### **Chairman's Report for the year ended 30 June 2021**

It's been 15 months since the beginning of the global Covid-19 pandemic. Many lives and livelihoods have been lost, and most significantly for One Cause, the schools we support are either still closed, or operate online. Despite this, scientific advancements have resulted in the development of effective and safe vaccines at breakneck pace. And the rollout rate of these vaccines is equally impressive in developed economies.

Unfortunately, the vaccines didn't come fast enough for India, which has witnessed the virtual collapse of its healthcare infrastructure due to the highly contagious and dangerous Delta variant of the virus.

As expected, and highlighted in my 2020 report, the pandemic has had a negative impact on One Cause's donations, which are down by 34% year on year. This did not deter us from continuing our commitments to the organisations that we support, with our deployment of funds at over 90% compared to the previous year.

Looking one year ahead, I hope and believe that a successful global rollout of the vaccines will have largely taken place, and that our lives will start to return to a new normal. We're eager to support the transition back to school and take extra measures to ensure that the students' long-term development is not affected.

The charity's accounts, detailed later in this report, have been examined and verified by Shruti Soni Limited.

The Board of Trustees and I sincerely wish to thank all our supporters whose continued generosity in these trying times is nothing short of spectacular.

Kishan Vasani  
Chairman, One Cause

## **Trustees' Report for the year ended 30 June 2021**

The trustees present their report and the financial statements for the year ended 30 June 2021. This is also a Directors' Report required by s417 of the Companies Act 2006 and all trustees are directors.

This Trustees Report and the associated Financial Statements have been prepared in accordance with guidance for preparing Charity Accounts and Reports presented in "Accounting and Reporting by Charities: Statement of Recommended Practice" and are therefore in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (effective 1 January 2015) - (Charities SORP FRS 102) together with The Companies Act 2006 and the requirements of the Memorandum & Articles of Association.

### **Objectives and Aims**

The objective of One cause is the advancement, improvement and provision of education and training of children and adult. In Particular But Not Exclusively By Establishing Or Working In Collaboration With Educational Institutions. One Cause is committed to raising awareness and funds for the provision of education and improvement of lives to those around the world that have little hope of being given the opportunity to flourish. Our aim is to provide a socially, financially and environmentally self-sustaining model so that local communities are empowered and equipped to pursue a more enhancing and sustainable future.

### **Achievements and Performance**

The year ended 30 June 2021 has been a challenging year with the postponement of one of our main fundraising events, the London Marathon. Even in these challenging times we managed to raise £33,248 and we thank our generous donors for their support and contributions. Whilst this is a big reduction from previous year, we were faced with funding without the London Marathon. We pressed ahead with our project to install electricity in Auro Foundation in Uganda and this was a huge success.

### **Financial Review**

During the year the Charity's total income was £33,248 (2020: £50,342). Total expenditure during the year amounted to £51,753 (2020: £55,435). The net income / (expenditure) during the year was (£18,505) [2020: (£5,093)].

### **Reserves Policy**

The charity needs to have sufficient reserves to enable it to meet its charitable obligations should there be an unexpected donation shortfall. The existence of unrestricted reserves also offers the charity flexibility to plan and fund major projects within its current programmes in India and Uganda. The trustees have agreed that the charity will have reserves equivalent to twelve months of income (based on the year ended 30 June 2018 income of £66,573), which will be reviewed annually to ensure that sufficient funds are available to meet the charity's obligations. The remaining funds are set aside for operational and programme investment. As at 30 June 2021 total general reserves were £148,625 which is well above this level. Structure, Governance and Management The charity is constituted as a company limited by guarantee and is therefore governed by its memorandum and its articles of association. The trustees meet on a regular basis to make decisions and monitor the work of the charity. The board of trustees is authorised to appoint new trustees to fill new vacancies arising through the resignation or death of an existing trustee.

In shaping our objectives for the year and planning our activities, the trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit and have complied with section 4 of the Charities Act 2011

### **Plans for future periods and impact of COVID19 on charity's activities and financial stability**

Our goal for the future is to support the schools we work with and help them operate successfully in these ongoing challenging times. We have sufficient reserves in place to continue our ongoing activities even if our donations were to drop over the next 12 months.

The departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Designated funds are unrestricted funds earmarked by the trustees for particular purposes.

#### g) Expenditure

- Costs of raising funds relate to the costs incurred by the charitable company in inducing third parties to make voluntary contributions to it, as well as the cost of any activities with a fundraising purpose
- Expenditure on charitable activities includes the costs of performances and choral singing activities undertaken to further the purposes of the charity and their associated support costs
- Other expenditure represents those items not falling into any other heading

#### h) Allocation of support costs

Resources expended are allocated to the particular activity where the cost relates directly to that activity. However, support costs, being cost of overall direction and administration of each activity, comprising the salary and overhead costs of the central function, is apportioned on the basis of estimated staff time attributable to each activity.

#### k) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
