Structure, governance, and management

South Cambs Gospel Trust is a charitable company limited by guarantee and not having a share capital. The governing document is a Memorandum and Articles of Association.

The Trust is run by Trustees, the majority of whom are members of Christ Church South Cambs.

Objectives and activities

The Trust employs one full time member of staff, the minister for the church, Christ Church South Cambridgeshire. There are also currently 2 part time staff looking after pastoral care, working with young people and administration. Ordinarily, the church meets weekly on a Sunday morning at a meeting in Sawston Village College, Sawston, Cambridgeshire, to proclaim the Christian faith. In addition, the church has weekly evening home groups together with other meetings all of which support members and newcomers to the congregation in their faith and education of the gospel of Jesus Christ.

Achievements and performance

The church has been meeting since April 2006 each Sunday. Ordinarily a meeting includes Sunday school groups for children with a crèche for 0–3-year-olds, two separate groups for 4–6-year-olds and 7–10-year-olds and a further group for 11–14-year-olds, 14–18-year-olds meet following Sunday services to discuss the talk from the service. Currently the Church operates a hybrid service making the service available to view online and along with being able to meet in person. The services are advertised locally and are open to everyone. In addition to the Sunday services the 11–14-year-old group also meets on a Sunday evening and 14–18-year-old group meet on a Tuesday evening. New congregation members and enquirers are invited to attend one of the Christianity explored courses which are run by the church. In addition, there are many community events put on by the church such as Christmas Carol Service, discussion evenings and marriage courses.

The Church became an affiliate of AMiE (Anglican Mission in England) in 2021 and as such a proportion of Church income is given towards the running costs of AMiE.

The trust gives a proportion of the giving of the congregation to external mission partners, for example the Barnabas Fund working around the world, and individuals working in Vietnam, Uganda, Kenya, and the UK. The minister of the church is involved in visiting the elderly and sick in the area, along with congregation members and builds links with other churches in the area.

Financial review

The funding sources of the charity are from voluntary contributions from inside the congregation and outside the congregation. Currently the Trustees do not have a reserves policy or an investments policy.

Plans for future periods

Financially the Trustees will continue to encourage the voluntary contributions to allow the Trust to sustain current activities. The Trustees continue to look at the viability of being able to secure our own premises either through purchase or lease, however there is recognition of a cautious approach required as we have not had our own building previously.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption.

Independent Examiner's Report to the Trustees of South Cambs Gospel Trust

Year ended 31 December 2021

We report to the trustees on my examination of the financial statements of South Cambs Gospel Trust ('the charity') for the year ended 31 December 2021.

Responsibilities and basis of report

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied ourselves that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act.
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention

Independent examiner's statement

We have completed our examination. We confirm that no matters have come to our attention in connection with the examination giving us cause to believe that:

1. the accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

We have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable, and its amount can be measured reliably.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable, and consistent basis.
