Trustees' Report for the year ended 30 June 2023

The trustees present their report and the financial statements for the year ended 30 June 2023. This is also a Directors' Report required by s417 of the Companies Act 2006 and all trustees are directors.

This Trustees Report and the associated Financial Statements have been prepared in accordance with guidance for preparing Charity Accounts and Reports presented in "Accounting and Reporting by Charities: Statement of Recommended Practice" and are therefore in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (effective 1 January 2019) - (Charities SORP FRS 102) together with The Companies Act 2006 and the requirements of the Memorandum & Articles of Association.

Objectives and Aims

The objective of One Cause is the advancement, improvement and provision of education and training of children and adults in particular but not exclusively by establishing or working in collaboration with educational institutions. One Cause is committed to raising awareness and funds for the provision of education and improvement of lives to those around the world that have little hope of being given the opportunity to flourish. Our aim is to provide a socially, financially and environmentally self-sustaining model so that local communities are empowered and equipped to pursue a more enhancing and sustainable future.

Achievements and Performance

The year ended 30 June 2023 has been a great year of fundraising efforts with two London Marathon events, our major fundraising event held in October 2022 and April 2023. In total, we managed to raise £79,927 up 39% from last year and we thank our generous donors for their continued support and contributions.

Financial Review

During the year the Charity's total income was £79,927 (2022: £57,668). Total expenditure during the year amounted to £46,979 (2022: £86,570). The net income during the year was £32,948 (net expenditure 2022: £28,902).

Reserves Policy

The charity needs to have sufficient reserves to enable it to meet its charitable obligations should there be an unexpected donation shortfall. The existence of unrestricted reserves also offers the charity flexibility to plan and fund major projects within its current programmes in India and Uganda. The trustees have agreed that the charity will have reserves equivalent to twelve months of income (based on the year ended 30 June 2023 income of £79,927), which will be reviewed annually to ensure that sufficient funds are available to meet the charity's obligations. The remaining funds are set aside for operational and programme investment. As at 30 June 2023 total general reserves were £166,311 which is well above this level.

Structure, Governance and Management

The charity is constituted as a company limited by guarantee and is therefore governed by its memorandum and its articles of association. The trustees meet on a regular basis to make decisions and monitor the work of the charity. The board of trustees is authorised to appoint new trustees to fill new vacancies arising through the resignation or death of an existing trustee.

Statement on Public Benefit

In shaping our objectives for the year and planning our activities, the trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit and have complied with section 4 of the Charities Act 2011

Trustees' Report for the year ended 30 June 2023

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- a) select suitable accounting policies and apply them consistently;
- b) observe the methods and principles in the Charities SORP;
- c) make judgments and accounting estimates that are reasonable and prudent;
- d) state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- e) prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping proper accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the Statement of Recommended Practice, 'Accounting and Reporting by Charities (SORP FRS 102)', and in accordance with the special provisions of section 419(2) of the Companies Act 2006 relating to small entities

The report was approved by the trustees on 20th March 2024 and signed on their behalf by:

Expenditure on charitable activities includes the costs of performances and choral singing activities undertaken to further the purposes of the charity and their associated support costs

Other expenditure represents those items not falling into any other heading
