THE ROAN CHARITABLE TRUST

Trustees' Report for the year ended 31 March 2021

The trustees present their report and the audited financial statements for the year ended 31 March 2021.

Reference and administrative information

The charity information is set out on page 1.

Constitution, objectives and activities of the charity

The Roan Charitable Trust is constituted under a trust deed dated 24 January 2008 and was registered as a charity with the Charity Commission for England and Wales on 18 February 2008.

The objectives of the charity are to make grants for general charitable purposes. There were no restricted funds held during the year or as at 31 March 2021.

The charity derives its income from investment returns, which are then used to fund grants to other registered charitable organisations.

Structure, governance and management

The trustees are appointed in accordance with the terms of the deed and the trust deed provides for a minimum of four trustees.

All the trustees are encouraged to attend board meetings to familiarise themselves with the charity.

The trustees have reviewed the major strategic and operational risks to which the charity is exposed. Where appropriate, systems or procedures have been established to mitigate the risks the charity faces. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions. These procedures are periodically reviewed to ensure that they continue to meet the needs of the charity. The charity manages its financial risk by setting a reserves policy which is regularly reviewed by trustees.

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities and setting the grant making policy for the year.

Procedures and policy for grant making

The charity's policy is to make grants to registered charities in the fields of education, medical research and other charities that can demonstrate that the grants will be used effectively.

There is no formal grant application procedure. The trustees retain the services of a charitable grants advisor and take account of the advice when deciding on grants. During the year, twenty three grants amounting to £491,825 were made.

Details are set out in note 7 to the financial statements.

Achievements and performance

During the year, the charity continued to support charities which the trustees believed are able to demonstrate that they can utilise the funds effectively.

THE ROAN CHARITABLE TRUST

Trustees' Report for the year ended 31 March 2021

Financial review, investment policy and reserves

The current investment policy is to retain some of the available funds on bank deposit in order to meet the payment of grants which have previously been committed to registered charities. The remaining surplus funds are invested in listed investments and cash managed by HSBC Private Bank (UK) Limited as detailed in note 9 to the financial statements.

In the year ended 31 March 2021, incoming resources amounted to £214,091 and resources expended amounted to £582,280.

At 31 March 2021, the charity had unrestricted funds amounting to £8,624,870.

The trustees have reviewed the charity's needs for reserves in line with the guidance issued by the Charity Commission. The current policy of the charity is to maintain at least sufficient funds to meet grants over a period of five years taking account of expected grants and administration costs.

Future plans

The charity plans to continue supporting national and local charities and will in future support those international charities, which the trustees feel are organised to utilise funds in an effective way.

Trustees and trustees' responsibilities statement

The trustees who served during the year to 31 March 2021 are given on page 1.

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity and of the incoming resources and application of resources for that year. In preparing those financial statements, the trustees are required to:

- (i) select suitable accounting policies and then apply them consistently;
- (ii) observe the methods and principles of the Charities SORP;
- (ii) make judgements and estimates that are reasonable and prudent;
- (iii) state whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- (iv) prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will be able to continue to meet its objectives.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE ROAN CHARITABLE TRUST

Trustees' Report for the year ended 31 March 2021

Trustees' statement

As far as the trustees are aware, there is no relevant audit information (information needed by the charity's auditors in connection with preparing their report) of which the charity's auditors are unaware and they have taken all the steps that they ought to have taken as trustees in order to make themselves aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Auditors

Somers Baker Prince Kurz LLP, Chartered Accountants and Chartered Certified Accountants have expressed their willingness to be re-appointed auditors of the charity for the forthcoming year.

This report has been approved by the trustees on 9 Nov. 2021 and signed on its behalf by

Mr Trevor John Swete
Trustee

Mrs Susan Mary Swete
Trustee

**Independent Auditors' Report to the Trustees of
THE ROAN CHARITABLE TRUST
Year ended 31 March 2021**

Opinion

We have audited the financial statements of THE ROAN CHARITABLE TRUST for the year ended 31 March 2021 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2021 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out in note 3 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Independent Auditors' Report to the Trustees of
THE ROAN CHARITABLE TRUST
Year ended 31 March 2021**

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 3, the trustees are responsible for the preparation of financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern and whether the use of the going concern basis of accounting is appropriate, and, where applicable, disclosing matters relating to going concern.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Assessment of the susceptibility of the charity's financial statements to material misstatement, including how fraud might occur; Obtaining an understanding of the legal and regulatory framework applicable to the charity and inquiring with management of any instances of non-compliance; Obtaining an understanding of the charity's policies and procedures on fraud risks, including knowledge of any actual, suspected or alleged fraud.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

**Independent Auditors' Report to the Trustees of
THE ROAN CHARITABLE TRUST
Year ended 31 March 2021**

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Our report

This report is made solely to the charity's trustees, as a body, in accordance with section 144 of the Charities Act 2011 and regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

**Somers Baker Prince Kurz LLP (Statutory Auditors)
Chartered Accountants and Chartered Certified Accountants**

**Chancellors House
Brampton Lane
London
NW4 4AB**

Date : 11 November 2021

Somers Baker Prince Kurz LLP is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a company under section 1212 of the Companies Act 2006.

THE ROAN CHARITABLE TRUST

Notes to the Financial Statements for the year ended 31 March 2021

1. Charity status

The Roan Charitable Trust is a charity registered with the Charity Commission for England and Wales. The charity is exempt from direct taxation.

The charity constitutes a public benefit entity as defined by FRS 102.

2. Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the charity's financial statements.

2.1. Basis of preparation of financial statements

The financial statements have been prepared on the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these financial statements. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

2.2. Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

(a) Voluntary income including grants receivable, donations, gifts and legacies are included when receivable by the charity.

(b) Bank deposit interest is included when received by the charity.

2.3. Resources expended

(a) Grants payable

Grants payable are included on the basis of payment of the grants or where there is a binding obligation on the charity to make the payment of the grant.

(b) Governance costs

Governance costs are included on an accrual basis as a liability is incurred and includes VAT where charged.

2.4. Fund accounting

All the funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

2.5. Fixed asset investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

THE ROAN CHARITABLE TRUST

Notes to the Financial Statements for the year ended 31 March 2021

..... continued

2.6. Realised and unrealised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on fixed asset investments are calculated as the difference between sales proceeds and opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value.

3. Other services provided by auditors

In common with many charities of our size and nature we use our auditors to assist with the preparation of the financial statements.

4. Grants receivable

No grants were received during the year and the charity does not anticipate to receive any grants in the foreseeable future.

5. Investment income	2021 £	2020 £
Dividends - UK equities	143,643	178,488
Dividends - Foreign equities	25,033	52,082
Interest - Investment and corporate bonds, gilts and fixed interest securities	45,415	53,328
	<u>214,091</u>	<u>283,898</u>
6. Investment management costs	2021 Total £	2020 Total £
