Child Education Nepal UK
Chairman's Report

I am pleased to report a very successful year of fund-raising allowing CENUK to progress it's objectives in Nepal, particularly with the orphanages in Kathmandu.

During the year, many smaller individual donations have helped the education, welfare and safety of children.

One of the charities original objectives was to ultimately help those children with medical and educational needs as well as providing support to 1 orphanage in Kathmandu, I am pleased to report that this has been achieved.

There is still much work to be done

Through the charity we continue to sustain improvements across all of our objectives.
