviour towards Border Collie dogs by providing appropriate care, protection, treatment and security of Border Collies which are in need of care and attention by reasons of sickness, maltreatment, poor circumstances or ill usage and to educate the public in matters pertaining to Border Collie welfare in general and the prevention of cruelty and suffering among Border Collie dogs.

The aims of the charity are to ensure the future and survival of the Border Collie as a breed known for its intelligence, working ability and loyalty by providing a better understanding of the Border Collie, its needs and training in both working and companion homes by promoting effective education about the specific needs of Border Collies, and to provide sanctuary, both physical and mental for dogs, of a Border Collie type who are in difficulties, especially where they are unsuitable for rescue organisations and re-homing programmes.

Ensuring our work delivers our aims

The Charity was established with the benefit of a legacy from the estate of the late Bernard Mahon to support the work which was being undertaken by Barbara Sykes to promote the Border Collie and to provide a safe haven for dogs who were suffering from mistreatment or abuse, as originally publicised in the Freedom of Spirit magazine.

The main emphasis of the work of the Trust to date, has been to deal with the large number of rescue cases which are being referred for assistance, with the benefit of the legacy from the late Helen Clark the emphasis now is to locate permanent accommodation to ensure the long term viability of the Trust.

The focus of our work

During the year, we have continued to be mindful to deal with the impact of Covid-19 which has impacted on both the way the Trust operates to keep staff and the ability to raise funds from our usual events. With the continued economic uncertainty the level of support from grant donors has reduced but the Trust has fortunately received an increase in other donations, mainly to support its move to permanent accommodation. Whilst staffing has been an issue at times we have continued when possible with the increased number of Kennel Assistants hours to support and assist in the care and training of the dogs in the care of the Trust so that the Chief Executive can spend more time promoting the work of the Trust and assisting the band of devoted fund raising volunteers.

The relationship with the ISDS (International Sheep Dog Society) which initially started by providing valuable information for their archive history of the breed website has now grown so that we are the only rescue organisation which they officially recognise and provide a link to on their website and in normal years the Trust is invited to undertake fundraising at their events.

How our activities deliver public benefit

Our main activities and how we try to help the Border Collie breed are described below. All our charitable activities are focused on the promotion of the Border Collie breed, and providing sanctuary and training for dogs who will either be rehomed into a supportive working or companion home, with appropriate financial assistance for those older dogs who require additional veterinary care, or who will remain housed by the Trust for the remainder of their lives.

The year has been impacted by the on-going issues relating to Covid 19 which has impacted the way the staff had to operate to keep them safe. We still kept our dogs as long as needed to assess them correctly and to put them on training programmes before putting them up for re-homing.. Due to Covid we were unable to have our full range of fund raising events or to take our stand to the major shows.

Rescue Dogs

With the number of abandoned and unwanted dogs continuing to escalate each year, and more this year with many people abandoning the puppies purchased during the lock down, our kennels assistants have worked hard to ensure that our limited accommodation available has been used to full potential with 1,010 dogs now accepted by the Trust to date, we took in 54 dogs from pounds and homes, 43 were rehomed during the year, one old dog and two which after a full assessment and an opinion from the vet they were too aggressive for rehoming or to safely accommodate in sanctuary due to severe aggression pts, eight dogs went forward to the following year

All dogs are fully assessed by veterinary professionals, microchipped and most are neutered while in the care of the Trust, and potential adopters are checked and are required to spend time with the dogs at the charity's base before they are allowed to take a dog away on either a short term foster basis or longer term adoption.

Where dogs are older, with greater age related veterinary care requirements, the charity may provide appropriated financial assistance with costs in cases of hardship.

Training and Promotion

The Charity has produced a video which has allowed it to be able to undertake a wider range of educational activities, particularly with young people and to assist in fund raising by showing the work undertaken at meetings and seminars.

The charity is grateful to the ISDS (International Sheep Dog Society) for their recognition of the Trust and allowing it to provide educational material and undertake fundraising at all its major events. The Trust also regularly promotes its work and views through the website, seminars and events.

Where possible, the charity has also continued a programme of training events, aimed mainly at other rescue organisations, to ensure that they are able to accommodate and provide as safe a haven as possible for any Border Collies that they are caring for.

Principal Funding Sources

The largest source of funds has been the legacy from the late Helen Clark.

To ensure the Trust can continue to operate, the charity has been working to attract donations from individuals who we are able to contact through the website and functions the Trust attends together with continued support from supporters of the Trust, many donated with the benefit of gift aid.

Given the continued demand for the services offered by the Charity and the reduced level of reserves available to support its continuing work we now have a very able volunteer who has submitted a number of applications to charitable trusts to see if they are able to provide financial support with both revenue and capital projects.

We are grateful for the continued support from the Rose Animal Sanctuary, the Hobson Trust, the Sister Lilly Animal Charity and the Ostachini Family Trust and other grant givers who continue to support the day to day work of the Trust. Which allows the continued higher staff establishment which means we are able to support each dog more fully, ensuring where possible they are available for rehoming sooner.

The Trust is also well supported by a number of volunteers who donate their time and effort to directly assist the Trust, through work in looking after or exercising the dogs in the Trust's care, assisting with transport or undertaking a range of other duties, or who have donated goods or services which can be auctioned to produce funding for the Trust.

Investment Powers & Policy

Following the receipt of the Mahon and Clark legacies, amounts are currently invested in deposits with two Charities Common Investment Funds and in two major UK banks and the Board have agreed a prudent investment policy of continued use of bank deposits, Charity Investment funds where not covered by governmental guarantees spread over a range of banks, and in National Savings and gilt edged securities.

Reserves Policy

The Board of Management has examined the charity's requirement for reserves in light of the main risks to the organisation. It has established a policy whereby unrestricted funds not committed or invested in tangible fixed assets held by the charity should cover at least a year's expenditure.

Now that the Trust is running on a firm footing, and income and expenditure almost match the trustees are considering the future of our work and have set up Project Expansion to start to build up funds for the next phase of our development.

Plans for Future Periods

The charity plans to expand its activities in future years with an increased emphasis on the provision of training and advice with work continuing on rescue dogs and the care of those in the Trust's long term care.

The lease of the land on which the kennel accommodation is built ran until the 26th October 2022 and has now been replaced by a Tenancy at Will, which means that the Trust needs to consider how to secure the medium to long term future of the Trust. Work has been on-going to identify options on alternative premises which could be utilised to not only provide permanent accommodation but also a trading income to subsidise the work of the Trust and how this could be financed. One option was investigated fully in the year, incurring professional fees, but we were unable to agree a deal which could be afforded by the Trust.

The Board has been expanded to allow the skills and resources necessary to take the Trust forward so it will eventually be able to operate when the founding Trustees retire.

With more and more dogs in need of rescue space than ever before with our limited accommodation and facilities we are unable to cater for all the dogs needing to come into our care. The Trust's training and rehoming programmes for dogs from both private homes and the dog pounds has been so successful that with more kennels, better facilities and more trainers and training space we could not only accommodate more dogs but could prepare them for rehoming much sooner than at present. The Trust provides back up and training for all its adopters and at present there are only outdoor facilities making it very difficult to provide the service that is needed to ensure that each adopter fully understands the dog they are adopting.

Expansion to improved and larger facilities would mean the Trust could cater for more dogs, prepare them for rehoming in a shorter time and could provide facilities being the base for sanctuary dogs and ones that need more intensive training. The expansion would provide the opportunity to take in dogs that are left in the homes or the dog pounds and put to sleep. At present we can only cater for a very small percentage of these dogs.

Structure, Governance and Management

Governing Document

The organisation is a charitable company limited by guarantee, incorporated on the 27th June 2007 and registered as a charity on the 14th November 2007. The company was established under a Memorandum of Association which established the objects and the powers of the charitable company, which were updated on the 8th November 2008 at the request of the Charity Commission, and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Recruitment and Appointment of the Board of Directors

The Directors of the Company are also the charity trustees for the purposes of charity law and under the Company's Articles are known as members of the Board of Management. Under the requirements of the Memorandum and Articles of Association the members of the Board of Management can continue to serve indefinitely.

The Chief Executive is remunerated under a Contract of Employment, at the rate of the national living wage for some of the time she commits to the work of the charity, the other member of the Board of Management gives their time voluntarily and receives no benefit from the charity. Any expenses reclaimed from the charity are set out in note 6 to the Financial Statements.

The Board of Management include individuals skilled in the care of Border Collies, the provision of training and information and the management and administration of charities as well as a broad mix of general business skills. The requirements of the charity are regularly reviewed and additional members will be sought if and when any additional skills or experience are required.

Trustee Induction and Training

The induction of the newer Trustees has been impacted by Covid-19, with limited ability to travel and spend time involved in the day to day operations of the Trust. However, as a business case for new premises has been developed and reviewed they have been actively involved through undertaking specific functions and through a number of virtual meetings. All Trustees are encouraged to identify any additional training requirements which would be beneficial to the work of the charity, and if appropriate courses can be identified, they will be funded from the funds of the charity.

Risk Management

The Board of Management has conducted a review of the major risks to which the charity is exposed. A risk register has been established which is updated at least annually. Where appropriate, systems and procedures have been established to mitigate the risks the charity faces. Internal control risks are minimised by the implementation of procedures for the authorisation of all transactions and projects.

Procedures are in place to ensure compliance with health and safety of staff, volunteers, clients and visitors to the charity's premises and those attending training events which have had to be reviewed and updated in response to Covid-19.

Full registration is maintained for the various databases held by the charity with the Information Commissioner's Office and policies of insurance is held with the NFU Mutual Insurance Company for the major risks facing the charity.

Organisation Structure

The Board of Directors meet formally as and when required, at least annually, mainly through the use of virtual meetings using appropriate electronic means of communication.

A scheme of delegation is in place and day to day responsibility for the provision of services rests with the Chief Executive. The Chief Executive is responsible for ensuring the charity delivers the services specified and key performance targets are met.

Related Parties

The charity has in place with the Chief Executive a Contract of Employment for the provision of the services provided by the charity, a seven year lease for land at Golcar Farm on which kennel accommodation has been developed which have been prepared with the benefit of appropriate legal advice.

Responsibilities of the Board of Management

Company law requires the Board of Management to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing these Financial Statements, the Board of Management should follow best practice and:

- Select suitable accounting policies and apply them consistently.
- Make judgements and estimates that are reasonable and prudent
- Prepare the Financial Statements on the going concern basis, unless it is not appropriate to assume that the company will continue on that basis.

The Board of Management is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the Financial Statements comply with the Companies Act 2006. The Board of Management is also responsible for safeguarding the assets of the charitable company and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

Members of the Board of Management

Members of the Board of Management, who are Directors for the purposes of company law and trustees for the purposes of charity law, who served during the year and up to the date of this report are set out on page 1.

In accordance with company law, as company Directors, we certify that:

- So far as we are aware, there is no relevant information of which the company's independent accountants are unaware; and
- As the Directors of the company we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant information and to establish that the charity's independent accountants are aware of that information.

Accountants

ADS Accountancy Limited were appointed as the charitable company's independent accountants in previous years and have expressed their willingness to continue in that capacity.

This report has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (issued in March 2005) and in accordance with the special provisions of Part VII of the Companies Act 2006 relating to small entities.

Approved by the Board of Management on 15th March 2023 and signed on its behalf by:

David G Maitland
Chairman

Independent accountants report to the trustees of The Freedom of Spirit Trust for Border Collies

We report on the accounts of the company for the year ended 30th June 2022, which are set out on pages 9 to 15.

Respective responsibilities of the trustee and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for the year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is

Having satisfied ourselves that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention

Basis of independent accountants' report

Our examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanation from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent accountants' statement

In connection with our examination, no matter has come to our attention which gives us reasonable cause to believe in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- accounting requirements of section 396 of the companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

For the year ended 30th June 2022 the company is entitled to the exemption from the audit requirements contained in section 477 of the Companies Act 2006.

No member of the company has deposited a notice, pursuant to section 476 of the Companies Act 2006, requiring an audit of these accounts.

The Directors acknowledge their responsibility for:

- (a) Ensuring that the company keeps accounting records which comply with section 386 of the Act; and
- (b) Preparing accounts which give a true and fair view of the state of affairs of the company as at 30th June 2022 and of its income and expenditure for the year then ended in accordance with section 396, and otherwise comply with the requirements of the Act relating to accounts, so far as applicable to the company.

These accounts are prepared in accordance with the special provisions of section 396 of the Companies Act 2006 relating to small companies

Approved by the Board of Management on 15th March 2023 and signed on its behalf

by 

David G Maitland
Chairman

The Freedom of Spirit Trust for Border Collies

Notes forming part of the Financial Statements for the year ended 30th June 2022

1 Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the Financial Statements are as follows:

a. Basis of accounting

The Financial Statements have been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable in the UK and Republic of Ireland (FRS102) (effective 1st January 2015) - (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102 and the Companies Act 2006).

The Freedom of Spirit Trust for Border Collies meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transactional value.

b. Preparation of the accounts on a going concern basis

The Trust reported a reasonable surplus for the year and has transferred funds to the Project Expansion Fund. The Trustees believe that this does not adversely affect the Trust and on this basis the charity is a going concern.

c. Incoming resources

All incoming resources are included in the Statement of Financial Activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income.

Legacies are included when the charity has been notified of the gift and the amount is reasonably certain.

Grants are recognised when the matching expenditure is incurred.

Voluntary income is received by way of donations and gifts and is included in full in the Statement of Financial Activities when received.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Gift aid is recognised as a debtor in respect of all appropriate gifts recognised in the accounts.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably; this is normally upon notification of the interest paid or payable by the Bank.

d. Fund accounting

Unrestricted funds are available to spend on activities that further any purposes of the Trust. Designated funds are unrestricted funds which the trustees have decided at their discretion to set aside for a specific purpose.

The Freedom of Spirit Trust for Border Collies

Notes forming part of the Financial Statements for the year ended 30th June 2022 (cont.)

e. Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include accountants' fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly; others are apportioned on an appropriate basis as set out in Note 3

f. Tangible fixed assets and depreciation

Individual fixed assets costing £100 or more are capitalised at cost and are

Motor Vehicles	-	3 years
----------------	---	---------

g. Current Asset Investments

Investments are carried at the current valuation at the balance sheet date.

2 Legal status of the Trust

The Trust is a company limited by guarantee and has no share capital. In the event of the Trust being wound up, the liability in respect of the guarantee is limited to £1 per member of the Trust.

3 Donations and Legacies

	2022	2021

	No of Employees	
	2022	2021
	11	5

The main employees during the year were the Chief Executive who was contracted to work 35 hours per week and five part time Kennel Assistants who work directly on the care and the training of the dogs in the Trust's care.

As a small employer the charity provides the NEST defined contribution pension scheme for all its employees contributing 3% of qualifying earnings.

7 Trustee Remuneration & Related Party Transactions

The total emoluments of the Chief Executive and highest paid employee were £16,412 (2021 -£ 15,887)

The Chief Executive has a reversionary freehold interest in the land on which the charity has developed kennel accommodation.

The Trust has put in place a policy of insurance to cover the responsibilities undertaken by Directors and Officers.

8 Taxation

As a charity, the Freedom of Spirit Trust for Border Collies is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 256 of the Taxation of Chargeable Gains Act 1992 to the extent these are applied to its charitable objects. No tax charge has arisen in the charity

Our Aims and Objectives

Purpose and Activities

Our charity's purpose, as set out in the objects contained in the company's memorandum of association, is to promote humane behaviour towards Border Collie dogs by providing appropriate care, protection, treatment and security of Border Collies which are in need of care and attention by reasons of sickness, maltreatment, poor circumstances or ill usage and to educate the public in matters pertaining to Border Collie welfare in general and the prevention of cruelty and suffering among Border Collie dogs.

The aims of the charity are to ensure the future and survival of the Border Collie as a breed known for its intelligence, working ability and loyalty by providing a better understanding of the Border Collie, its needs and training in both working and companion homes by promoting effective education about the specific needs of Border Collies, and to provide sanctuary, both physical and mental for dogs, of a Border Collie type who are in difficulties, especially where they are unsuitable for rescue organisations and re-homing programmes.

Ensuring our work delivers our aims

The Charity was established with the benefit of a legacy from the estate of the late Bernard Mahon to support the work which was being undertaken by Barbara Sykes to promote the Border Collie and to provide a safe haven for dogs who were suffering from mistreatment or abuse, as originally publicised in the Freedom of Spirit magazine.

The main emphasis of the work of the Trust to date, has been to deal with the large number of rescue cases which are being referred for assistance, with the benefit of the legacy from the late Helen Clark the emphasis now is to locate permanent accommodation to ensure the long term viability of the Trust.

The focus of our work

During the year, we have continued to deal with the impact of the Covid-19 pandemic which has impacted on both the way the Trust operates to keep staff staff and the ability to raise funds from our usual events. We have continued with the increased number of Kennel Assistants hours to support and assist in the care and training of the dogs in the care of the Trust so that the Chief Executive can spend more time promoting the work of the Trust and assisting the band of devoted fund raising volunteers.

The relationship with the ISDS (International Sheep Dog Society) which initially started by providing valuable information for their archive history of the breed website has now grown so that we are the only rescue organisation which they officially recognise and provide a link to on their website and in normal years the Trust is invited to undertake fundraising at their events.

How our activities deliver public benefit

Our main activities and how we try to help the Border Collie breed are described below. All our charitable activities are focused on the promotion of the Border Collie breed, and providing sanctuary and training for dogs who will either be re-homed into a supportive working or companion home, with appropriate financial assistance for those older dogs who require additional veterinary care, or who will remain housed by the Trust for the remainder of their lives.

The year has been impacted by the on-going Covid 19 pandemic which has impacted the way the staff had to operate to keep them safe and resulted in an unprecedented number of adoption enquiries. We did not follow a lot of rescues by doing virtual rehoming, we still kept our dogs as long as needed to assess them correctly and to put them on training programmes. Due to Covid we were unable to have our usual fund raising events or to take our stand to the major shows.

Rescue Dogs

With the number of abandoned and unwanted dogs continuing to escalate each year our kennels assistants have worked hard to ensure that our limited accommodation available has been used to full potential with 956 dogs now accepted by the Trust to date, we took in 50 dogs from pounds and homes, 39 were rehomed during the year, one old dog and one which after a full assessment and an opinion from the vet they were too aggressive for rehoming or to safely accommodate in sanctuary due to severe aggression pts, nine dogs went forward to the following year

All dogs are fully assessed by veterinary professionals, microchipped and most are neutered while in the care of the Trust, and potential adopters are checked and are required to spend time with the dogs at the charity's base before they are allowed to take a dog away on either a short term foster basis or longer term adoption.

Where dogs are older, with greater age related veterinary care requirements, the charity may provide appropriated financial assistance with costs in cases of hardship.

Training and Promotion

The Charity has produced a video which has allowed it to be able to undertake a wider range of educational activities, particularly with young people and to assist in fund raising by showing the work undertaken at meetings and seminars.

The charity is grateful to the ISDS (International Sheep Dog Society) for their recognition of the Trust and allowing it to provide educational material and undertake fundraising at all its major events. The Trust also regularly promotes its work and views through the website , seminars and events.

Where possible, the charity has also continued a programme of training events, aimed mainly at other rescue organisations, to ensure that they are able to accommodate and provide as safe a haven as possible for any Border Collies that they are caring for.

Principal Funding Sources

The largest source of funds has been the legacy from the late Helen Clark.

To ensure the Trust can continue to operate, the charity has been working to attract donations from individuals who we are able to contact through the website and functions the Trust attends together with continued support from supporters of the Trust, many donated with the benefit of gift aid.

Given the continued demand for the services offered by the Charity and the reduced level of reserves available to support its continuing work we now have a very able volunteer who has submitted a number of applications to charitable trusts to see if they are able to provide financial support with both revenue and capital projects.

We are grateful for the continued support from the Rose Animal Sanctuary, the Hobson Trust and the Ostachini Family Trust and other grant givers who continue to support the day to day work of the Trust. Which allows the continued higher staff establishment which means we are able to support each dog more fully, ensuring where possible they are available for rehoming sooner.

The Trust is also well supported by a number of volunteers who donate their time and effort to directly assist the Trust, through work in looking after or exercising the dogs in the Trust's care, assisting with transport or undertaking a range of other duties, or who have donated goods or services which can be auctioned to produce funding for the Trust.

Investment Powers & Policy

Following the receipt of the Mahon and Clark legacies, amounts are currently invested in deposits with two major UK banks and in two Charities Common Investment Fund and the Board have agreed a prudent investment policy of continued use of bank deposits, Charity Investment funds where not covered by governmental guarantees spread over a range of banks, and in National Savings and gilt edged securities.

Reserves Policy

The Board of Management has examined the charity's requirement for reserves in light of the main risks to the organisation. It has established a policy whereby unrestricted funds not committed or invested in tangible fixed assets held by the charity should cover at least a year's expenditure.

Now that the Trust is running on a firm footing, and income and expenditure almost match the trustees are considering the future of our work and have set up Project Expansion to start to build up funds for the next phase of our development.

Plans for Future Periods

The charity plans to expand its activities in future years with an increased emphasis on the provision of training and advice with work continuing on rescue dogs and the care of those in the Trust's long term care.

The option to extend the lease of the land on which the kennel accommodation was built for a further seven years to 26th October 2022 means that the Trust needs to consider how to secure the medium to long term future of the Trust. Work has been on-going to identify options on alternative premises which could be utilised to not only provide permanent accommodation but also a trading income to subsidise the work of the Trust and how this could be financed. One option was investigated fully in the year, incurring professional fees, but we were unable to agree a purchase price.

The Board has been expanded to allow the skills and resources necessary to take the Trust forward so it will eventually be able to operate when the founding Trustees retire.

With more and more dogs in need of rescue space than ever before with our limited accommodation and facilities we are unable to cater for all the dogs needing to come into our care. The Trust's training and rehoming programmes for dogs from both private homes and the dog pounds has been so successful that with more kennels, better facilities and more trainers and training space we could not only accommodate more dogs but could prepare them for rehoming much sooner than at present. The Trust provides back up and training for all its adopters and at present there are only outdoor facilities making it very difficult to provide the service that is needed to ensure that each adopter fully understands the dog they are adopting.

Expansion to improved and larger facilities would mean the Trust could cater for more dogs, prepare them for rehoming in a shorter time and could provide facilities being the base for sanctuary dogs and ones that need more intensive training. The expansion would provide the opportunity to take in dogs that left in the homes or the dog pounds are put to sleep. At present we can only cater for a very small percentage of these dogs.

Structure, Governance and Management

Governing Document

The organisation is a charitable company limited by guarantee, incorporated on the 27th June 2007 and registered as a charity on the 14th November 2007. The company was established under a Memorandum of Association which established the objects and the powers of the charitable company, which were updated on the 8th November 2008 at the request of the Charity Commission, and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Recruitment and Appointment of the Board of Directors

The Directors of the Company are also the charity trustees for the purposes of charity law and under the Company's Articles are known as members of the Board of Management. Under the requirements of the Memorandum and Articles of Association the members of the Board of Management can continue to serve indefinitely.

The Chief Executive is remunerated under a Contract of Employment, at the rate of the national living wage for some of the time she commits to the work of the charity, the other member of the Board of Management gives their time voluntarily and receive no benefit from the charity. Any expenses reclaimed from the charity are set out in note 6 to the Financial Statements.

The Board of Management include individuals skilled in the care of Border Collies, the provision of training and information and the management and administration of charities as well as a broad mix of general business skills. The requirements of the charity are regularly reviewed and additional members will be sought if and when any additional skills or experience are required.

Trustee Induction and Training

The induction of the newer Trustees has been impacted by the Covid-19 pandemic, with limited ability to travel and spend time involved in the day to day operations of the Trust. However, as a business case for new premises has been built up they have been actively involved through undertaking specific functions and through a number of virtual meeting. All Trustees are encouraged to identify any additional training requirements which would be beneficial to the work of the charity, and if appropriate courses can be identified, they will be funded from the funds of the charity.

Risk Management

The Board of Management has conducted a review of the major risks to which the charity is exposed. A risk register has been established which is updated at least annually. Where appropriate, systems and procedures have been established to mitigate the risks the charity faces. Internal control risks are minimised by the implementation of procedures for the authorisation of all transaction and projects.

Procedures are in place to ensure compliance with health and safety of staff, volunteers, clients and visitors to the charity's premises and those attending training events which have had to be reviewed and updated in response to the Covid 19 pandemic.

Full registration is maintained for the various databases held by the charity with the Information Commissioner's Office and a policy of insurance is held with the NFU Mutual Insurance Company for the major risks facing the charity.

Organisation Structure

The Board of Directors meet formally as and when required, at least annually, with other decisions made through the use of virtual meetings using appropriate electronic means of communication and evidenced as necessary by written resolution signed by a quorum of Directors.

A scheme of delegation is in place and day to day responsibility for the provision of services rests with the Chief Executive. The Chief Executive is responsible for ensuring the charity delivers the services specified and key performance targets are met.

Related Parties

The charity has in place with the Chief Executive a Contract of Employment for the provision of the services provided by the charity, a seven year lease for land at Golcar Farm on which kennel accommodation has been developed which have been prepared with the benefit of appropriate legal advice.

Responsibilities of the Board of Management

Company law requires the Board of Management to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing these Financial Statements, the Board of Management should follow best practice and:

- Select suitable accounting policies and apply them consistently.
- Make judgements and estimates that are reasonable and prudent.
- Prepare the Financial Statements on the going concern basis, unless it is not appropriate to assume that the company will continue on that basis.

The Board of Management is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the Financial Statements comply with the Companies Act 2006. The Board of Management is also responsible for safeguarding the assets of the charitable company and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

Members of the Board of Management

Members of the Board of Management, who are Directors for the purposes of company law and trustees for the purposes of charity law, who served during the year and up to the date of this report are set out on page 1.

In accordance with company law, as company Directors, we certify that:

- So far as we are aware, there is no relevant information of which the company's independent accountants are unaware; and
- As the Directors of the company we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant information and to establish that the charity's independent accountants are aware of that information.

Accountants

ADS Accountancy Limited were appointed as the charitable company's independent accountants in previous years and have expressed their willingness to continue in that capacity.

This report has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (issued in March 2005) and in accordance with the special provisions of Part VII of the Companies Act 2006 relating to small entities.

Approved by the Board of Management on 2nd March 2022 and signed on its behalf by:

David G Maitland
Chairman

Independent accountants report to the trustees of The Freedom of Spirit Trust for Border Collies

We report on the accounts of the company for the year ended 30th June 2021, which are set out on pages 9 to 15.

Respective responsibilities of the trustee and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for the year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied ourselves that the charity is not subject to audit under company law and is eligible for independent examination, it is my

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention

Basis of independent accountants' report

Our examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanation from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent accountants' statement

In connection with our examination, no matter has come to our attention which gives us reasonable cause to believe in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- accounting requirements of section 396 of the companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

For the year ended 30th June 2021 the company is entitled to the exemption from the audit requirements contained in section 477 of the Companies Act 2006.

No member of the company has deposited a notice, pursuant to section 476 of the Companies Act 2006, requiring an audit of these accounts.

The Directors acknowledge their responsibility for:

- (a) Ensuring that the company keeps accounting records which comply with section 386 of the Act; and
- (b) Preparing accounts which give a true and fair view of the state of affairs of the company as at 30th June 2021 and of its income and expenditure for the year then ended in accordance with section 396, and otherwise comply with the requirements of the Act relating to accounts, so far as applicable to the company.

These accounts are prepared in accordance with the special provisions of section 396 of the Companies Act 2006 relating to small companies

Approved by the Board of Management on 2nd March 2022 and signed on its behalf by

David G Maitland
Chairman

The Freedom of Spirit Trust for Border Collies

Notes forming part of the Financial Statements for the year ended 30th June 2021

1 Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the Financial Statements are as follows:

a. Basis of accounting

The Financial Statements have been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable in the UK and Republic of Ireland (FRS102) (effective 1st January 2015) - (Charities SORP (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Companies Act 2006.

The Freedom of Spirit Trust for Border Collies meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transactional value.

b. Preparation of the accounts on a going concern basis

The Trust reported a reasonable surplus for the year and has transferred funds to the Project Expansion Fund. The Trustees believe that this does not adversely affect the Trust and on this basis the charity is a going concern.

c. Incoming resources

All incoming resources are included in the Statement of Financial Activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income.

Legacies are included when the charity has been notified of the gift and the amount is reasonably certain.

Grants are recognised when the matching expenditure is incurred.

Voluntary income is received by way of donations and gifts and is included in full in the Statement of Financial Activities when received.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Gift aid is recognised as a debtor in respect of all appropriate gifts recognised in the accounts.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably; this is normally upon notification of the interest paid or payable by the Bank.

d. Fund accounting

Unrestricted funds are available to spend on activities that further any purposes of the Trust. Designated funds are unrestricted funds which the trustees have decided at their discretion to set aside for a specific purpose.

The Freedom of Spirit Trust for Border Collies

Notes forming part of the Financial Statements for the year ended 30th June 2021 (cont.)

e. Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include accountants' fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly; others are apportioned on an appropriate basis as set out in Note 3

f. Tangible fixed assets and depreciation

Individual fixed assets costing £100 or more are capitalised at cost and are

Motor Vehicles	-	3 years
----------------	---	---------

g. Current Asset Investments

Investments are carried at the current valuation at the balance sheet date.

2 Legal status of the Trust

The Trust is a company limited by guarantee and has no share capital. In the event of the Trust being wound up, the liability in respect of the guarantee is limited to £1 per member of the Trust.

3 Donations and Legacies

Total	<u>80,018</u>	<u>70,098</u>
	No of Employees	
	2021	2020
	5	5

The main employees during the year were the Chief Executive who was contracted to work 35 hours per week and five part time Kennel Assistants who work directly on the care and the training of the dogs in the Trust's care.

As a small employer the charity provides the NEST defined contribution pension scheme for all its employees contributing 3% of qualifying earnings.

7 Trustee Remuneration & Related Party Transactions

The total emoluments of the Chief Executive were £15,887 (2020 -£ 15,107)

The total emoluments of the highest paid employee were £15,887 (2020 -£ 18,750)

The Chief Executive has a reversionary freehold interest in the land on which the charity has developed kennel accommodation.

The Trust has put in place a policy of insurance to cover the responsibilities undertaken by Directors and Officers.

8 Taxation

As a charity, the Freedom of Spirit Trust for Border Collies is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 256 of the Taxation of Chargeable Gains Act 1992 to the extent these are applied to its charitable objects. No tax charge has arisen in the charity
