Report of the Trustees
for the Year Ended 31 July 2025

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 July 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

INCORPORATION, OBJECTIVES & PRINCIPAL ACTIVITY

The charity company was incorporated on 3 July 2007. The objective of the charity in the period under review was that of operating a registered charity, under the Charities Act 2011, for the advancement of learning and education, and in particular at Duke University, USA and students attending that university.

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives of furthering higher education and in planning for such activities in the future.

FINANCIAL REVIEW

Financial review and position

Achievements and performance

In the period under review incoming resources amounted to £297,754 (2024: £158,076). The company continued to improve and develop funding for educational establishments and plans to continue in the same vein. Funding is focused towards education, an activity delivering public benefit - £292,108 (2024 - £150,123) were expended on this charitable activity by way of grants to Duke University.

Reserves policy

To achieve its objectives, the charity has elected to donate all its incoming resources less administrative expenses, to the designated institutions. Therefore, all funds are designated, and, as a policy, it does not maintain any general reserves, except for £5,000 for running costs. Total reserves carried forward at the end of the year were £16,102 (2024 - £16,718).

Investment Powers

In accordance with the charity's Memorandum of Association the Trustees of the charity have the power to invest in such investments, and securities as they seem fit, but only after taking expert advice.

Investment policy

Funds are invested in accordance with the donor's wishes. In the absence of a specific request, funds received are placed on deposit with financial institutions until they are distributed.

Going concern

The financial statements have been prepared on a going concern basis as the board of Trustees believe that no material uncertainties exist. There is no particular policy to hold reserve funds over and above the minimum required to meet administrative costs and financial commitments are only made when funds are available.

The Trustees have also considered the expected level of income and expenditure likely to be received in the 12 months' period from authorising these financial statements which indicate that the charity will be able to continue to operate as a going concern.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Company is an incorporated registered charitable organisation, with a limited liability of £100. The company was established on 3 July 2007 under a Memorandum and Articles of Association which established its objects, powers and governance; and it was registered as a charity on 4 February 2008 (Charity No. 1122594).

Report of the Trustees
for the Year Ended 31 July 2025

STRUCTURE, GOVERNANCE AND MANAGEMENT

Organisational structure and recruitment and appointment of new trustees

The trustees are directors who form the management committee elected by the shareholding trustees to operate the organisation and must hold at least two meetings per annum. At least three Trustees must be in office at any time and new trustees may be appointed, or removed, in a meeting, where at least two of the Trustees should be present. One third of the trustees retire by rotation annually and may be re-appointed, but only with the approval of the remaining trustees.

The Trustees have assessed the major risks to which the Trust is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Related parties

Duke University, USA, whose Board of Trustees is the ultimate controlling party, was the sole beneficiary of grants made by the charity during the year and it also makes contributions towards the charity's administration and governance costs which amounted to £15,089 (2024 - £2,894). They are shown as other income in these accounts.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
