Names of the trustees for the charity, if any, (for example, any custodian trustees)

Name	Dates acted if not for whole year

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Trustees had regard to the guidance issued by the Charity Commission on public benefit

Noreen's Kids exists to raise funds in the U.K. which are transferred to help fund the activities of a Romanian registered charity "Fundatia Cuvioasa Paraschiva" (The foundation of St Paraschiva) – FCP. The money raised in the U.K. helps to pay some of the running costs of this charity, which is entirely staffed by Romanian personnel except for the director, Noreen O'Gorman, a retired district nurse from the UK.

FCP has 2 elements

- 1) We care for around 10 severely disabled children and young adults in a residential setting providing pretty much one to one care for the most needy children.
- 2) We visit families in a wide area around Slobozia providing support for families caring for sick children and young adults in their own homes often living in conditions of considerable poverty.

The support given depends on their needs – everything from supplementing food and Winter fuel (wood usually) to providing nursing care which sometimes involving help with domiciliary palliative care.

Most importantly we provide advice and advocacy to make sure these very vulnerable families are getting the grants and support to which they are entitled from the Romanian government. We also facilitate access to appropriate medical care from the Romanian health services when this is needed and often help with transport to medical appointments

Additional details of objectives and activities (Optional information)

You may choose to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

We continue to encourage local Romanian involvement in the work of the charity.

Local schools donate shoe boxes with Christmas presents for poor families.

We are well supported by the Orthodox church which regularly makes donations in kind of food etc.

The Romanian staff continued to care for those children in residential care. During the early part of the year owing to ongoing COVID restrictions in the community, we were not able to be involved as much as we would have liked in the community work.

We owe a huge debt of gratitude to Noreen's Kids loyal supporters and volunteers in the UK, without whose fundraising activities none of FCP's work would be possible.

Section E**Financial review****Brief statement of the charity's policy on reserves**

We aim to have at least 3 months operating costs in reserve.
However as stated above we currently have 9-12 months of reserves.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The funds transferred from Noreens Kids are the principal source of income for the charity in Romania (FCP)
Operations in Romania are also supported by funds from an Irish Charity – Caring Hearts and Hands and from some supporters in USA who transfer funds directly to Romania.
Funds transferred to Romania support the running of the residential unit and the support of community families caring for chronically ill children and adults, in their own homes.

To reduce risk, and maintain flexibility for making of grants, surplus monies are held in a bank deposit account and not invested more widely.

Respective
responsibilities of
trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

The charity's trustees consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed. [The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [named body]]. Delete [] if not applicable.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the applicable Directions given by the Charity Commission (under section 145(5)(b) of the Act, and
- to state whether particular matters have come to my attention

Basis of independent
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent
examiner's statement**

In connection with my examination, no material matters have come to my attention (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
