## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

To promote the science of radio astronomy and all branches of radio astronomical research. This is done by designing, manufacturing and selling radio astronomy equipment for amateur astronomers, scientists and other interested people.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

During 2025 our main activities were:

- Building and selling a range of equipment and books to amateur scientists in the UK and overseas. This equipment assists people to make observations and develop their interest in radio astronomy.
- The Trustees gave presentations to the British Astronomical Association, local astronomy societies, amateur radio societies and other interested groups introducing radio astronomy to their members.
- The Trustees provide technical support to customers and people interested in radio astronomy via online forums and one-to-one teleconference. This support covers the use of our equipment as well as general advice and encouragement to beginners.
- UKRAA funds an online discussion forum for matters relating to the muon detector product and cosmic ray science. The forum is moderated by two of the Trustees.
- The Trustees have had regard to the guidance issued by the Charity Commission on public benefit.

**Additional details of objectives and activities (Optional information)**

All of UKRAA's activities are undertaken by volunteers, this includes the Trustees. Our volunteers have specialist skills in electronics design and assembly and UKRAA are alert to identifying skills gaps and finding new volunteers as needed. This year a software specialist joined our team to support the development of new products

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

**Summary of the main achievements of the charity during the year**

The UKRAA supported an international conference for people interested in amateur radio astronomy. The European Conference on Amateur Radio Astronomy 2025 (EuCARA25) was held at Harwell Oxfordshire for 3 days in September, this is the first time the event had been held in the UK. 78 people participated and there were talks, technical demonstrations, site visits to facilities on the Harwell campus.

UKRAA provided financial and practical support to the Conference. UKRAA sponsored the catering for a social event and two Trustees were instrumental in the organisation of the event.

A new muon detector was developed and is now available for purchase. This device is a significant improvement on the original produce and has sold well. This device has been purchased by schools, universities and interested amateurs. We have also supplied detectors to science based charities to use in their education and outreach work, for example high altitude balloon flights for school age children.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **DD / MM / YYYY**.

**Responsibilities and  
basis of report**

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent  
examiner's statement**

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. *Delete [ ] if not applicable.*

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below \*) in connection with the examination which gives me cause to believe that in, any material respect,:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Charity registration number: 1123866

## Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To promote the science of radio astronomy and all branches of radio astronomical research.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	During 2023 our main activities were: <ul style="list-style-type: none"><li>▪ Building and selling a range of equipment and books to amateur scientists in the UK and overseas. This equipment assists people to make observations and develop their interest in radio astronomy.</li><li>▪ The Trustees give presentations to the British Astronomical Association, local astronomy societies, amateur radio societies and other interested groups introducing radio astronomy to their members.</li><li>▪ Two of the Trustees attended the European Conference of Amateur Radio Astronomers and presented a paper about our particle detector.</li><li>▪ The Trustees provide technical support to customers and people interested in radio astronomy via online forums and one-to-one teleconference. This support covers the use of our equipment as well as general advice and encouragement to beginners.</li></ul>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The Trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Policy on social investment including program related investment	Para 1.38	Not applicable.
Contribution made by volunteers	Para 1.38	<p>During 2023 we recruited three new volunteers who are able to carry out the fine soldering needed to assemble our particle detector product.</p> <p>Other volunteers with specialist design skills provide assistance as needed for specific projects and products as needed.</p> <p>This is in addition to the continuing work of the Trustees and existing volunteers building our other products.</p> <p>A new Trustee was appointed in November. Richard Knott was one of our volunteers and was invited to become a Trustee in November 2023. Richards professional background in radiation physics and teaching combined with an enthusiasm for astronomy and outreach was a good fit with the other Trustees.</p>

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>In 2023 the main achievements were:</p> <ul style="list-style-type: none"> <li>▪ In 2022 we started to sell a particle detector which records the effects of cosmic rays interacting with the Earth's atmosphere. We are not aware of any similar device being available for sale and the sales indicate that there is a strong interest in cosmic rays from the astronomy community.</li> <li>▪ The particle detector is being used by schools and universities for teaching physics (a STEM subject). We have supplied educational establishments in the UK, Spain, South Korea, Ireland, Germany, Macau and the USA. The detector was originally developed for undergraduate teaching and we will continue to encourage its use in STEM.</li> </ul>

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **DD / MM / YYYY**.

**Responsibilities and  
basis of report**

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent  
examiner's statement**

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. *Delete [ ] if not applicable.*

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below \*) in connection with the examination which gives me cause to believe that in, any material respect,:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
