Trustees' Report	1-4
Independent Examiners Report	5
Statement of Financial Activities	6
Balance Sheet	7
Statement of Cash Flows	8
Notes to the financial statements	9-13

The trustees are pleased to present their annual directors report and financial statements for the period ended 31 August 2024 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 and comply with the charity's trust deed, the Charities Act 2011, the Companies Act 2006, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Objects and policies

The object of the charity is to advance the education of the public, including education in the Islāmic religion and such other courses for the benefit of the community as the trustees shall think fit.

To advance the Islāmic religion for the benefit of the public and to promote such other charitable purposes as the trustees may from time to time determine.

The principal work of the charity is to educate students who will graduate as well educated Muslim Scholars, Imāms and guides with knowledge, appreciation, awareness and understanding of Islām's emphasis on mutual respect, social harmony, peace, tolerance, dignity and chivalry.

The ethos of Islāmic Knowledge and our institute is to make ourselves and our students aware of man's obligations towards their Creator, parents, spouse, relatives, neighbours, friends, teachers, juniors, fellow citizens, society and ourselves.

Structure, governance and management

The charity is a company limited by guarantee and not having a share capital is governed by its Memorandum and Articles of Association.

The directors of the company are its trustees for the purpose of charity law and throughout this report are referred to as the trustees. The trustees as Charity Trustees have control of the company and its property and funds.

The company was incorporated on 8th November 2007.

The company was registered as a charity on 16th May 2008.

The trustees named on the front sheet have served throughout the period.

Each member undertakes to contribute to the assets of the company in the event of the company being wound up to a limit not exceeding £10 (ten pounds).

The trustees agree the broad strategy and areas of activity of the company in accordance with the Articles of Association and the charitable objects set out above.

On a day to day basis the senior management team and the School Director who are answerable to the Board of Trustees run the Darul Uloom.

Policies and procedures adopted for the induction and training of trustees

The company recognises that it has a responsibility to provide guidance and assist new trustees in fulfilling their duties and responsibilities. This is done in accordance with Charity Commission guidance. New trustees are given appropriate Charity Commission publications.

Achievements and performance

All praise is to the Almighty through whose grace 2023/24 has been a productive, successful yet a challenging year for Darul Uloom Dawatul Imaan, like all other educational institutions.

We pray that the Almighty continues to grant our institute the same level of success in the future. Aameen.

The school opened its doors to the students to return in early September. New students joined a week later and were settled in.

The Darul Uloom continues to provide educational facilities for 158 students, from across the UK and EU. In total 108 students are currently studying Aalimiyat (Islamic Sciences). In Hifz class (memorising the Qur'an) there are currently 50 students. This year by the grace of the Almighty 5 students completed their memorisation of the Quran.

Students who are currently of compulsory school age are 99. Core and non-core National Curriculum subjects are covered and are part of the syllabus. There are in total 5 year groups (Year 7-Year 11) and the syllabus for each year group included the core subjects' English Language, English Literature, Maths and Double Award Science. Students are also taught ICT, History, Citizenship, PSHE, RE, Arabic and Urdu.

Students in years 10-11 alongside the core subjects study ICT, Urdu, and religious Education, History and Arabic.

Students sat their GCSE exams. Alhamdulillah the results were pleasing. Further to this, student's post 16, are studying A level in Arabic, Maths, Chemistry and Sociology.

Together with providing high standards of academic education, the Darul Uloom endeavours to promote a high level of spiritual, moral and social awareness and exemplary conduct among its students, which has always been the characteristic of Islamic Scholars throughout the generations.

The school has a friendly atmosphere where the students learn and adapt to get on with others, have the opportunity to meet and live with students from different backgrounds and cultures. This improves their interaction and communication skills.

To aid the institutes' personal development as leaders and independent citizens, mental wellbeing assemblies and careers sessions were arranged both by external agencies and in school sessions.

Students were also given opportunities for work experience within the school to assist in their career guidance along with visiting the apprenticeship shows where they learn from professionals in their field and explore different career routes.

Amongst other enrichment activities students were taken on a community day. Gifts on behalf of the school were given in the holiday season and students helped clean the local neighbourhood. Feedback received from neighbours was very positive. Students also contributed towards the local food bank, along with raising funds for different charities locally and nationally.

Construction Project

Along with continual improvements to the facilities such as washrooms, the institute plans on expanding its facilities to help enrich it's curriculum and provide the best possible facilities for the students, so they may become ambassadors and leaders of their communities.

The institute hopes to develop a sports centre to help improve student's personal development and welfare. Along with this, a refurb of the old buildings to help facilitate further opportunities in the national curriculum. This project will provide further state of the art facilities such as science labs, design technology workshops and an increase in classrooms.

However, this will require investment. Trustees and School leaders have raised funds towards these projects.

Future Plans

Our medium and long term goals are to continue to provide a high level of education with particular attention on each individual student's needs. To this end we annually review and strengthen our systems for target setting, monitoring and tracking of students' academic and all-round progress. Links have been made with external bodies to help monitor both the education and welfare within the school.

Links are currently being established with other boarding schools.

As you are aware, the government has introduced VAT for independent schools. The school has passed the full cost directly onto the parents. The first VAT payment was paid in April 2025 for the period January to February 2025.

Unfortunately in July 2024, there was a fatality on a school trip. HSE and the police are investigating the matter. The insurance provider has been informed. An inquest will convene, at present there is no date set for this.

The Trustees and management team acknowledge the support and assistance of the staff, volunteers and donors, without whom the progress made to date, would not have been achieved. We would like to extend our gratitude to all those who have contributed to Darul Uloom Dawatul Imaan for their support, regardless of the size of the contribution and at the same time appeal to all our well-wishers to continue with their moral, physical and financial support.

May the Almighty grant blessings for what has been achieved during the period of the past twelve months and may He shower us with further blessings and barakah in the future years. May He accept the efforts of all the Trustees, staff and volunteers for Aameen

Financial review

In this financial period, the charity has been in deficit. This deficit has been met by the interest free loans and donations received from well-wishers and members of the community.

We are actively seeking funding to sustain our projects, primarily to repay existing loans received for the construction project. At the same time to be able to continue providing subsidised level of education for students.

Risk management

The trustees actively assess the major risks to which the charity is exposed through regular meetings and believe that increasing reserves, combined with an annual review of controls over key financial systems, will provide sufficient resources in the event of adverse conditions.

In the course of the period the trustees have reviewed the need to maintain adequate resources, and as referred to in the financial review, to provide reserves sufficient for both working capital and future resource needs.

Reserves policy

As at 31 August 2024, the company had negative reserves of £157,659 of which £1,696,502 is represented by construction progress on the new building and £1,686,863 of loans given to support the project.

It is the goal of the trustees to achieve a level of reserves such as to secure the future of the Darul Uloom Dawatul Imaan.

Statement of trustees' responsibilities

The Charity Trustees (who are also directors of Darul Uloom Dawatul Imaan for the purposes of company law) are responsible for preparing the trustees' annual report and financial statements in accordance with Applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a

true and fair view of the state of affairs of the company and of the incoming resources and application of resources of the company for that period.

In preparing financial statements giving a true and fair view, the trustees are required to:

- a) select suitable accounting policies and apply them consistently;
- b) make judgements and estimates that are reasonable and prudent;
- c) state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and;
- d) prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in operation.

The trustees acknowledge their responsibilities for ensuring that the company keeps accounting records which comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approval

This report was approved by the trustees on 4th June 2025 and signed on their behalf by:

Signed Vashiullah Bodiya
On behalf of the board of trustees

I report to the charity trustees on my examination of the accounts for the company for the year ended 31 August 2024.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006.

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of your charity's accounts as carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a qualified member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

- accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination: or
- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Use of my report

This report is made solely to the charity's trustees, as a body.

My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an Independent Examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work, for this report, for the statements I have made, or for the opinions I have stated.

1 Accounting Policies

1.1 Basis of preparation of accounts

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Assets and liabilities are recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

The Charity meets the definition of a public benefit entity as defined by FRS 102.

The financial statements have been prepared on the going concern basis which assumes that current and future sources of funding and support will be more than adequate for the charitable company's needs.

1.2 Company status

The Charity is a company limited by guarantee. Membership of the company is open to individuals who apply to the Charity in the form required by the Directors; who adhere to the teachings of the Qur'an and The Sunnah of Rasoolullah (saw) and his righteous companions according to the interpretation and accepted view of the Ahlus Sunnah Wal Jamaa'ah and as expounded by the Pious Predecessors of the four recognised schools of Jurisprudence and in particular the founding scholars of Darul Uloom Deoband and are approved by the Directors.

In the event of the company being wound up, the liability in respect of the guarantee is limited to £10 per member of the company.

The number of members as at 31st August 2024 was 3.

As the company does not trade for profit, the trustees have taken advantage of Section 474(2) of the Companies Act 2006 and have prepared an income and expenditure account instead of a profit and loss account.

1.3 Funds structure

Unrestricted funds comprise those funds which the trustees are free to use in accordance with the charitable objects.

Restricted funds comprise the 'New Project' fund for the construction of a new building as outlined in the Trustees report.

1.4 Income

All incoming resources are included in the Statement of Financial Activities when the Charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies apply to categories of income:

Donation of services and facilities are included at the value to the Charity where this can be quantified.

Donated goods for ongoing use by the Charity are recognised as tangible fixed assets and included as incoming resources when receivable.

No amounts are included in the financial statements for services donated by volunteers.

Incomings are stated before all expenses.

1.5 Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Charitable Activities comprise all costs identified as wholly or mainly attributable to achieving the charitable objects of the Charity, including the costs of disseminating information in support of charitable activities. These costs include staff costs, wholly or mainly attributable to ensuring the public accountability of the Charity and its compliance with regulation.

1.6 Pensions

The charity operates a stakeholder pension scheme for its employees. The charity has no liability beyond making its contributions and paying across the deductions for the employee's contributions.

1.7 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost. Depreciation is provided on all tangible fixed assets, except freehold land, at rates calculated to write off the cost on a straight-line basis over their expected useful economic lives using the following rates:

Fixture, Fittings & Equipment	20 % Straight Line
Leasehold Premises Improvements	4% Straight Line
Freehold	4% Straight Line

1.8 Debtors

Debtors are recognised at the settlement amount due after any discounts offered

1.9 Cash at bank and in hand

Cash at bank and in hand includes cash and any short term highly liquid investments and deposit accounts.

1.10 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any discounts due.

1.11 Financial instruments

The charity has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently at their settlement value.
