5. STATEMENT OF TRUSTEE RESPONSIBILITIES

5.1 The Trustees (who are also Directors of The Health and Wellbeing Trust for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and the Charity SORP (FRS 102).

Company law requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for the year.

In preparing these financial statements, the Trustees are required to: select suitable accounting policies and then apply them consistently; observe the methods and principles in the Charities SORP; make judgements and estimates that are reasonable and prudent; state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and prepare financial statements on a 'going concern' basis unless it is inappropriate to assume that the charitable company will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

5.2 Statement as to disclosure to our independent examiner

In so far as the Trustees are aware:

- there is no relevant independent examination information of which the charitable company's independent examiner is unaware.
- we have taken all steps that we ought to have taken to make ourselves aware of any relevant independent examination information and to establish that the independent examiner is aware of that information.

Finally, the Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United

HWT

Health & Wellbeing Trust

Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Members of the charity guarantee to contribute an amount not exceeding £10 to the assets of the charity in the event of winding up. The total number of such guarantees at 31 March 2024 was 1.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

I report on the accounts of the Trust for the year ended 31st March 2024, which are set out on pages 9 to 12

Respective responsibilities of trustees and examiner

The charity's trustees (who are also directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year (under section 144(2) of the Charities Act 2011, as amended by the Charities Act 2011 (Accounts and Audit) Order 2015) and that an independent examination is needed. I am qualified to undertake the examination by being a fellow member of Association of Chartered Certified Accountants (FCCA).

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the Charities Act 2011;
- follow the procedures laid down in the General Directions given by the Charity Commissioners under section 145(5) (b) of the 2011 Act; and
- state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view, and the report is limited to those matters set out in the statement below.

Independent Examiner's statement

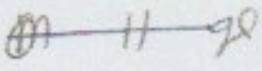

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Charities Statement of Recommended Practice (FRS 102)have not been met; or

HWT
Health & Wellbeing Trust

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31 MARCH 2024

1. Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) – (Charities SOPR (FRS102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

b) Fixed Assets

c) Incoming resources

All incoming resources are included in the Statement of Financial Activities (SOFA) when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary income is received by way of donations and gifts and is included in full in the statement of financial activities when receivable.
- Course fees represent tuition and other fees charged for courses run by the Faculty of Integrative Medicine. Course fees are billed at the commencement of courses, which run over a period of years, and can be paid by instalments; as participants may drop out and not pay the balance of fees outstanding, the decision has been taken to adopt a prudent approach and only include in income those fees actually received by the year-end.

d) Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

e) Fund Accounting

Restricted Funds are held to be used for specified purposes, as indicated by the donors. General Funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Trust.

f) Taxation

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the period.

Tangible Fixed Assets - Tangible fixed assets are capitalised and included at cost, together with any incidental expenses of acquisition. Depreciation is calculated so as to write off the cost of tangible fixed assets over their expected useful economic lives. The principal rates used are: All asset categories - 25% Straight Line basis

Incoming resources - all incoming resources are included in the statement of financial activities when the Trust is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary income is received by way of donations and gifts and is included in full in the statement of financial activities when receivable.
- Course fees represent tuition and other fees charged for courses run by the Faculty of Integrative Medicine. Course fees are billed at the commencement of courses, which run over a period of years, and can be paid by instalments; as participants may drop out and not pay the balance of fees outstanding, the decision has been taken to adopt a prudent approach and only include in income those fees actually received by the year-end.

Resources expended - Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

Fund Accounting - Restricted Funds are held to be used for specified purposes, as indicated by the donors. General Funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Trust.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document - the Trust is a charitable company limited by guarantee, incorporated on 15 March 2007, and registered as a charity on 19 December 2007. The affairs of the charitable company are governed by its Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. Members guarantee to contribute an amount not exceeding £10 to the assets of the charitable company in the event of winding up. The total number of such guarantees at 31 March 2021 was 2.

The Trustees have examined the major strategic, business and operational risks that the Trust faces and are satisfied that systems are in place to mitigate these risks.

Public Benefit- the Trustees have reviewed the Charity Commission's guidance on the requirement to report on public benefit. They are satisfied that the work of the Trust, as described below, accords with its stated objects and provides tangible public benefit to an appropriate section of those who reside within the Trust's area of benefit; they believe that the criteria used to assess those who may benefit are not unreasonably restrictive.

HEALTH AND WELLBEING TRUST LIMITED

VISION AND AIMS

The Health and Wellbeing Trust exists to provide support for the promotion of vocational training for healthcare professionals through provision of:

- Regenerative Healthcare Education
- Regenerative Healthcare information
- Regenerative and supportive healthcare services and education bursary support

Bursary support is currently offered to:

- People with long-term and life-threatening conditions in financial difficulty
- Students wishing to study Integrative healthcare that are in financial difficulty

ACHIEVEMENTS DURING THE YEAR

During this year the charity has created online courses, news posts, monthly bulletins, an evidence database and a resource directory within its digital education and information platforms for doctors, nurses, healthcare practitioners and the public.

The aims of these platforms is to promote 'sustainable healthcare solutions for the 21st century' that will empower the public in healthy self-care and help to take the strain off over-stretched NHS resources.

During this year, the charity has also maintained its bursary support for students needing help to fund their vocational training and people with long-term conditions seeking holistic medical, therapy and mentoring services who would otherwise have been unable to access these services.

It is with deep gratitude that we thank our donors, in particular from the Pelegrine Trust, Sir Charles Jessel Charity, the Christopher Pilkington Charity, Weleda UK, Cytoplan, RGCC Laboratories and private donors who have donated funds to facilitate the building of the online education and information platforms; and from Gilly's Gift charity who have donated dedicated funds to the Patient Bursary Fund and the Education Bursary Fund. We would also like to thank especially our core Member Donors who have continued to contribute month after month to ensure the success of the charity.

FINANCIAL REVIEW

During 2020-21 the charity received sufficient donations to achieve our strategic development aims and to maintain our core function and bursary provision.

Reserves policy - it is the policy of the trustees to hold reserves in unrestricted funds in order to establish an appropriate level of working capital and to protect the future operations of the Trust from the effects of any unforeseen material financial events.

FUTURE PLANS

Going forward in 2021-22 the charity is now under new leadership of Trustees Professor Roger Tooze, Caroline Reed, Chris Smith, Fiona Parashar and Project Leader, Dr Rosy Daniel.

HEALTH AND WELLBEING TRUST LIMITED

Over the next three years the charity will focus upon the launch of our online education and information platforms aimed at helping to fulfil the CPD requirements of healthcare practitioners whilst also providing empowering information to the public as to how best they can avoid debilitating and costly lifestyle illness. The student and patient bursary funds will continue to operate. To these ends we will continue to fund raise for:

A £75,000 per annum three-year core funding allowance

A £1,000 annual Patient Bursary Fund and a £1,000 Student Bursary Fund.

STATEMENT OF TRUSTEE RESPONSIBILITIES

The Trustees (who are also Directors of The Health and Wellbeing Trust for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In preparing these financial statements, the Trustees are required to: select suitable accounting policies and then apply them consistently; observe the methods and principles in the Charities SORP; make judgements and estimates that are reasonable and prudent;

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. HEALTH AND WELLBEING TRUST LIMITED

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE HEALTH AND WELLBEING TRUST FOR THE YEAR ENDED 31 MARCH 2021

I report on the accounts of the Trust for the year ended 31 March 2021 set out on pages 7 to 11.

Respective responsibilities of Trustees and Examiner

The Trustees (who are also the Directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. I am qualified to undertake the examination by being a qualified member of The Institute of Chartered Management Accountants in England and Wales.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to examine the accounts under section 145 of the 2011 Act; to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5b) of the 2011 Act; and to state whether particular matters have come to my attention.

Basis of Independent Examiner's statement

My examination was carried out in accordance with General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements to keep accounting records in accordance with section 386 & 387 of the Companies Act 2006; and to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 394 & 395 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- 2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
