Agents Giving

Report of the Trustees for the Year Ended 31 December 2023

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of Agents Giving are to encourage, support and promote fundraising of estate and letting agents and suppliers to the property industry. Agents Giving encourage the industry to get behind charitable fundraising initiatives and do their bit to help make a difference in their local communities, charities and to causes that mean so much to them.

Agents Giving support by offering a grant fund to help with the set-up costs of their fundraising event, so that more of the money they raise goes directly to the charity of their choice. Agents Giving promote these good deeds and other fundraising activities in the industry through marketing and promotion in social media, press releases and on the website.

The aim is to help agents maximize their fundraising efforts and support a wide range of charities and community projects, this allows for more engagement with lettings and estate agents and significantly increase the amount of money raised. Agents Giving also organize and host fundraising events to allow funding for the grants which are made, to galvanize the industry, have fun and pull people together all for charity. These events are a great way to tell new supporters more about who we are, what we do and how we can help them.

Grantmaking

Procedures and policy for grant making.

Agents Giving has a formal application form for grant making which is available on the Agents Giving website. Applications and requests should be sent to the charity's fundraising team who will consider the application and, if suitable, put forward for consideration by directors at board meetings.

STRATEGIC REPORT

Achievement and performance

Fundraising activities

As in 2023, the plan for 2024 was to continue to raise awareness of Agents Giving amongst the estate agency industry and to encourage as many individuals and companies as possible to be involved in fundraising activities and do something great for charity no matter how big or small.

Agents Giving were able to support this by promoting good deeds by the industry which made such a huge difference in their local communities for charitable causes, community groups, individuals in need, the elderly, homeless and vulnerable.

Agents Giving organize a Supporters Scheme whereby agents sign up to for an annual fee of £99 to show their support, this works well for agents who may not have the time to get involved in a fundraising event themselves, but they want to do something to help make a difference. Participating agents receive promotional material to use as well and their own web page to promote their company. In 2023 the scheme raised £4,945 with 50 sign ups. In 2023 Agents Giving raised £189,589 in total from the different sources, donations, activities, and fundraising events. Building on the successful fundraising events in 2022 we organized the following principal events during 2023:

Agents Giving Day - Industry wide Fundraising Day where the Property Industry are encouraged to collect items and fill a food parcel to deliver on to their local food banks or carry out a good deed for their local food bank such as fundraising or volunteer for the day. This resulted in thousands of food items being collected and donated to local food banks.

Donate a Winter Coat Initiative - a winter coat collection with hundreds of coats being donated to many homeless shelters and charities. Donations were also made directly to the homeless community on the streets of London. We also collaborated with another charity - Only a pavement Away to organize the donations across the main cities of the UK.

Donate a Food Parcel Initiative - this was ongoing throughout the year with thousands of foods, toiletries, sanitary items and baby products were donated to food banks around the UK with people supporting their own local food banks.

Agents Giving Dragon Boat Race - Fundraising for Magic Moments children's charity.

Agents Giving Charity Golf Day - Fundraising for Agents Giving at the Morley Hayes Golf Resort in Derbyshire.

Agents Giving Summer Ball 2023 - Strictly Agents Dancing and Fundraising Champions Awards, this was an evening of celebration recognizing those in our industry of go the extra mile for their charities, setting a great example for others to follow.

The Agents Giving Charity Golf Day 2023 organized by Agents Giving Chairman David Newnes and Board Member Gareth Samples at Morley Hayes Golf Club, Derbyshire. Eighteen teams registered their four ball teams for an eighteen-hole shotgun start round of golf. All players were invited to a three-course dinner, complete with a fundraising raffle and charity auction. The event raised £13,051.

Agents Giving Charity Golf Day 2023 at Donnington Valley, Old Oxford Rd, Donnington, Newbury RG14 3AG organized by Agents Giving Chairman David Newnes and Board Member Gareth Samples. Eighteen teams enjoyed a great sunny day on the golf course with breakfast, a three-course dinner auction and raffle. The day raised £6,515.

The Agents Giving Dragon Boat Race took place in September and took place at Fairlop Waters, Essex. The event saw twelve property industry teams enjoy the racing on the lake for charity with the total funds raised being £8,079 for Agents Giving.

Agents Giving fundraisers and supporters were kept up to date with regular e-mail communications, the Agents Giving website and on social media - Facebook, Twitter, LinkedIn and Instagram. We continued to work on raising awareness of the charity with news and updates alongside regular press releases to the trade press. We promoted an industry wide campaign urging agents to donate a coat during the winter months to a homeless shelter or charity, whereby hundreds of coats were collected and donated on a local level. We similarly asked agents to collect and donate food items to their local food bank which resulted in literally thousands of items being collected and donated to The Trussell Trust food banks and other food bank centers around the UK.

The Agents Giving Christmas Stocking Appeal 2023 - Engaging with the property industry to encourage collections and donate festive chocolates and luxury food items to be donated to local food banks to families who were unable to afford these luxuries at Christmas time, many donations were made, and we had a very good take up with these.

Agents Giving were the chosen charity for support and fundraising for several major industry events and referral schemes during 2023 including:

EA Masters supported Agents Giving at their awards and conference and raised £11,000 on the day for The Trussell Trust. Agents Giving were proud to be able to make the donation to the team at The Trussell Trust directly.

Worthy of note and thanks goes to the following for their sterling charity support and fundraising efforts Kerfuffle, Drivers & Norris, The Guild of Property Professionals, Propertymark and Social Angels.

Thanks to our Charity Partners Brief Your Market, EA Masters, Social Angels, Moneypenny, Property Academy, Kerfuffle, The Guild of Professional Estate Agents, Relocation Agent Network, and media supporters Estate Agent Today and The Property Reporter should also be noted for their considerable support during the year with their support, donations or services provided.

Thanks also to our Regional Ambassadors and their companies for their support and help to promote Agents Giving: Macleod & MacCallum, Clive Tanner Wyatt, Homebox, Pygott & Crone, Dawsons, PVS Media, Simply Conveyancing, Tenancy Deposit Scheme, Liana Loporto Property, Katy Poore Exp, Acaboom and The Depositary.

Agents Giving offer a small grant towards agents fundraising set up costs, which has proved very successful. Fundraisers are invited to apply for a grant to help cover the costs of putting on their fundraising event. As well as encouraging more agents to fundraise for charity and us to help them promote their events to a wider audience. This is funded by monies raised at Agents Giving events during the year and is supported by The Guild of Property Professionals and their referral donation campaign.

Patron, Chairman and Directors

TV personality and property expert Phil Spencer continued his support as the Agents Giving Patron.

Agents Giving Chairman David Newnes remains in this position as of 1st January 2023.

STRATEGIC REPORT

Future plans

Agents Giving continues to gain support throughout the property industry and to encourage fundraising on all levels, we aim to get all estate and letting agents as well as suppliers to the industry fundraising for their charities, communities and local causes via the Agents Giving grant fund. Agents Giving aim to continue to encourage, support and promote the industries general fundraising efforts.

Looking forward to 2024 the plan is to:

Agents Giving Fundraising Champion Awards and Agents Got Talent - is planned for July 2024, at Epsom Downs Racecourse in Surrey. A three-course dinner is planned for around 300 guests with awards ceremony for the Fundraising Champion Awards 2024. A charity raffle and auction are also planned for Agents Giving fundraising.

Three Agents Giving Charity Golf Days are planned, one in the North of England, one in the South of England and one in Birmingham - Agents and suppliers to the property industry are invited to play an 18-holes of golf, hosted by Chairman David Newnes and Board Director Gareth Samples at dates to be agreed in April and September. A three-course dinner is included with a fundraising auction and raffle in aid of Agents Giving and The Trussell Trust. Agents Giving will continue to build on existing events and expand further on the success of The Agents Giving Gala Ball and the fundraising champions awards in July 2024.

Agents Giving Day - we plan to run this campaign to engage even more agents and suppliers to collect and donate to their local food banks as an ongoing initiative. Agents Giving Day allows us that day or week in June where people can come together for as great cause. Each year thousands of food items are collected and donated to many local food bank centers across the UK.

Christmas Stocking Appeal - Supporting families in crisis at this festive season, by donating Christmas stockings full of sweet treats and Christmas chocolates for families.

Winter Coat Campaign - To engage the property industry to support the homeless by donating unloved warm coats where possible.

Continue to recruit further Board Directors.

Recruit additional Regional Ambassadors for further locations to assist in promoting events and fundraising at more regional level.

Continue to recruit Charity Partners and develop relationships with current partners (mostly industry suppliers) to donate goods and services or make financial donations to support the running of the charity and the grant fund. Partners already include The Property Academy, Social Angels (social media & video support) Brief Your Market (digital marketing services).

Agents Giving plan to have a mixture of online virtual Board Meetings and in person meetings planned for 2024.

We plan to explore the relationship with industry bodies as their chosen charity. To maintain further the relationship with The Guild of Property Professionals who support The Agents Giving grant fund with their £50 referral donation scheme through their members. Continue to support and help even more agents and suppliers to the industry by supporting with their fundraising set up costs. Plan to run further Agents Giving events and work alongside our supporters to provide even more opportunities to fundraise. Plan to run some fundraising initiatives to help some worthwhile causes and something that all agents' offices can be involved in including supporting their local food bank effort. Help the industry communicate and promote the great collective fundraising efforts, good deeds and Acts of Kindness to demonstrate how they are all making a huge difference to the charities and causes they support in their local communities.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Estate Agency Foundation ("EAF") changed its' name on 31st January 2014 to Agents Giving. It is a charitable company limited by guarantee. It was incorporated as a company on 18th February 2008 and was later registered as a charity with the Charity Commission on 7th June 2008.

The charity's governing documents are its Memorandum and Articles of Association.

The Articles of Association provide for a minimum of three directors but do not set a maximum number. Directors are appointed by the board of directors and retire by rotation after which they may put themselves forward for reappointment. The Board keeps the skill requirements under review and in the event that a director retires or additional new directors are required, the board asks for nominations.

New directors will receive a copy of the Memorandum and Articles, Annual Report, minutes and details of projects funded.

The directors meet four times a year and the day to day correspondence is delegated to the charity's fundraising team. The directors have considered the major risks to which the charity is exposed at a board meeting in July 2015. The identified risks are graded as to whether they are perceived as a high, medium or low risk to the organization. There were no major risks identified that had a risk grading of high. Systems are established to monitor and manage risks on an ongoing basis at board meetings.
