## Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements and auditors' report of the charitable company for the year ended 30 November 2024.

### Objectives and activities

#### *Objects and aims*

The principal objective of the charity continues to be to promote community participation in healthy recreation and the promotion of healthy lifestyles by providing facilities for people to participate in Rugby League and other sporting activities for the public benefit in line with Charity Commission Guidance in both the short term in regards to this year and in the longer term to continue the same strategy.

Some of the surpluses that have been built up over the years are now being slowly and prudently released over the longer term and accessed to further achieve the charity's aims and objectives. To achieve these stated aims and objectives in a coordinated manner it is necessary to build up a modest level of reserves in the short term. There are ongoing plans for school camps to be held and car boot sales to continue and the level of achievement of the aims will be dependent on the continuing income from such fund raising.

#### *Public benefit*

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

### Financial review

The deficit for the year £12,654 has decreased the reserves of the trust from £18,174 at the start of the year to £5,520 at 30 November 2024.

#### *Policy on reserves*

We plan to utilise the stadium and 4G pitches and increase the outreach work for which the surpluses have been built up.

### Plans for future periods

#### *Aims and key objectives for future periods*

### 2 Accounting policies

#### Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

#### Basis of preparation

The financial statements have been prepared under the historical cost convention in accordance with applicable United Kingdom Accounting Standards. A summary of the principal accounting policies, which have been applied consistently, except where noted, is set out below.

The company's functional and presentation currency is pounds sterling.

#### Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

#### Exemption from preparing a cash flow statement

The charity has taken advantage of the exemption and has not included a cash flow statement in these financial statements.

#### Fund structure

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

#### Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

## **Dewsbury Rams RLFC Trust**

### **Notes to the Financial Statements for the Year Ended 30 November 2024**

#### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### ***Charitable activities***

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

#### **Government grants**

Grants are recognised when there is reasonable assurance that the entity will comply with the conditions attaching to them and the grants will be received.

Grants are measured at the fair value of the asset received or receivable.

#### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### **Governance costs**

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees' meetings and reimbursed expenses.

#### **Debtors**

Debtors are recognised initially when they become due at the transaction price. They are subsequently measured at amortised cost using the effective interest rate method, less provision for impairment. A provision for impairment of debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the debtors.

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### **Creditors**

Creditors are obligations to pay for goods and services that have been acquired by the charity. Creditors are initially recognised at the transaction price and subsequently measured at amortised cost using the effective interest method.

#### **Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

### Notes to the Financial Statements for the Year Ended 30 November 2023

#### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### ***Charitable activities***

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

#### **Government grants**

Grants are recognised when there is reasonable assurance that the entity will comply with the conditions attaching to them and the grants will be received.

Grants are measured at the fair value of the asset received or receivable.

#### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### **Governance costs**

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees' meetings and reimbursed expenses.

#### **Debtors**

Debtors are recognised initially when they become due at the transaction price. They are subsequently measured at amortised cost using the effective interest rate method, less provision for impairment. A provision for impairment of debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the debtors.

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### **Creditors**

Creditors are obligations to pay for goods and services that have been acquired by the charity. Creditors are initially recognised at the transaction price and subsequently measured at amortised cost using the effective interest method.

#### **Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

## **Trustees' Report**

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the period ended 30 November 2022.

### **Objectives and activities**

#### ***Objects and aims***

The principal objective of the charity continues to be to promote community participation in healthy recreation and the promotion of healthy lifestyles by providing facilities for people to participate in Rugby League and other sporting activities for the public benefit in line with Charity Commission Guidance in both the short term in regards to this year and in the longer term to continue the same strategy.

#### ***Objectives, strategies and activities***

Post pandemic the stadium can now be fully utilised with the 4G pitches being fully at our disposal. The closure of the facilities in recent years was a major negative factor in providing the objectives set out above, but there is now a positive drive to achieve these aims. As such, some of the surpluses that have been built up over the years can now be slowly and prudently released over the longer term and accessed to further achieve the charity's aims and objectives. To achieve these stated aims and objectives in a coordinated manner it is necessary to build up a modest level of reserves in the short term. There are plans for school camps to be held and car boot sales to continue and the level of achievement of the aims will be dependent on the continuing income from such fund raising.

#### ***Public benefit***

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

### **Financial review**

The surplus for the year of £10,113 has increased the reserves of the trust from £14,146 at the start of the year to £24,259 at 30 November 2022.

#### ***Policy on reserves***

We plan to utilise the stadium and 4G pitches and increase the outreach work for which the surpluses have been built up.

### **Trustees and officers**

The trustees and officers serving during the year and since the year end were as follows:

Trustees:	A D J Farrow
	M A Sawyer
	R Waddington
	M Fentem

### **Structure, governance and management**

#### ***Nature of governing document***

Memorandum and Articles of Association dated 18 July 2007.

#### ***Recruitment and appointment of trustees***

The trustees are selected for their commitment to the Dewsbury area, for their appreciation of health issues and for their understanding of how the sport of rugby league can be best used for educational benefit.

### Independent Examiner's Report to the trustees of Dewsbury Rams RLFC Trust ('the Company')

I report to the charity trustees on my examination of the accounts of the charity for the year ended 30 November 2022 which are set out on pages 5 to 12.

#### Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

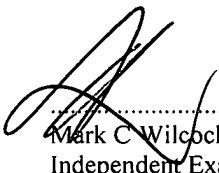

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Dewsbury Rams RLFC Trust as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The principal objective of the charity continues to be to promote community participation in healthy recreation and the promotion of healthy lifestyles by providing facilities for people to participate in Rugby League and other sporting activities.

#### *Objectives, strategies and activities*

#### *Public benefit*

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

### Achievements and performance

Due to covid restrictions in the year the number of car boot sales held was restricted and no activity days could be held.

### Financial review

The surplus for the year of £1,824 has increased the reserves of the trust from £12,322 at the start of the year to £14,146 at 26 November 2021.

#### Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Dewsbury Rams RLFC Trust as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Dewsbury Rams RLFC Trust

### Notes to the Financial Statements for the Period from 29 November 2020 to 26 November 2021

#### *Investment income*

Interest on funds held on deposit is included when receivable and the amount can be measured by the charity.

#### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### *Charitable activities*

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

#### **Government grants**

Grants are recognised when there is reasonable assurance that the entity will comply with the conditions attaching to them and the grants will be received.

Grants are measured at the fair value of the asset received or receivable.

#### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### **Governance costs**

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees' meetings and reimbursed expenses.

#### **Debtors**

Debtors are recognised initially when they become due at the transaction price. They are subsequently measured at amortised cost using the effective interest rate method, less provision for impairment. A provision for impairment of debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the debtors.

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### **Creditors**

Creditors are obligations to pay for goods and services that have been acquired by the charity. Creditors are initially recognised at the transaction price and subsequently measured at amortised cost using the effective interest method.

## Dewsbury Rams RLFC Trust

### Notes to the Financial Statements for the Period from 29 November 2020 to 26 November 2021

#### Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

#### Tangible fixed assets

Individual fixed assets are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

#### Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
