NOORANI EDUCATION CENTRE

Report of the Trustees FOR THE YEAR ENDED 31 MAY 2025

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 May 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Charity's objects are to promote the teaching of the Islamic Faith in accordance with the laws dictated in the Quran and the Sunnah of the Holy Prophet Mohammed (P.B.U.H) and Hanafi Sunni school of thought and beliefs as expounded by Imam-E-Azam Noman Ben Shabit commonly known as Imam Abu Hanifa and to advance the education of the local community in the Fulwood area and also generally within Preston specifically in the history and culture of Islam and to ensure the provision of religious education for adults and children.

The Charity shall promote the teachings in accordance with its Objects and in particular:

- > To establish and promote multi-faith dialogue with other religious communities to develop community cohesion within the relevant locality;
- > To assist the relevant community with local issues and youth education;
- > To ensure community harmony and to counteract all forms of extremism

Volunteers

Many volunteers give up their time to help out the charity, particularly at the weekends and the evenings to help with improving the school/premises/courts in all areas. We are greatly indebted to these volunteers for their commitment and support.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The charity carries out a wide range of activities in pursuance of its charitable aims. The trustees consider that these activities, summarised below, provide benefit to those who educate & worship at our education centre.

Religious Activities: Our Educational centre provides a place for our prayers and worship and for the activities associated with our faith. During the year under review, we offered a range of religious services and activities including Prayers: The place of worship within the charities building is open for all daily and Friday prayers. During the week we have over 10 people who regularly attend daily prayers and over 50 who regularly attend Friday prayers.

Festivals: The charity provides facilities in terms of sermons, literature and place of worship on those special occasions.

Civil Marriage and Nikkah: The centre provides Muslim couples with an appropriate location for their both civil marriage and Nikkah (Islamic marriage).

Islamic Awareness: This year as per last year we have continued a series of lectures, open to all, to promote Islamic knowledge and awareness.

Inter-faith Dialogue: The charity aims to become an active member of the Faith Communities Forum for the Local area. We use this platform to promote inter-faith dialogue and social cohesion.

Community activities: Our community hall and rooms provide a valuable educational and recreational to all in our local community. A wide variety of activities are organised and take place from our community centre.

Hall and rooms: Our hall and meeting rooms are available for use by local groups and organisations.

Currently we are undertaking the following activities:

- Seminars - organised periodically on various educational topics.
- Courses - short courses are held to take an in depth look at topics covered in seminars.
- Evening School - for children aged 5-12 years old, teaching basic Islamic Studies.
- Publishing & distributing timetables for daily prayers.
- Publishing of useful leaflets and booklets explaining Islamic issues.

FINANCIAL REVIEW

Principal funding sources

The principal funding sources of the charity are currently by way of donations and membership fees. For the short term the charity has used interest free loans from its members and from people in the locality in which the charity operates. It should be noted that this method of financing was undertaken largely since "interest bearing loans" are against the core principals of the charity and the faith which the charity is promoting.

Reserves policy

The General fund represents funds arising from past operating results. The trustees are satisfied that the balance of the fund will enable the charity to meet its objectives. The trustees have also examined the requirement to maintain reserves for the on going work of the charity and concluded that the most appropriate level is between 9 to 12 months of operational expenditure.

NOORANI EDUCATION CENTRE

Report of the Trustees FOR THE YEAR ENDED 31 MAY 2025

FUTURE PLANS

The charity plans continuing the activities outlined above in the forthcoming years. We also plan to look into further projects which will help us to fulfil our aims and objectives.

In the immediate future the charity aims to create further awareness of the educational centre, research more in depth the requirements of the public and provide services to aid a more prosperous and cohesive community.

Due to the demand and awareness provided by the charity it had outgrown its property and space. During 2019 the charity acquired a building as part of their plan to develop the organisation and allow increased capacity of numbers of attendees. The 'Withy Trees Hotel' was acquired and fully developed as a place of worship.

The refurbished building has been renamed as 'Noorani Masjid' and has a capacity of approximately 125-150 worshippers, with suitable car parking facilities. The charity has acquired it through 'interest free loans' from the community and will look to repay in the short to medium term through donations and the selling of the old building.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The organisation is a charitable company limited by guarantee, incorporated on 8th May 2007 and registered as a charity on 3rd December 2007. The Company was established under a Memorandum of Articles which established the objects and powers of the charitable company and is governed under its Articles of Association.

Recruitment and appointment of new trustees

The directors of the company are also charity Trustees for purposes of charity law and under the company's Articles and as stated in the minutes of the first meeting are known as members of the Management Committee. Under the requirements of the Memorandum and Articles of Association the members of the Management Committee are elected to serve for a period of 12 months after which they must be re-elected at the next Annual General Meeting. At the first Annual General Meeting all the Management Committee members must retire from office unless exceptions are met as stated in the Articles of Association. In subsequent Annual General Meetings at least one third of all Management Committee members must resign as part of the company's rotation scheme. The Management Committee members to retire by rotation shall be those who have been longest in office. The rotation scheme is dependent on the criteria and exceptions as stated in the Articles of Association.

All members of the Management Committee give their time voluntarily and received no benefits from the Charity. Any expenses reclaimed from the charity are set out in note 6 to the accounts. The recruitment of Management Committee members are generally from its members. The charity has kept a rotation scheme in place to promote a more active role for all members and to ensure the needs and objects of the charity are met.
