## Achievements and performance

### Summary of the main achievements of the charity during the year

During 2024 the charity continued to fund raise in a difficult economic climate.

Our fundraising activities have included, the Royal Parks Half Marathon, and various smaller events. Personal donations still make up the greatest portion of income to the charity.

Much time is spent supporting those contacting the charity requesting funds. Sadly we cannot provide aid to all those we would wish to, but we have been extremely pleased this year to add to the number of families we have funded and hence benefited from all the hard work and generosity of our supporters.

## Section C

## Objectives and activities

**Summary of the objects of the charity set out in its governing document**

The funding of Specialist Education for Children with Complex Autism.

One Trustee meeting was held this year via video and the Trustees have taken into consideration the guidance from the Charities Commission on public benefit. To that end , during the year, the Trustees continued marketing and publishing the Fred Foundation to a wider public both using our website and regular blog and social media. The Covid 19 pandemic has continued to effect our ability to fundraise. In total we helped 21 families.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

**Summary of the main achievements of the charity during the year**

During 2022 the charity's ability to fund raise continued to be effected by the fall out from the Covid Pandemic. We did have a runner in the Royal Parks Half marathon who raised £5000

Personal donations still make up the greatest portion of income to the charity.

In addition to the existing families we help, we have also targeted families preparing to go to Tribunal to present a case on why their child needs ABA. On average our grants of £2000 a year (split into two payments) should allow the family to present enough data to win their case

Much time is spent supporting those contacting the charity requesting funds. Sadly we cannot provide aid to all those we would wish to help

## Section E

The charity has a policy to retain £5000 as reserves.

**Summary of the main achievements of the charity during the year**

During 2021 the charity's ability to fund raise was severely restricted due to Covid 19 restrictions. However, two supporters ran the Royal Parks Half Marathon near their own homes and raised around £14,000.

A number of online fundraising initiatives continued - Smile Amazon, PayPal, Easyfundraising, but our income was also from donors directly. Their continued support was much appreciated by the Trustees.

Bearing in mind this was the second year of fundraising restrictions the Trustees agreed to refocus the aim to gain the most benefit from our limited resources. To this end we concentrated on funding families who were preparing for Tribunal . In general we can afford to give funds which will allow families to gather enough data to present to Tribunal as part of a case to win specialist help for their child.

Therapists are now allowed to visit children in their homes so the programs are able to take place. However, we are finding more and more families are looking to companies to manage their program rather than manage therapists directly.

As usual, we reply to every e mail and try and support families even if we cannot give them funds.

During 2020 the charity's ability to fund raise was severely restricted due to Covid 19.

We did benefit from people using smile.amazon and a PayPal donations scheme. Personal donations still make up the greatest portion of income to the charity.

We continue to try and focus on families in the most disadvantaged areas of NI and Scotland, as well as providing continuing support for our existing families. However, as they were not allowed to have ABA therapists into their homes during the first lockdown they did not spend their grants so quickly. Although these families had a very hard time during the lockdown they did have some idea of how to help their children from the training they had already received via our grant.

Much time is spent supporting those contacting the charity requesting funds. Sadly we cannot provide aid to all those we would wish to help.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF  
THE FRED FOUNDATION (CHARITY NO: 1122197)**

I report to the trustees on my examination of the accounts of The Fred Foundation for the year ended 31 December 2020.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the trust accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- (2) the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
