The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

We support vulnerable or disabled people, their carers, their loved-ones and their networks and communities to live their best lives.

We provide personal and holistic social care support into people's homes and also by providing transport & support to access their communities. We do this 7 days a week, 365 days a year.

As part of a 27 member partnership, the Building Better Opportunities programme, we also assist unpaid family carers and others to find Employment, Training and Education.

We also provide day opportunities and group activities in our day centre and through services other local partners.

We provide services always according to our values: respectful, resourceful, trustworthy, effective and caring.

Public benefit

The trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charities Commission in exercising their powers or duties. Our services are provided from a variety of funding streams, we seek to add value by giving our time, energy and expertise to initiatives that benefit our clients and the communities in which we work.

STRATEGIC REPORT

Achievement and performance

Review of Activities and Achievements

Activities within the year.

In the year 2021-2022 we provided around 100,000 hours of support to vulnerable and disabled people, despite the impact of the pandemic on demand levels and disruption in staffing schedules due to self-isolating & infection. That is around 2000 hours of support every week.

Around 1/3 of our services are assisting people with daily living tasks such as: medication, personal hygiene, and nutrition. The remaining 2/3 are related services such as respite services or Carers Breaks, which ensure that carers have time out from their caring role to engage in recreational or health activities. For around 40% of those visits our staff will assist vulnerable and disabled people to engage in their own fulfilling community activities such as shopping, visiting gardens, art activities etc.

Our Day Centre was able to reopen safely during the year with enhanced hygiene and restricted numbers. Our volunteer and Employment Support Services were very active within the year for more detailed reports on all the elements of our services please contact us at: ceo@crossroadshn.org.uk.

Best Companies Award

During the year we were privileged to be awarded the honour of being voted one of the top 5 charities to work for in the Country by our own staff & recognised as a 3-star world-class organisation.

Covid-19

Covid-19 continued to provide challenges to us as a service in the last year. The pandemic placed a significant strain on the organisation in every department. Through enormous team efforts we have ensured that services have been running seamlessly throughout the period. 93,000 hours of services have been delivered. We have ensured an uninterrupted supply of Personal Protective Equipment and Covid tests. In addition, 86% of staff have been vaccinated.

As a result of contract changes and the large number of clients that were self-isolating we experienced a downturn of £222,000 in income against the year before that 2020/21. Through a combination of some grant support & prudent management we have ended the year with a £114,652 deficit.

A key element in our long term strategy is to reduce dependence on Public Funding. We are now approaching a 50/50 split between private and public funding sources. We seek to continue this trend along with a number of other Charitable organisations.

Reserves

Our reserves position remains strong at £504,170. This equates to 13 weeks of running costs and is significantly above the level required to meet all our obligations.

Next Year's Goals

We will be:

- Working with partners to expand resources to support unpaid carers
- Ensuring our staff & volunteers have the best access to Learning & Development to ensure the highest quality services.
- Raising our voice with partners & with our local neighbourhoods
- Focussing on the geographical areas we can support & expanding in those areas.
- Ensure our funding resources are as diversified as possible & involve as much choice as possible on behalf of clients.

If you would like to know more about our goals & aspirations, please contact us at:

Our Values

Respectful Resourceful Trustworthy Effective Caring

Financial review

There is a list of donors, supporters and grant givers in the accounts and we are profoundly grateful on behalf of unpaid carers who bear heavy responsibilities on behalf of those they care for.

Every single penny of every donation we receive goes towards the services we subsidise through our activities for the carer communities in which we work such as unfunded emergency responses.

We continue to meet our reserves targets and enjoy an excellent debtor ratio.

Reserves Policy

The organisation's reserves policy is to create reserves equivalent to 3 months gross expenditure (12 weeks) for this financial year. The organisation has considered that this level of reserves will allow it to weather any fiscal requirements in the foreseeable future.

Investment Policy

In accordance with the Memorandum and Articles of Association the board may invest the monies of the organisation not immediately required for its purposes in suitable low risk investments.

Long term Financial Position

The organisation's long term financial forecast indicates opportunities for growth and an increase in demand for services is set to intensify over the next decade.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of Crossroads Caring for Life Ltd for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

AUDITORS

The auditors, Bradshaw Johnson Chartered Accountants, will be proposed for re-appointment at the forthcoming Annual General Meeting.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
CROSSROADS CARING FOR LIFE LTD

Opinion

We have audited the financial statements of Crossroads Caring for Life Ltd (the 'charitable company') for the year ended 31 March 2022 which comprise the Statement of Financial Activities, the Statement of Financial Position, the Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements;
- or
- the charitable company has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
CROSSROADS CARING FOR LIFE LTD

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

**REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
CROSSROADS CARING FOR LIFE LTD**

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We considered the nature of the Charitable Company's sector and its control environment, and reviewed the Charitable Company's documentation of their policies and procedures relating to fraud and compliance with laws and regulations. We also enquired of management about their own identification and assessment of the risks of irregularities.

We obtained an understanding of the legal and regulatory framework that the Charitable Company operates in, and identified the key laws and regulations that:

- had a direct effect on the determination of material amounts and disclosures in the financial statements. These included guidance from the UK Companies Act, the Care Quality Commission, and Charity Commission; and
- do not have a direct effect on the financial statements but compliance with which may be fundamental to the Charitable Company's ability to operate or to avoid a material penalty.

We discussed among the audit engagement team including relevant internal specialists such as tax specialists regarding the opportunities and incentives that may exist within the organisation for fraud and how and where fraud might occur in the financial statements.

In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any significant transactions that are unusual or outside the normal course of business.

In addition to the above, our procedures to respond to the risks identified included the following:

- reviewing financial statement disclosures by testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- enquiring of management concerning actual and potential litigation and claims, and instances of non-compliance with laws and regulations; and
- reading minutes of meetings of those charged with governance, and reviewing correspondence with HMRC.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
CROSSROADS CARING FOR LIFE LTD

Use of our report

This report is made solely to the charitable company's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Any liability or expense are allocated to unrestricted and restricted funds on the same basis as other employee-related costs.

Donated services and facilities

Donated services are recognised as income when the receipt of economic benefit from the use by the charity is probable and can be measured reliably.

Legal status of the charity

The Charity is a company limited by guarantee and has no share capital. The liability of each member in the event of winding-up is limited to £5 per member of the charity.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Financial instruments

The trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
