## **STRUCTURE, GOVERNANCE AND MANAGEMENT**

### **Governing document**

The Charity is a Company limited by guarantee. It was incorporated on 7 March 2008 and registered as a charity on 17 May 2008. It is governed by its memorandum and articles of association.

### **Recruitment and appointment of new trustees**

The initial trustees were appointed because of their knowledge and understanding of the aims and objectives of the Charity. New trustees are appointed by the existing trustees who will consider on a regular basis, whether additional trustees are required to fulfil specific roles within the Charity. In identifying new trustees consideration will be given to their background, relevant skills and knowledge of the area in which the Charity operates. The overriding requirement for all trustees is that they must be in sympathy with the Charity's objectives and are able to offer time and skills to support the Charity.

New trustees will receive training from the Charity's professional advisors and the existing trustees.

### **Risk management**

The trustees are assessing the major risks to which the Charity is exposed and believe that by monitoring reserve levels, ensuring controls exist over key financial systems and by examining the operational risks faced by the Charity, they have established effective systems to mitigate those risks.

## **OBJECTIVES AND ACTIVITIES**

### **Objectives and aims**

The objects for which the Charity is established are:-

- (1) To advance the education of the public and in particular the Italian community in the United Kingdom:
  - (i) in the subjects of literature, science and art; and
  - (ii) by providing and assisting in the establishment of lectures, classes, examinations, bursaries and scholarships.
- (2) To advance education in the Italian language and culture.
- (3) To relieve the mental and physical sickness of the general public, and in particular the Italian community in the United Kingdom through the provision of financial assistance and support to convalescent and residential care homes, hospitals, infirmaries or any other charitable institutions.
- (4) To benefit persons of Italian descent who are resident in the United Kingdom by relieving either generally or individually those who are in conditions of need, hardship or distress.
- (5) The promotion of equality and diversity for the public benefit by, for example:
  - (i) advancing education and raising awareness about peoples from different countries or racial groups to promote good relations between such persons;
  - (ii) promoting knowledge and mutual understanding between peoples of different countries or racial groups; in particular between the British and Italian communities in the United Kingdom.
- (6) To promote for the benefit of the Italian community in the United Kingdom the provision of facilities for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age, infirmity or disablement, financial hardship or social and economic circumstances or for the public at large in the interests of social welfare and with the object of improving the condition of life of the said inhabitants.
- (7) Such other charitable purposes as the trustees shall in the absolute discretion from time to time decide.

### **Grant making**

Grant applications are welcomed from individuals and groups from the Italian community living in the United Kingdom. Applications are assessed to ensure that they meet the objectives of the Charity and benefit numerous people. Approval for payment is given at trustee board meetings.

## **ACHIEVEMENT AND PERFORMANCE**

### **Public Benefit**

The trustees have paid due regard to the Charity Commission's guidance on public benefit. They wish to ensure that the widest possible public benefit is secured within the parameters set down in the memorandum and articles of association. They achieve this by considering all applications submitted to them and will consciously seek to make grants to a wide range of applicants.

### **Achievement**

During the year the Charity was able to continue grant making and made grants to seven eligible groups.

### **Investment performance**

Investment performance reports are made once a quarter by the investment managers. The reports show an average net portfolio return of -5% (2021: 0%) was achieved during the year. Income received from investments in the period was £36,910 (2021: £35,513). Realised losses on investments during the period were £16,783 (2021: realised gain £96,396). Unrealised losses on investments at 30 June 2022 amounted to £125,868 (2021: unrealised gain £229,595).

## **FINANCIAL REVIEW**

### **Reserves policy**

The Charity was set up to receive a single donation from the members of the Mazzini Garibaldi Club Limited and does not anticipate receiving any further substantial donations in the foreseeable future and has no plans to carry out fundraising activities.

The Charity intends to exist for many years providing support to eligible groups from income derived from Investments. Accordingly, the Charity's policy on reserves is to strive to maintain the original capital base as adjusted for movements in the retail price index and to distribute annually (on average) any surplus returns on investment arising.

The Charity will, however, also consider requests for more substantial donations on a case by case basis and will continue to review its reserve policy in the light of experience of requests for funding received.

### **Investment policy and objectives**

The trustees have full unrestricted powers of investment.

Investments are managed through appointed investment advisors whose overall objective is to "Aim to enhance the real value of the Charity's initial investment over a five year time horizon". The Trustees aim to achieve a return that maintains the real (inflation adjusted) value of the capital whilst also delivering a cash flow to meet charitable grants and donations. The Trustees wish to follow a total return approach. Sufficient liquidity and cash reserves should be maintained to meet annual donations and grants requirements.

## **FINANCIAL POSITION**

Total income in the period comprised of interest received of £141 (2021: £56), dividends received of £36,789 (2021: £35,457) and realised losses on investments of £16,783 (2021: realised gains £96,396). Costs were incurred in managing the Charity's investments and during the year the Charity made grants totalling £41,400 (2021: £20,000).

The Charity has funds to carry forward of £2,045,244 (2021: £2,207,878). There are no restrictions placed on these funds although the trustees have decided that grants will be mainly made out of the income received from the investments.

## **FUTURE DEVELOPMENTS**

Now that the Charity has an established investment base, the trustees are able to offer grants and will continue to develop the Charity's links with potential beneficiaries and raise the profile of the Charity.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

## **STATEMENT OF TRUSTEES' RESPONSIBILITIES**

The trustees (who are also the directors of Mazzini Garibaldi Foundation for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees of the charity on 17 April 2023 and signed on its behalf by:
