Structure, governance and management

Governing Document

The Charity is governed by a Trust Deed made on 5 March 2008.

Organisational Structure

The organisational structure of the Charity consists of the Trustees who determine the policies of the Charity and departmental heads who are in charge of various departmental functions of the Charity.

Governance and Management

The Chairman appoints members of the Core team who are responsible for various divisions and key result areas. The Trustees have agreed to restructure its Departments. Organisational structure underlies this decision as it was considered proper to be open and also respond promptly to changes in our communities.

New Departments have now been created and new volunteers have been given the opportunity to serve in various Departments and capacities.

Aims and purposes

The Trustees have the responsibility of running the Charity and promoting its values in line with its charitable objects which are as follows: 1. To advance the Christian Faith in accordance with the statement of beliefs in such ways and in such parts of the United Kingdom or the world as the Trustees from time to time may think fit.

2. To relieve sickness and financial hardship and to promote and preserve good health by providing funds, goods or services of any kind, including through the provision of counselling and support in such parts of the United Kingdom or the World as the Trustees from time to time think fit.

3. To fulfill such other purposes which are exclusively charitable according to the law of England and Wales and are connected with the charitable work of the Trust in such ways and in such parts of the United Kingdom or the World as the Trustees from time to time may think fit.

4. The Trustees must use the income and may use the capital of the Church in promoting the objects.

Achievements and performance

Achievements and Performance

The following are a summary of our achievements and performances.

Worship, Prayer and Education

Various activities were planned and successfully executed to the benefit of members of different communities. This resulted in effective engagement with various communities where the Charity functions.

1. The Trustees decided that it will continue to engage with the community through its monthly evangelism programme and various prayer meetings. The Charity placed an emphasis on weekly ministerial prayers in order to offer its members and visitors a very good service. This is also to encourage cohesion in the community.
2. The training and development of members of the Choir is on-going.
3. The Charity trained its members corporately on the effective ways of praying. This is on-going.
4. The Charity ran Discipleship training programme and we are making arrangement for some members to be baptised.
5. The Charity still offers courses leading to formal theological qualification. The member of the Charity who was granted a scholarship has completed a Master's degree. The Charity has granted another scholarship to a member to complete a Master's degree in Theology.
6. The Charity is still working with a University to offer formal theological education to a group of pastors in the Far East and Australia. The emphasis on theological capital is to ensure that members engage in sound dialogue when confronted with ideas that are strange to the Christian faith.

Networking and Ecumenical Relationships

The Charity is still a member of the EVANGELICAL ALLIANCE. Apart from this achievement, we still continue to network with other Churches in our communities. Pastoral counselling and prayers are also offered to other ministers in the community.

Charitable Use of Church Facility

1. We are still planning to open the Church facility for parishioners to come for personal prayers outside our normal service days. This has further been encouraged by designating specific leaders to assist those who lack competency in this area.
 2. The Charity continues to provide pastoral care to those in need. The Community Team identifies various needs in the community and has delivered assistance to the needy.
 3. We supported the homeless and needy in London and Milton Keynes. This is on-going.
 4. We have successfully offered drop in services for counseling and prayers. This is on-going.
 5. We are planning a community-based programme during the Christmas/New Year festive period for the needy in various communities.

Pastoral care

1. The Charity's Prisons outreach has been providing spiritual support to prisoners who are in need. This is on-going.

2. We visited the sick in hospitals and in homes. Members were able to assist the sick by providing invaluable services which may be therapeutic and in a way contributed to the recovery of the recipients. The Charity decided that this should continue.

3. We provided regular funds to assist those in various needs, for example, bereavement, hardship and so on. The Trustees decided that this should be on-going.

4. The Charity runs a monthly Food Aid programme in the community. This is on-going.

Volunteers

The Charity continues to enjoy the services of various volunteers. The Trustees reiterate that the successes of the Charity could not have been achieved if not for the invaluable contributions of all those who volunteered, for example, members of the Core Team and Heads of Departments and their teams. The Trustees will like to thank the volunteers for their contribution and we pray that God will bless everyone.

Mission and Evangelism

In pursuance of our aim to communicate the gospel internationally, we successfully achieved the following:

1. We plan to expand and extend our services to other nations where there are growing demands. This is on-going.

2. The Trustees decided to continue supporting the International branches of the Church. This is on-going.

3. The Church has provided pastoral oversight through the leadership of the Chairman. This is on-going.

4. The Charity decided to promote good nutritional behaviour among members. We had several health promoting talks.

5. The Charity contributed to the refurbishment of a school in Nigeria.

Overseas Projects - Global Aid Mission

The Trustees' decision to invest in the welfare of various communities in Sierra Leone, Ghana and Nigeria will be executed when it is safe to do so. Committees have already been set up to manage the projects. The Charity is presently providing education and training to some youths in Nigeria, West Africa. This is on-going.

These projects were carefully selected after much due diligence which was aimed at protecting the Charity.

Independent Examiner's Report to the Trustees of DESTINY INTERNATIONAL CHRISTIAN ASSEMBLY

Year ended 31 December 2022

I report to the trustees on my examination of the financial statements of DESTINY INTERNATIONAL CHRISTIAN ASSEMBLY ('the charity') for the year ended 31 December 2022.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Going concern

As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102:

Judgements and key sources of estimation uncertainty

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

DESTINY INTERNATIONAL CHRISTIAN ASSEMBLY

Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

3. Accounting policies *(continued)*

Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and fittings	-	18% reducing balance
Motor vehicles	-	18% reducing balance

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.
