## Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>Life Bridging Works exists to bring life in all its fullness to some of the world's poorest people to the glory of God by:</p> <ul style="list-style-type: none"><li>i. Advancing the Christian Religion</li><li>ii. Advancing the education of the public</li><li>iii. Providing Relief of sickness &amp; the preservation of health</li><li>iv. Bringing relief of unemployment</li></ul>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>The purpose of Life Bridging Works is to give a hand up not a hand-out. This means that the empowering of local, indigenous leaders is at the core of the charity focus. All LBW activities in this period continued to be performed in conjunction with local, indigenously led churches that we have a connection with. These good works in turn naturally warm people to the church and empower significant community members, with the result of advancing the Christian message and hope to others within the community that the good work is performed in. This work is then supported by our specialist teams and UK based trustees who are in contact both through virtual communication and through physical travel to see the projects in their location. This year has brought growth in a number of the activities that take place through the support of the local church:</p> <ul style="list-style-type: none"><li>• Hiring another Toposan Bible translator so that this project may continue to grow and see its goal reached.</li><li>• Meeting with key leaders in conferences in a number of countries</li></ul>

		<p>for teaching, fellowship and vision setting.</p> <ul style="list-style-type: none"> <li>• Beginning the building of another safe house to support vulnerable individuals and families who are fleeing from persecution and abuse.</li> <li>• Lobbying for the release of imprisoned Christians who are being held for practising their faith.</li> <li>• Starting regular village health programmes in South Sudan with indigenous trained medical professionals.</li> <li>• Enabled key leaders to travel to deal with pastoral concerns.</li> <li>• Working closely with Victory Outreach Ministries Leadership team in Lira, North Uganda.</li> <li>• Enable Christian leaders in Kenya to gather for theological training and encouragement.</li> <li>• Enabling Salt and Light Outreach Ministries leaders from South Sudan to gather for teaching and discipleship, and pastors to do Discovery Bible Study in village churches.</li> </ul> <p>Life Bridging Works helps advance education of the public by:</p> <ul style="list-style-type: none"> <li>• Providing of education to disadvantaged children through two <b>sponsorship schemes</b>. We currently sponsor 24 children and young people from an area of Southern Sudan who attend Kuleu Lights School. There are many orphans and disadvantaged children there due to the recent conflict. From our original sponsorship scheme with the Toposa people we continue to also support 1 student through to their University level studies. The remaining students that we sponsored through university are now returning to support the community that they are from in a number of different ways. Our second sponsorship scheme runs in Alebtong, Northern Uganda at Blessed Hope School where we are supporting the most in need children from these deprived areas. There are currently 25 children being supported on this scheme. So, in total we are sponsoring 49 children/young people. We hope to use the finances that we have been</li> </ul>

		<p>using for the original sponsorship scheme to increase our Primary education schemes in South Sudan.</p> <ul style="list-style-type: none"> <li>• Development of educational establishments. We are currently raising funds for an exam hall to be built in Blessed Hope School, a project we started in 2021. We are now solely looking for the funding to render the walls and equip the building. We also have sent teams of UK volunteers to both schools in question to help with painting, carpentry, bicycle repair and lessons.</li> </ul> <p>Life Bridging Works helps provide relief of sickness &amp; the preservation of health by:</p> <ul style="list-style-type: none"> <li>• Continuing to support the equipping of a health centre/ clinic which provides basic health advice and services in Kapoeta, South Sudan. The clinic will be managed and staffed by indigenous former students sponsored through medical schools by Life Bridging Works.</li> <li>• Working with South Sudan NGO's HOCTO and Medical Missions to provide Village Health programmes to remote areas around Kapoeta in South Sudan. These programmes speak about public and sexual health, whilst trained medical professionals also diagnose and treat illnesses and injuries for those who cannot attend the clinic.</li> <li>• Providing famine emergency relief during the periods of drought across East Africa. This has been required due to another season of failed crops.</li> <li>• Starting the building of a safe house for those in abusive situations or fleeing from persecution to provide sanctuary whilst they rebuild their lives.</li> </ul> <p>Life Bridging Works help bring relief from unemployment by:</p> <ul style="list-style-type: none"> <li>• Small Business Start Funds, including funds to help towards the set-up of several shops.</li> <li>• Its education programme: young people that are educated are more employable.</li> <li>• Funds given for development work; local builders are employed to complete the work.</li> </ul>
