One Trustee meeting was held this year via video and the Trustees have taken into consideration the guidance from the Charities Commission on public benefit. To that end , during the year, the Trustees continued marketing and publishing the Fred Foundation to a wider public both using our website and regular blog and social media. The Covid 19 pandemic has continued to effect our ability to fundraise. In total we helped 21 families.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

During 2022 the charity's ability to fund raise continued to be effected by the fall out from the Covid Pandemic. We did have a runner in the Royal Parks Half marathon who raised £5000

Personal donations still make up the greatest portion of income to the charity.

In addition to the existing families we help, we have also targeted families preparing to go to Tribunal to present a case on why their child needs ABA. On average our grants of £2000 a year (split into two payments) should allow the family to present enough data to win their case

Much time is spent supporting those contacting the charity requesting funds. Sadly we cannot provide aid to all those we would wish to help

Section E

Financial review

Brief statement of the charity's policy on reserves

The charity has a policy to retain £5000 as reserves.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.
