Charity Information & trustees' annual report (cont'd..)

Achievement and performance

During the year, the charity organised weekly workshops with yoga and recreational activities being an integral part of the activities. There were 436 members during the year and as reported in the annual secretary's report, various events, trips and seminars were organised for members which were usually fully subscribed.

Members' annual subscriptions amounted to £56,600 (2022 - £20,605). The funds deficit for the year amounted to £15,288 - (2022- Deficit £7,762) and the trustees aim to maintain sufficient funds to meet the annual hall hire and unforeseen costs.

Future developments

NVK aims to continue its activities with the same vigour and new ideas. We added a new activity last year by arranging visits to care homes and entertaining the residents and this has been widely appreciated. Besides weekly entertainment, NVK continues to organise day trips, short and long local and overseas trips for members, some of whom are unable or unwilling to do so on their own. Our yoga and walking are going strong and are core activities.
