Directors' Report for the Year Ending 31st March 2024

Defining the SWAN Project

The SWAN Project is a charity that specialises in offering long-term, low-cost therapy to vulnerable adults with needs in the following areas:

- Long-term dependency on alcohol
- Cross addictions
- Dual diagnosis

To a lesser extent, we also work with adults who may not have an addiction issue, but are without access to support elsewhere. We don't turn people away if we think we can help.

The project works with a psychological model of addiction that seeks to increase self-compassion and self-care, reducing the need to rely on addictive behaviours to self-soothe. We do this through offering 1:1 counselling/psychotherapy.

Public Benefit

The purpose of the activities of the SWAN Project is the advancement of health, particularly emotional and psychological, of our service users and those whose lives they touch.

Overview of Activities

Throughout the period, the project has continued to work towards and meet its charitable aims and objectives as laid out in our governing document.

We have continued to offer 1:1, long-term, low-cost therapy for vulnerable adults with alcohol issues and complex needs. This has been done to a high standard, enabling clients to hold a good deal of autonomy and choice in the duration and intensity of their individual therapy.

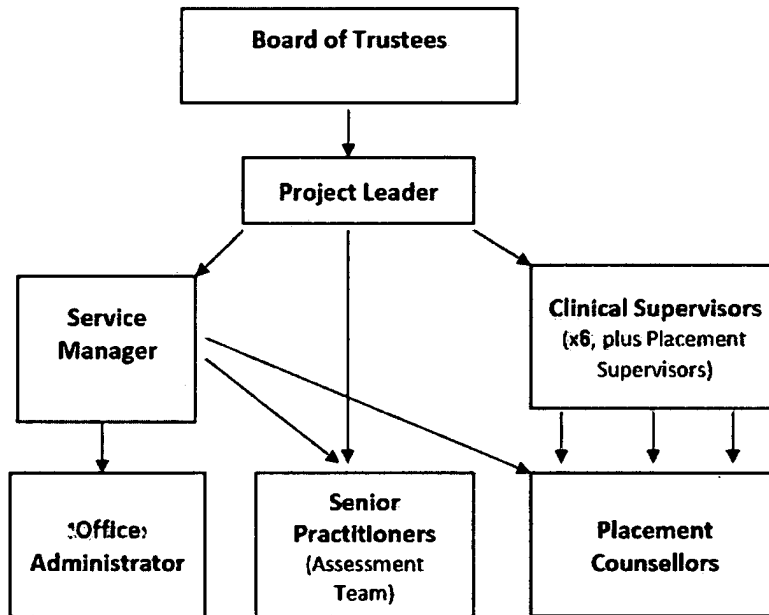

The charity has offered highly sought after and supportive placements for trainee therapists, and for those qualified therapists who wish to gain more experience. Both trainees and qualified therapists are volunteers.

We continue to be committed to our vision for long-term therapy as we recognise that the trauma that underpins so many addictions take a long time to address and that healing benefits from having a long-term dependable and therapeutic relationship.

Board of Trustee

During the year, the board worked to increase the number of trustees. Three new trustees were appointed in late 2024. These three new trustees bring a wealth of experience to the board. Massimo D'alessandro left the board in October 2024 due to relocation. The board continues to focus on succession for the Chair.

Structure of organisation

The structure of the organization has remained stable throughout the financial year.

Reserves

The total reserves at 31 March 2023 were £ (2023: £14,119) and are analysed between restricted and unrestricted funds.

Unrestricted funds increased to £ (2023 £13,505) as the result of a net surplus during the year.

Restricted funds decreased to £nil (2023: £619).

Principal risks and uncertainties

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to major risks.

A significant risk facing the organisation is key person dependency on its Board and in its senior management. The risk has been reduced following year end by the appointment of three new trustees.

There is some uncertainty surrounding the VAT status of the organization. Whilst the trustees remain confident that VAT registration is not required for the Swan Project, a VAT specialist is currently being engaged to provide expert advice on this matter.

Ongoing problems with Swan's bank account have led to a new account being set up in December 2024. It is the intention of the Board of Trustees to move all banking operations to this new account in a controlled manner during calendar year 2025.

Financial Review**Financial sustainability**

SORP: This report has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (2005).

Statement of Trustees' Responsibilities

The trustees, who are also directors of The Swan Project for the purposes of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for the year. In preparing these financial statements, the trustees are required to:

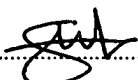

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant information of which the charitable company's independent examiner is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant information and to establish that the independent examiner is aware of that information.

Signed by order of and with the approval of the directors:

 (James Chatterjee, Chairperson)

Independent Examiner's Report to the Trustees of The Swan Project

I report on the accounts of the company for the year ended 31st March 2024 which are set out on pages 8 to 13.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
