#### **Achievements and performance**

##### **a) Advancing the Christian Faith**

This year we have met on a Sunday morning and encouraged the people to get involved in their faith and journey with God. Advancing the Christian faith into our community has been expressed by how we love people and serve our community within the coffee shop. As a charity we are still investing and looking after people who suffer from heat poverty and have provided heat packs to over 120 people this winter Dec 23 to March 24. The Coffee shop has impacted a cross section of society with a safe place to dwell and talk about spiritual health and wellbeing. The church leads many programs throughout the year which include a Sunday Morning meeting, also we have encouraged people to go and visit other places of worship within the city of Stoke when there is a 5<sup>th</sup> Sunday in the month as we do not meet on a Sunday that week. We engage with other churches and often have guest speakers in from the churches of Stoke On Trent.

We have also worked many hours this year in the community center getting ready for many groups who use the hall.

##### **b) Furthering Christian Education**

We have signed up the leadership of the church to Legacy Leadership which is an online and weekend training course for Christians in places of influence. We meet and run educational courses throughout the year plus online web seminars. A range of external speakers have been used from all over the World via Zoom

##### **c) Relieving Need**

As a church we are committed to helping those in need and are doing this through our members engaging in homeless projects in the city of Stoke On Trent, The coffee shop helps with loneliness, antisocial behavior, heat poverty, mental health and cohesion and a safe place for the youth. We have provided food to family who needed help. We also provide a warm space throughout the winter and provide food and a hot drink free to those in need.

##### **d) Managing Facilities**

In September we completed the tenth year of operating Meir Park Community Centre under a 15 year lease signed in 2013, again exceeding the performance measure contained within the lease. This continues to be a strong arm for our work in the community. We also signed another lease agreement for an additional 9 years that will run after the 15 year lease finishes, this was needed as we required 10 yrs on the lease to be accepted for some community grant.

The finances are run in the same way as we have done for the last 7 years. All community rentals are paid into the community center account under Love Stoke Church. The Charity pays all the bills and repairs and any improvements within the community center. A management charge is applied to the Community Centre account to reflect this.

The cabin has been used to hold mother and baby classes, adoption agencies and fostering agencies use it on an ad hoc basis.

The main community building is used for many activities within Meir Park, Slimming World, Community Choir, Over 55, karate, Sunday church and one-off local events.

We continue to be very active within community groups and with Stoke City Council, who are very supportive.

Robert and Emily Price are the Senior leaders of Love Stoke Church.

#### **Financial review**

##### ***Policy on reserves***

The directors have considered the level of reserves they deem wise to retain, appropriate to the charity's needs. This is based on the charity's size and level of financial commitments held. The directors aim to ensure the charity will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. (If this occurred, we would sell the Portakabin which would release cash to temporarily cover any shortfall in income or unexpected expenditure). The directors will endeavor not to set aside funds unnecessarily. At 31 March 2024 the charity had unrestricted reserves of £102,362.71

### **Trustees' Report (Incorporating the Directors' Report)**

#### **Plans for future periods**

##### *Aims and key objectives for future periods*

We are looking to open the coffee shop 6 days a week in 2024 -25. This will give us the hub to really link in with the community and build strong relationships both with young and old. We also look to open up the cabin for small groups that need a place to meet but do not necessarily need a large hall. We have made more refurbishment in the community hall this year with finishing the heating system and making the hall a warm and efficient place to upkeep.

#### **Structure, governance and management**

##### *Nature of governing document*

Love Stoke Church is a registered charity and a company limited by guarantee incorporated on 29th March 2008 and is governed by its Memorandum and Articles of Association. The charitable company was administered by the trustees, who are also directors for the purposes of company law and are listed on page 2.

##### *Recruitment and appointment of trustees*

Love Stoke Church selects known potential trustees to fulfill a specific role within the board to provide levels of expertise necessary for the oversight and guidance to comply with our role and responsibilities as a charity.

##### *Induction and training of trustees*

To ensure that the potential trustee understands the role, guidance can be given including directing them to the Charity Commission's guidance for a well-run charity and guidance for a well-managed company.

#### **Risk Management**

The directors have examined other operational and business risks which they face and confirm that they are able to mitigate the significant risks.

#### **Small companies provision statement**

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

The annual report was approved by the trustees of the charity on **13/12/24**..... and signed on its behalf by:

## Notes to the Financial Statements for the Year Ended 31 March 2024

### 1 Accounting policies

#### Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

#### Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

#### Basis of preparation

Love Stoke Church meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

#### Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

#### Exemption from preparing a cash flow statement

The charity opted to adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

#### Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

#### Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

#### Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

## Love Stoke Church

### Notes to the Financial Statements for the Year Ended 31 March 2024

#### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### **Charitable activities**

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

#### **Governance costs**

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings and reimbursed expenses.

#### **Government grants**

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

#### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### **Tangible fixed assets**

Tangible fixed assets for use by the charity.

Substantial items are capitalised if they can be used for more than one year and will have continued value. They are valued at cost or, if gifted, at the value to the charity on receipt.

#### **Depreciation and amortisation**

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life on a straight line basis, the Board of Directors have agreed to increase the rate of depreciation in line with the end of the current lease (2028), so all assets will be written off before the new lease commences, as follows:

<b>Asset class</b>	<b>Depreciation method and rate</b>
Equipment	20%
Vehicles	20%
Modular Building	20%
Building Improvements	20%

## Love Stoke Church

### Notes to the Financial Statements for the Year Ended 31 March 2024

#### Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

#### Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

## 2 Charity status

The charity is limited by guarantee, incorporated in England, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £10 towards the assets of the charity in the event of liquidation.
