The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trustee Deed

Organisational Structure and Decision Making

The church is organised so that the trustees meet regularly to manage its affairs. There is no full time minister nor full administrator, who manage day today administration of the church; both are Part-time.

Related Party Relationship

RCCG Center of Joy is a member of Redeemed Christian Church of God (RCCG) which has parishes all over the world. The relationship is governed by an 'Agreement for common purposes between the parishes and RCCG mission.

Development activities and achievements in the year

The church is beginning to see its membership attendance numbers back to the pre Covid days as we continue to experience increased new members joining the church on a monthly basis. However, the church still carries on its Hybrid system of catering for both online and in-church congregations. Services currently been broadcasted across key platforms - via Youtube, Facebook, and Zoom application. This totally transformed the way church activities were carried out. Developing and growing its members and workforce remains a key priority with training. The church continues to focus on members spiritual growth as a key priority for the church and continue to invest in various training and developmental programmes to equip members, workers, and ministers of the church to deliver the church mission and vision for the community and the nation at large. More investment poured into preparing our youths to be better prepared for current and future challenges.

Community Outreach programme

Activities during the course of the year includes -

Christmas Lunch with Jesus — every year as a charity we show Christ's love to the community, especially with the less privileged where food hampers is shared ensuring that many more people that cannot afford a good Christmas meal have one.

Christmas carol @ St James care home Dartford and the Pub — this activity is one of the ways we put smiles on the faces of many in the community as part of sharing the love and joy of the Christmas season.

Carol service / Community church award — 2023 Carol service and award ceremony to reward and celebrate the hard work of our teachers in the life of our children. The award evening recorded a great turnout with most of the invited school teachers of our children in church turning up with their family for the events and they all have a great time.

Risk Policy

The trustees continue to assess the various risk facing the church, especially in the area of church financial sustenance and continue to review and put measures in place to mitigate any exposure

Future Development

Work continues with other parishes in the RCCG Church to plant more churches with the aim of fulfilling the goal of RCCG Global Mission worldwide.

Review of Financial Position

Our cash flow saw good improvement partly due to increased numbers of new members and increasing commitment of our members in their giving and contribution towards church work. Also, the cost saving exercise implemented through the year helped lower the Y-O-Y direct cost.

As the Cost-of-Living Crisis continues to affect many in the community we are brazed to help as many members through the crisis situation.

We anticipate COLC crisis and high energy cost could potentially affect the church's cash flow and at the moment putting measures in place to mitigate any effect on the church operations.

The Trustees will once again like to acknowledge the extra contributions made by many members especially during challenging times of the year. Many members contributed towards special projects and procurement of key materials and equipment for the church as requested.

We continue to pray that Jehovah will continue to meet them at their point of need. They will not experience shame or sorrow in Jesus mighty name. Amen.

This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

2.2 EXPENDITURE AND LIABILITIES

Liability recognition

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Governance and support costs

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.

Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments.

Stocks and work in progress

Stocks held for sale as part of non-charitable trade are measured at the lower of cost or net realisable value. Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.

Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.

Debtors

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

Current asset investments

The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.
