Induction and training of New Trustees

All Pilion Trust Trustees receive a full induction upon being elected to the Board of Trustees. The induction is a comprehensive overview of the work of the organisation, and includes detailed information about our income both restricted and unrestricted.

Trustees are informed about our service level agreements (SLA's) with key funders and Formalised Working Partnerships. A thorough introduction to the organisation's strategic and business plan, financial procedures and budget for the current financial year together with a series of briefing meetings with the Chair, other Board members, CEO and the Charity's staff, volunteers, students and some beneficiaries.

Trustees are also encouraged to attend relevant courses, seminars, conferences and networking events, during the year as appropriate, also to take up e-learning and peer training via email and given a list of appropriate specialist websites to further their personal development at their leisure; this is an on-going obligation.

Organisational structure

Pilion Trust's organisational structure is linear and designed to be quite simple. This simplicity of structure allows us fluidity and speed when setting up pilot schemes and emergency projects like our Youth Shelter which we found an extremely urgent need to set up quickly over the last winter period.

Risk management

The Pilion Trust Board of Trustees understand and fully comply with their duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls

are in place; to provide reasonable assurance against fraud and error. Risk is an on-going reality and the Pilion Trust Board recognise that calculated risks need to be taken to further the objects of the charity and that risk taking can have both negative and positive outcomes or can be both threats or opportunities. In light of this we will always adhere to professional advice in the areas where we need said advice.

Environmental Responsibilities

The Pilion Trust Board of Trustees takes their environmental responsibilities very seriously understanding the world resources are stretched and dwindling and aim to reduce our carbon footprint as much as possible while maintaining an organisational standard of quality.

Public Benefit

The Pilion Trust Board of Trustees confirm that they have complied with the duty in section 4 of the Charities Act 2006 to have due regard to the public benefit guidance published by the Charity Commission in determining the activities undertaken by the Charity. The following sections demonstrate our provision of public benefit.

OBJECTIVES AND ACTIVITIES

- (a)** The relief of sickness and the preservation and protection of health of people irrespective of race, culture, gender, sexuality, sexual orientation, religious beliefs, spiritual beliefs, age or disability who are or who have been affected by drug, alcohol misuse, mental ill health, homelessness and other complex needs in particular but not exclusively by the provision of community based support and outreach activities within London Boroughs, across England, Wales and World-wide.
- (b)** The relief of unemployment for the benefit of the public by offering volunteer, trainee, befriending, coaching and mentoring placements to enable the beneficiaries to gain an NVQ3, equivalent or above qualification and move into permanent employment and a long term career.
- (c)** To advance the education of the public about the harm of drug and alcohol misuse, issues around mental ill health, homelessness and other complex needs through delivering training, research, advocacy, seminars and conferences.
- (d)** The relief of financial hardship for the benefit of the public and communities adversely affected by and to improve the quality of life to individuals and their families who have been financially affected by drug and alcohol misuse, mental ill health, homelessness and other complex needs in their lives.

OUR MISSION STATEMENT

ACHIEVEMENT AND PERFORMANCE 2021/2022

The Pilion Trust

The Pilion Trust was established and incorporated as a company limited by Guarantee on 5th January 2007 and achieved Registered Charity status on 5th February 2008. The Pilion Trust specialises in supporting, advocating for vulnerable people and families suffering with unmet complex needs such as: drug or alcohol misuse; mental or physical ill health; homelessness; Domestic Violence and/or abuse; trafficked people; young people at risk; disabilities; learning difficulties and offenders returning to their communities.

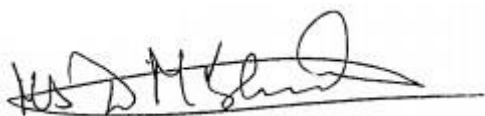

The charity supports people through any future challenges which they feel unconfident or ill equipped to resolve on their own. We are established in the London Borough of Islington, and work across all London Boroughs and from across all UK regions. We work in Partnership with the local authority and other compatible organisations/agencies and charities across all London Boroughs and the whole of the United Kingdom.

This year with continuous funding cuts and closures of front line services, we continue to see an increase in people and families accessing our services due to the constantly changing and shifting political landscape.

This has created more work for our charity; by increasing the volume of people who require our services at the same time as the financial landscape is decreasing. This is a familiar theme for The Pilion Trust having been created and established at a time of desperate need for the people coping with severe complex needs.

Pilion Trust have become experts at doing even more with even less; but recognise the serious negative impact and emotional strain on the whole organisation is enormous. The only positive in the present time is the volume of people who have and are still being supported by the Pilion Trust staff to create and maintain stable lives.

Finally, my heartfelt thank you to all our staff members, volunteers, students, partners, local businesses and the local Community who all have again outdone themselves in enhancing the organisation's reputation and built on their success from last year.

Ghana Pilon

This year The Pilon Trust has been able to support poor unskilled families to set up market stalls in Accra's outskirts settlements such as Galilea, Kasoa, Kokobite and the surrounding areas.

We were also able to set the following:

- An apprenticeship programme for over 14 to 16 year olds who are not in education in motor bike and car mechanics in the areas of Galilea and Kasoa with Idris Motors.
- 3 school support programme with a primary school in Nkawkaw over 300 children benefiting from education

materials and IT equipment.

- Computers, IT equipment, education equipment and books.

Partnerships:

Islington Foodbank: 1,368 vouchers have been issued this year in the borough of Islington. We have seen an increase in food poverty and child poverty. Within the Borough we continue to see individuals and families struggling to manage their homes and provide food. Most of our clients are people in employment who still struggle to pay bills and feed their families.

Islington RSS: Working in partnership with Islington's Housing Department to assess and assign grant funding to those who are the most vulnerable and/or likely to lose their homes if some basic needs were not met within their homes.

The funding was designated for people who have been homeless and are setting up a home for the first time; or those at risk of losing their home if basic factors were not met within their home.

Team Building: The Pilon Trust works proactively on all levels of the organisation in developing essence of belonging. We

The expenditure £88,960 (2020-21: £92,019) has decreased from the previous year. The charity carries forward funds of £4,290

Reserve policy

Trustees are fully aware of the low level of reserve that is due to the nature of charity's funding sources. All attempts are made to improve the general reserve to a level of three months operating costs of the charity that trustees consider necessary to maintain the continuity of the charity.

TRUSTEES' RESPONSIBILITIES STATEMENT

The trustees (who are also the directors of The Pilion Trust for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statement unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- State whether applicable UK accounting standards have been followed, subject to any material departure disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

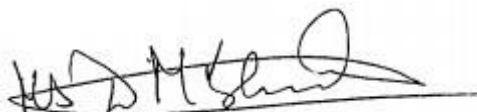

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

SMALL COMPANY SPECIAL PROVISION

The report of the trustee has been prepared taking advantage of the small companies' exemption of section 415A of the Companies Act 2006.

This report is approved, and authorised for issue, by the trustee on 03.03.2023 and signed on their behalf by:

RESPONSIBILITIES AND BASIS OF REPORT

As the Charity Trustees of a company (and also its directors for the purpose of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by Charity Commission under sections 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. Accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. The accounts do not accord with those records; or
3. The accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. The accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102)

No restatements were required.
