Trustees' report (including directors' report) Year ended 30 June 2024

The Board of Trustees present their report together with the consolidated financial statements of Club Peloton for the year ended 30 June 2024.

The financial statements have been prepared in accordance with the accounting policies set out on pages 15 to 17 of the attached financial statements and comply with the Charities Act 2011, the Companies Act 2006, the charitable company's Memorandum and Articles of Association and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2019).

Company registration

The charitable company is registered in England and Wales as company number 06383981 and is registered with the Charity Commission as charity number 1122230. The registered office address is Coram Campus, 41 Brunswick Square, London WC1N 1AZ.

Purposes and activities

Club Peloton was incorporated on 27 September 2007 as a company limited by guarantee with no share capital and is governed by its Memorandum and Articles of Association dated 24 August 2007 which were updated on 25 March 2009. It is registered as a charity with the Charity Commission. The charitable company is based in the United Kingdom and operates from offices in London.

The charitable company changed its name from Cycle To Cannes to Club Peloton with effect from 24 December 2015.

The principal object of the charitable company is to apply the available income and capital of the charitable company in such a manner as the trustees think fit for objects or purposes which are exclusively charitable according to the laws of England and Wales. The charitable company achieves its objectives by making charitable donations which are primarily funded by an annual charitable cycle ride to Cannes which is organised and administered by the charitable company's trading subsidiary, Club Peloton Trading Limited.

The trading subsidiary changed its name from Cycle To Limited to Club Peloton Trading Limited with effect from 23 November 2015.

Public benefit

In setting the charitable company's objectives and planning its activities, the trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

Grant making policy

In 2023-24 Club Peloton supported a number of charities. Coram remains the main beneficiary, receiving 60% of the grants payable. The Tom ap Rhys Pryce Memorial Trust and Cyclists Fighting Cancer both received smaller grants. In addition, the trustees consider applications from other charitable organisations, as and when they are received, for various levels of support.

As the principal beneficiary, Coram provide enhanced support to Club Peloton including office, meeting and storage space along with staff support.

Trustees' report (including directors' report) Year ended 30 June 2024

Achievements and performance

The year marked the first full year with our new board of trustees. Working groups of trustees focussing on finance, charity, marketing, H&S and community have been established and report to quarterly board meetings to help to deliver the charity's growth and development outlined in the four year business plan.

The charity has once again had a busy year of activity, kicking off in early summer with a client ride for DAS Furniture and support for those riding the Dunwich Dynamo. After the summer break, September witnessed a season launch where a review of the past year and plans for the twelve months ahead were showcased. A focus on the continuing social impact of Club Peloton's fundraising and the ambition during the year to reach the £5,000,000 milestone in grants made since the first ride in 2006 was also announced. The evening was also an opportunity to bring together a variety of rider groups from both our own fundraising events as well as client rides. Autumn also saw launches for both Cycle to MIPIIM, pedElle and UKREiiF.

It was not however until March we were formally back on the road with our flagship Knight Frank Cycle to MIPIIM. For the first time a four day route was offered, enabling those with less time on their hands to join the group leaving London several days after their departure, retaining all the benefits of networking within a larger group. Approximately one third of the total riders chose this option. The event was quickly followed by a test ride to Paris Arbitration Week for twelve riders and our first foray into the legal sector to explore another new opportunity for growth.

By spring we were firmly back in our stride with our regular BCO ride, this time staying within the UK for three glorious days of riding between Newcastle and Birmingham, taking in the challenge of the Peak District as riders headed south. At the same time, we ran two rides to UKREiiF for a total of 35 people with a choice of departure from either Oxford or Edinburgh. Both rides converged outside of Leeds before cycling the final section together to the conference venue.

The season was rounded off with our 11th edition of pedElle, heading south of Krakow, Poland for three days of riding in an area rich with lakes, mountain top ski resorts and lush green valleys. After the tenth anniversary of last year's ride which saw many riders return, numbers took the expected drop to a still healthy 40.

Total unrestricted and restricted funds distributed as a result of the 2023-24 rides amounted to £251,129 (2023 – £250,600) which were given to the following organisations:

Coram (£166,666) acts every day to support the UK's most vulnerable children, young people and families. Coram works with more than 44,000 children and parents every year. Coram Children's Legal Centre offers specialist advice to thousands more, and Coram Life Education provides health and drugs education to a further 800,000 school children.

Coram's pioneering approach and range of services – including adoption, creative therapies and supported housing for care leavers – help children and young people to find stability, love and self worth.

Coram champion what matters most for children, creating better chances and a brighter, happier future.

Trustees' report (including directors' report) Year ended 30 June 2024

The Tom ap Rhys Pryce Memorial Trust (Tom's Trust) (£41,667) is a charitable trust assisting disadvantaged children in achieving their potential by gaining access to appropriate educational facilities and opportunities. Each year Tom's Trust supports many different projects which help disadvantaged young people in London. The Trust aims to help fund local charities that offer a real benefit to young people. The money raised by Club Peloton in 2022-23 has helped fund three of these projects: the Bethwin Football Club in Peckham, Switchback in East London, and the OK Club in Kilburn. In addition, Tom's Trust has also helped fund the Toynbee Hall 'Aspire' programme for teenagers living in Tower Hamlets and SE1United, an organisation on the South Bank helping young people realise their potential.

Cyclists Fighting Cancer (£41,667) assists children and young people living with cancer across the UK with their physical fitness, strength, mental wellness and confidence by giving them new bikes, specially adapted trikes, tandems, other equipment and support. They are passionate about sharing all the benefits of exercise and activity for people living with and beyond cancer.

Ad-hoc grants were paid to Charity Begins at Segro of £1,129 (2023 - £nil) and Cancer Research of £nil (2023 - £600).

There was also a small amount of fundraising paid directly by riders to some of the supported charities and these donations are not reflected in the financial statements.

Financial review

The trading subsidiary generated income of £622,687 (2023 – £781,299) which was made up of corporate sponsorship income of £285,872 (2023 – £245,799), riders' fees of £282,286 (2023 – £397,715) and other income of £54,529 (2023 – £137,785). The trading subsidiary also received other operating income of £40,275 (2023 – £47,848) which related to management charges receivable from Club Peloton and furlough claims from HM Revenue and Customs.

Overall the trading subsidiary generated a loss, before gift aid, of £126,759 (2023 – Profit £60,354). No gift aid was remitted to the charitable company as the trading subsidiary has negative reserves.

Unrestricted donations received by the charitable company as a result of the rides amounted to £295,999 (2023 – £346,486). This enabled the charitable company to distribute £251,129 (2023 – £250,600) to the charities of its choice as detailed above. A consolidated loss of £173,356 (2023 – Profit £54,219) was achieved, leaving unrestricted funds carried forward at the year end of £313,835 (2023 – £487,191) and restricted funds carried forward at the year end of £6,001 (2023 – £6,001). These surplus funds will be expended in future years in line with the charitable company's objects.

Plans for future periods

While the event won't be delivered in this accounting period, planning for our new Explore ride was finalised and successful campaigns to recruit both riders and sponsorship completed. In addition, foundations were prepared to test a new fundraising model, raising money for only one of our three charity partners at a time, and to deliver one specific project. The aim is to help riders raise money through a clearer fundraising message and to report and demonstrate more easily the direct impact it has once delivered. Success will be based on several metrics as well as feedback from riders, communications teams, the chosen charity and the amount of money raised compared to similar

Trustees' report (including directors' report) Year ended 30 June 2024

past events. If successful, this will be rolled out to future events. The four year business plan was also updated and approved mid-way through the year to reflect changed forecasts for activity and income.

Reserves policy

The charitable company is heavily dependent on donations from the public and other bodies, the timing and level of which cannot be anticipated with any certainty. In order to pursue its charitable objects effectively and meet its legal and contractual obligations, it therefore needs to hold a reasonable level of unrestricted reserves for working capital as protection against periods where funding is not forthcoming.

Pay and remuneration policy

Pay and remuneration of employees is jointly agreed by the trustees and Chief Executive Officer and is benchmarked against salary indexes within the charity sector. The Chief Executive Officer's salary is set and approved by the trustees.

Risk management

The risk facing both the charitable company and trading subsidiary are a slowing economy and a subdued real estate sector. This makes it a challenge to secure and retain both corporate support for sponsorship and rider entries. As a result, the trading subsidiary continues to diversify its activities to explore and launch new events to grow and engage a broader range of fundraisers to help sustain income and encourage growth.

Going concern

The subsidiary trading company has a net deficit which has arisen from losses from prior financial years. The net deficit is financed by a short term loan from the parent undertaking. The trustees have a reasonable expectation that the subsidiary trading company has adequate resources to continue in operational existence for the foreseeable future. Therefore the trustees continue to adopt the going concern basis of accounting in preparing the annual financial statements.

Structure, governance and management

Trustees

A trustee is a member of the Board of Trustees of Club Peloton and a director for the purposes of the Companies Act 2006. The trustees who held office during the year, or who have been appointed since the year end, are:

P S Burke
S E Cary
B A Fowler
E Goodford
L Gunn
N Gordon
R Blair
D Marriott
A Freeman

Trustees' report (including directors' report) Year ended 30 June 2024

The trustees comprise the membership of the charitable company. Trustees are appointed by the charitable company by ordinary resolution. The Board keeps the skill requirement of the trustee body under review and is keen to ensure that representation is sufficiently diverse to meet the needs of the charitable company. Candidates are selected on the basis that they have the relevant skills and necessary commitment to contribute to the charitable company's development.

New trustees are provided with an induction pack which will include the Charity Commission publication CC3a ("The Essential Trustee: An Introduction"), financial statements of the charitable company and its subsidiary undertaking, minutes of recent trustees' meetings and a copy of the charitable company's Memorandum and Articles of Association. The trustees are re-appointed by the members of the charitable company at a general meeting and are re-elected in rotation in accordance with the Memorandum and Articles of Association.

The Board meets regularly, particularly in the period prior to the main fundraising cycle ride and all trustees take an active interest in the charitable company. The day to day management and administration of the annual cycle ride and the charitable company is undertaken by Nick Hanmer. He is employed jointly by the charitable company and its trading subsidiary as the Chief Executive Officer. Decisions on the charitable company's future strategy are undertaken by the trustees and Chief Executive Officer at regular meetings. Decisions are made by a majority vote. In the case of an equality of votes, the person who is chairing the meeting shall have a casting vote, in addition to any other vote he or she may have.

Indemnity given by the charitable company in favour of its trustees

The trustees are indemnified by the charitable company against any liability incurred by them in that capacity to the extent permitted by the Companies Act 2006. No insurance policy affecting cover against any such liability has been purchased by the charitable company.

Trustees' responsibilities in relation to the financial statements

The trustees (who are also directors of Club Peloton for the purposes of company law) are responsible for preparing a trustees' report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and the group and of the incoming resources and application of resources, including the income and expenditure, of the group for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Statement of Recommended Practice (Accounting and Reporting by Charities) (the Charities' SORP);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and

Trustees' report (including directors' report) Year ended 30 June 2024

- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Statement as to disclosure to our auditors

In so far as the trustees are aware at the time of approving our trustees' annual report:

- there is no relevant information, being information needed by the auditor in connection with preparing the report, of which the group's auditor is unaware; and
- the trustees, having made enquiries of fellow directors and the group's auditor that they ought to have individually taken, have each taken all steps that he/she is obliged to take as a director in order to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Signed on behalf of the trustees

Approved by the trustees on 26 March 2025

Independent auditors' report to the members of Club Peloton Year ended 30 June 2024

Opinion

We have audited the financial statements of Club Peloton (the 'parent charitable company') and its subsidiary (the 'group') for the year ended 30 June 2024, which comprise the consolidated statement of financial activities (including income and expenditure account), consolidated statement of financial position, consolidated statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and parent charitable company's affairs as at 30 June 2024 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Independent auditors' report to the members of Club Peloton Year ended 30 June 2024

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report (including director's report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Independent auditors' report to the members of Club Peloton Year ended 30 June 2024

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below:

We gained an understanding of the legal and regulatory framework applicable to the company and the industry in which it operates, and considered the risk of acts by the company that were contrary to applicable laws and regulations, including fraud.

We designed audit procedures to respond to the risk, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

We focused on laws and regulations which could give rise to a material misstatement in the financial statements, including, but not limited to, the Companies Act 2006 and UK tax legislation. Our tests included agreeing the financial statement disclosures to underlying supporting documentation and enquiries with management.

We did not identify any key audit matters relating to irregularities, including fraud. As in all our audits, we also addressed the risk of management override of internal controls, including testing journals and evaluating whether there was evidence of bias by the directors that represented a risk of material misstatement due to fraud.

Independent auditors' report to the members of Club Peloton Year ended 30 June 2024

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed

Principal accounting policies Year ended 30 June 2024

General information

The charitable company is a private company limited by guarantee and registered in England and Wales. The charitable company is also registered as a charity in England and Wales. The registered office address of the charitable company is Coram Campus, 41 Brunswick Square, London WC1N 1AZ.

Basis of accounting

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The financial statements are prepared in Sterling, which is the functional currency of the charitable company. Monetary amounts in these financial statements are rounded to the nearest £1.

Club Peloton meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

Basis of consolidation

These financial statements consolidate the results of the charitable company and its wholly owned subsidiary undertaking, Club Peloton Trading Limited, for the year ended 30 June 2024. A separate Statement of Financial Activities for the charitable company itself is not presented because the charitable company has taken advantage of the exemptions afforded by section 408 of the Companies Act 2006. Intra-group transactions are eliminated in full.

Company status

The charitable company is a company limited by guarantee and does not have a share capital. In the event of the charitable company being wound up, the liability in respect of the guarantee is limited to £10 per member of the charitable company.

Fund accounting

Unrestricted funds are defined as incoming resources received or generated which are available for use at the discretion of the trustees in furtherance of the general objectives of the charitable company which have not been designated for other purposes.

Designated funds are unrestricted funds which have been earmarked by the Board of Trustees for specific purposes.

The restricted fund holds donations collected on behalf of Construction Industry Cycling Commission (CICC). Further details can be found at www.cyclingcommission.org

Principal accounting policies Year ended 30 June 2024

Incoming resources

All incoming resources are included in the Statement of Financial Activities when the charitable company is legally entitled to the income, when it is virtually certain that the incoming resources can be measured with sufficient reliability.

Incoming resources from commercial trading operations represents consultancy fees, amounts received from companies for corporate sponsorship of the event, and amounts received from riders to participate in the event. These amounts are stated net of values added tax, except where the turnover falls within the Tour Operators' Margin Scheme. Incoming resources are deferred where the charitable company is not entitled to the income until a future accounting year.

Charitable donations raised by the event are recognised as incoming resources from generated funds in the charitable company.

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the charitable company will comply with the conditions attaching to them and the grants will be received.

Resources expended

All expenditure is accounted for in the Statement of Financial Activities on an accruals basis and has been classified under headings that aggregate all costs related to that category of expenditure.

Costs of generating funds comprise costs incurred by the charitable company's trading subsidiary relating to the running and administration of the event, and costs incurred by the charitable company to administer their online giving.

Costs of charitable activities include grants payable in furtherance of the charitable company's objects. Grants payable represent donations to other charities and are accounted for when paid unless a firm commitment exists at the year end to pay grants in future periods in which case, grants payable are accrued in full.

Support costs are those incurred in connection with the administration and operation of the charitable company and are allocated in full to the sole activity of the charitable company, that of grant making.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charitable company and includes audit fees.

Depreciation

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life as follows:

- Fixtures and fittings - over three years
- Computer equipment - over three years

The carrying values of tangible fixed assets are reviewed for impairment in years if events or changes in circumstances indicated that the carrying value may not be recoverable.

Principal accounting policies Year ended 30 June 2024

Investments

Fixed asset investments are shown at cost less any provision for impairment.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to the statement of financial activities.

Pensions

The subsidiary trading company contributes to its director's defined contribution stakeholder pension scheme at the rates agreed with the individual. Contributions are charged to the statement of financial activities as they become payable in accordance with the contribution agreement between the company and the director.

Going Concern

The subsidiary trading company has a net deficit which has arisen from losses from prior financial years. The net deficit is financed by a short term loan from the parent undertaking. The trustees have a reasonable expectation that the subsidiary trading company has adequate resources to continue in operational existence for the foreseeable future. Therefore the trustees continue to adopt the going concern basis of accounting in preparing the annual financial statements.

Irrecoverable VAT

Any irrecoverable VAT is charged to the statement of financial activities.

Notes to the consolidated financial statements Year ended 30 June 2024
