INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF

THE INSTITUTE FOR DAYANIM

I report on the Financial Statements of the Charity for the year ended 30 April 2023, which are set out on pages 6 to 9.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The Charity's Trustees are responsible for the preparation of the Financial Statements. The Charity's Trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the Financial Statements under Section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission under Section 145 (5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINER'S REPORT

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the Charity and a comparison of the Financial Statements presented with those records. It also includes consideration of any unusual items or disclosures in the Financial Statements and seeking explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and no opinion is given as to whether the Financial Statements present a "true and fair view" and the report is limited to those matters set out in the statement below.

INDEPENDENT EXAMINER'S STATEMENT

In the course of my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in, any material respect, the Trustees have not met the requirements to ensure that:

- proper accounting records are kept (in accordance with Sections 130 and 131 of the 2011 Act); and
- Financial Statements are prepared which agree with the accounting records and comply with the accounting requirements of the 2011 Act; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the Financial Statements to be reached.

INSTITUTE FOR DAYANIM

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2023

3. ACCOUNTING POLICIES *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured.

Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.
