Apologies: No Apologies

Absent: Bro Abi-Matthew, Montgomery (Monty) Sis Sruthi, Trecelle, Shirley.

The Annual General Meeting was opened at 10:25am by our Pastor Louis Farquharson in prayer.

The meeting was called to order with housekeeping, rules of attendance and a reminder of the purpose of the AGM. Pastor Louis reminded us of the importance of attending the meeting and how late apologies are not acceptable.

Pastor then read Romans 8 and presented our governing document which is available for everyone to have a copy.

Sis Denise asked how the governing body shall be shared. Pastor responded that it is available to be printed or shared electronically.

All leaders are in an 'acting' role for the duration of the meeting.

The minutes of the last meeting were read by Sis Melissa and taken as a true record.

**Motion to accept the minutes:**

Accepted by Bro Jomal

Seconded by Sis Sandra

**Matters Arising from the minutes:**

Bro El-Makawi (Mack) mentioned that in the beginning of the report, his name was mentioned as El-Makawi, but later on in the report was referred to as Mack. Consistency should be remained throughout the report.

Sis Denise asked if we definitely finished around 6pm. Pastor Louis responded that yes, it was a long meeting.

**Break for Lunch at 12:30**

**Reconvened at 13:32**

Sis Melissa took the chair and introduced Pastor Louis Farquharson to give the Pastors Report.

**Pastor's Report:**

Pastor presented the Pastor's report and is available upon request. Some highlights from the report are as follows:

- This year we do not have a theme, and the church is aware of why that is.
- Numbers 13:30 – our theme for 2024 was "Purpose to Overcome"
- We continued with the same vision/focus from 2023, and will continue it

onwards in 2025.

- No Proposed trips for 2025, similar to 2024.
- Our focus for 2025 is “Prayer for Revival” but this is not going to happen if we are not revived.
  - Prayer has always been our best and most valuable investment in this present climate.
  - Spiritual warfare must also become a way of life for each and every believer. However, this is only going to come because we apply ourselves and not just because we want it.
  - Our warfare is real, but it’s too late for us to standby as spectators hoping and praying.
- 2025 Vision: Proverbs 29:18, Where there is no vision, the people perish: but he that keepeth the law, happy is he.

Sis Laverne asked why there is a difference between the income for Sunday

school books and the expenditure for it. Pastor and Sis Melissa responded that not everyone pays for their Sunday school books and it has been brought up several times before.

Bro El-Makawi asked if the current account balance equals to the Income vs expenditure. Pastor responded that yes, roughly it is.

Bro Alexander asked what miscellaneous/events income consists of. Sis Melissa said that she would look into it and provide Alexander with a response at a later date.

Bro John asked that regarding expenditure for family camp 2024, would it have been cheaper if we did not do self-catering (as the sum included expenses for food) Pastor responded that no, full board at Rock UK is more expensive than the self-catering option.

Sis Denise mentioned that it was actioned to check the storage garage that we have and assess if it is still needed. She asked if that action was carried out, to which Sis Melissa responded no. Another action is in place to check the storage garage to see if we can reduce the items that is there, or stop using the garage.

### **Youth Department**

Bro Alexander Farquharson presented the youth department report and a copy is available upon request.

Sis Antoinette mentioned that due to the outreach in march 2024, a bible study was conducted for several months.

Sis Alice thanked the youth for encouraging Noah in the Lord, and can see the

effects it is having on him spiritually in and out of church.

Pastor mentioned that the youth could see new members attending youth group, that their parents are not involved in church and/or saved. Therefore, we should be cautious that they do not depend their Christian life on the lifestyle of their parents.

The Annual General Meeting was opened at 10:39am by our Pastor Louis Farquharson in prayer.

The meeting was called to order with housekeeping, rules of attendance and a reminder of the purpose of the AGM. Pastor Louis reminded us of the importance of attending the meeting and how late apologies are not acceptable.

**Matters Arising from the minutes:**

Sis Sandra stated that Anya was listed as absent, but then was also listed as accepting some of the motions of the report. This was not able to be resolved.

Bro Monty asked if “Mrs Louis Farquharson” on page 26 of the report is correct. (Nigeria’s report) Pastor responded that for them, yes. It is their terminology.

Bro Jomal asked what a miracle service is. Pastor responded that it is a service dedicated for baptisms, dedications etc.

Bro John asked what is Pastor’s take on some of the terms is associated with King’s Chapel Apostolic Churches in Nigeria e.g., Grace Chapel. Pastor responded that he does not mind the name being used locally, but if it was to be used on an international level, then either KCAC name needs to be removed or their local name.

Bro John also pointed out the familiarity of almost all the Nigerian churches have the same vision as the UK (24 Souls) Pastor explained that is because he has shared it with them, and it should be achievable for them.

Bro John also asked why some things had 2022 associated with them, whilst others had 2023. Pastor responded that it is because they were reporting on the year 2022 but forecasting 2023 also.

Sis Denise asked if we normally read all the reports in detail. Pastor said yes but in previous years not all the reports were handed in.

Sis Melissa took the chair and introduced Pastor Louis Farquharson to give the Pastors Report.

### **Pastor’s Report:**

Pastor presented the Pastor’s report and will be available to read in the booklet.

**Motion to accept the Report:**

Accepted by Bro Alexander

Seconded by Sis Anya

Bro Craig asked about point number 5 of the vision mentioning men, but not referring to a men's department, and if there is a reasoning behind this. Pastor responded that the men's department has not existed for several years and only recently have the men come together again.

Bro John asked if there is a reason 24 souls have not been added to the vision this year. Pastor said that the 24 souls is still our objective. In 2023, we've had only 2 receive the Holy Ghost and only 1 person being baptised. We have shown by our actions the things we want to pursue, and do not pursue the things we need to.

Bro Mack asked if there's a requirement for a department to be created. Pastor responded that it must be in-line with the church vision or else the vision will not be achieved.

Everyone is given a chance to ask questions, and everyone is given a voice. We are free to ask questions and get involved. We don't value what we have. If we do not open our voices and get involved, we should not speak on these things later.

**Break for Lunch at 13:40**

**Reconvened at 14:40**

**Financial Report**

Sis Melissa presented the financial report and will be available to read in the booklet.

Sis Sandra asked if we could raise the price of Sunday school books to increase funds. Pastor responded that the biggest cost is the shipping, and that the biggest problem we have is that people just do not pay towards their Sunday school books.

Sis Joy addressed the amount of church rent presented and mentioned that it was a large sum that could be going towards our own building.

Bro Monty suggested that people pay in advance of their Sunday school books prior to ordering, to avoid chasing after people. Pastor responded that unless people make proactive choices i.e., standing orders, they will not do it. (Based on previous attempts)

Bro John asked if we had our own place, is our income going to be enough to cover payments? Pastor said we won't know as it is based on various factors such as our deposit, our mortgage interest rate etc.

Sis Denise mentioned that £7500 is a big sum towards church rent and is like a mortgage payment. Sis Melissa also reported that the figure quoted for Church rent expenditure for 2023 is higher than what was invoiced. The actual figure in total is around £9000.

Sis Emma asked if we could come together as a church and support in transporting church equipment instead of paying a sum towards hiring a car for one day (Sunday) to transport church equipment. Pastor responded that KCAC is no longer as supportive and agreed on "all things common" to support in actions like this.

Bro John also highlighted that some people are not aware of the situation and suggested messages to be posted in the church group chat. Pastor responded that

messages are sent, but often are ignored.

Bro Gerald said that what Emma suggested is sometimes not feasible because if individuals are late, we are not able to start. Pastor responded that it is more about what people should be doing as opposed to what they are doing.

Sis Melissa addressed to the church the importance of giving financially. Whenever the church cannot afford payments, money must be withdrawn from the building fund account, affecting the balance of it.

Sis Denise asking if it's worth a review the necessity of Yell, as it equalates to around £100 a month. Pastor responded that he has already enquired about changes, and it will cost more than what we are currently paying. Pastor also stated that we do not live as if we are the church and are not prepared to commit to anything. Some things need ongoing care and Pastor cannot rely on individuals. We think short-term.

Sis Emma asked if children should be attending Ladies and Men's meeting. Pastor responded that generally, no. However, it's also dependant on the agenda of the meeting.

### **Outreach Department**

Bro Gerald presented the Outreach department report and will be available in the booklet.

Bro Gerald mentioned the very lack of attendance from church members. It is very sporadic, and majority of members only come around the times of a crusade or

when planned by each department.

### **New Officers (Appointment/Voting)**

All posts are for one year and will be up for election 2024-2025.

The tabulating team for collating the votes will be Jomal, Kemera, Mack and Hannah. Instead of voting names for who should be elected to the roles, voting was casted as for or against the candidate Pastor Louis presented to the church.

**King's Chapel Apostolic Church**  
**Minutes of the Annual General Meeting**  
**21<sup>st</sup> January 2023**

Chairman: Pastor Louis Farquharson

Attendees: Sis Emma, Denise, Antoinette, Trecelle, Alice, Anya, Verona (Joy), Frances, Laverne, Cleoverne, Sandra, Melissa Bro Gerald, Craig, El-Makawi, Jomal, Alexander, and John.

The Annual General Meeting was opened at 10:39am by our Pastor Louis Farquharson in prayer.

The meeting was called to order with housekeeping, rules of attendance and an urge to read the AGM Minutes report before the meeting, so when everyone attends the next annual general meeting or business meeting in June, we can accept the minutes as **read**. AGM Minutes can sometimes consist of several pages, so reading it in advance of the next meeting will help us save time.

All leaders are in an 'acting' role for the duration of the meeting.

The minutes of the last meeting were read by Sis Melissa and taken as a true record.

**Motion to accept the minutes:**

Accepted by Sis Sandra

Seconded by Sis Anya

**Matters Arising from the minutes:**

Sis Emma's name was not present in the attendees.

Bro John asked for clarification for "virtually". Pastor responded that since some members of the church were ill, they were present

online on zoom but not in person.

Bro John also asked if the 77,800 naira to Pastor Paul is taken from the building fund. Pastor responded no, the brothers don't give as normal apart from Bro Gerald, so as a church we give Pastor Paul a monthly sum, which in total for the year 2021 was 77,800 naira. There was some discussion if the 77,800-naira Pastor Paul received was correct.

Pastor asked that himself and Melissa have a look at the 77,800-naira Pastor Paul received in 2021, reported in 2022. It is not a true reflection. We are short by at least a zero.

Pastor asked Bro John from January onwards, if he could send Pastor and Melissa the receipt/amount of what he sends to Pastor Paul, so it can be reported for the year 2023.

Sis Denise asked if we record/keep a log of the smaller transactions we do. Pastor responded yes.

Sis Melissa was handed the role of Chairman and introduced Pastor Louis Farquharson to give the Pastors Report.

### **Pastor's Report:**

The theme for 2023 is "RISE up and WALK".

This report was made to be as real as possible. There is nothing that the church does not already know. We had to be relocated due to renovations at St Michaels church, but did not be as fruitful as we had hoped, as our outreach efforts proved to be unfruitful in that area. We probably did enough physically, but we probably did not do enough spiritually. We did our revival by design, and we

bound the strong man for things to be loosed. We affected the demonic realm, and the devil came back at us since we had our guard down. Sometimes we take our eyes off the ball, and we sink in the midst of what's going on.

We need consistent prayer. We did not do enough of that where Stoke Heath Community Centre is located, The devil is not getting weaker unless the church is getting stronger.

## 2022      Is/Visions

1. Monthly personal time of prayer and fasting.
  - This should be separate to the fasting and praying we do as a church. It's imperative!
2. Make a way or create ways in the current climate to save souls.
  - Do not depend on the church to plan something in order to be proactive. We were called by Jesus Christ to reach lost souls the way we entered into the Kingdom of God.
3. Outreach: we need to become creative on a monthly basis, to book online bible studies.
4. Alpha course: online alpha/youth alpha/ladies' alpha/men's alpha.
  - We do not need our Pastor to tell us that we are permitted to go, the bible already tells us to go.
5. Focused, fasting and prayer for healing and deliverance. James 5:13-16
6. Bible school of ministry: Selected/volunteers to be trained and equipped in the word.
  - We have this in place already, however knowledge is something that we constantly acquire. Knowledge should and is a constant progress.
7. 24 new souls to be saved. (Baptised/filled with the Holy Ghost) we had 7 of our children baptised in 2022 and one visitor.

## **Trips for 2022:**

- Kenya -
- Zimbabwe - July
- Nigeria - October/November

## **Praying**

Praying in our current climate has become very neglectful. We do not pray enough when it comes to praying in our homes. It is not supported enough, and that's the choices we make.

- a) Prayer has always been best and most valuable investment in this present climate.
- b) Spiritual warfare must also become a way of life for each and every believer. However, this is only going to become because we apply ourselves and not just because we want it.
- c) Our warfare is real, but it is too late for us to stand by as spectators hoping and praying.
  - We are in need of being strong. All the enemy always need is one weak area to break down and once that's done, they will overtake the city and make people captive. The moment we become relaxed and distracted of what is going on in our lives, we lose.

## **2023 Vision**

Looking back on previous years, this year's vision has been a struggle to qualify.

I know that where there is no "vision" the people perish. Proverbs 28:18. But I also believe that where there is no people the "vision" perishes!

Matt 9:36-38, Luke 10:1-3, John 4:34-36

How many of us would rather to stay in the confines of our congregation instead of going to witness and reach our friends and

loved ones?

1. Monthly personal and collective time of fasting and prayer. This is imperative!
2. Growth amongst our "Sunday School" that reflects our community. Sunday school department to put plans in place for this to be achieved!
3. Growth amongst our "Youth" that reflects our city. Youth department plans to be put in place.
  - We have enough youth to get involved, and we should realise that we are all part of the vision.
4. Growth amongst our "Ladies" that reflects our city. Ladies department must put plans in place to achieve this.
5. Growth amongst our "Men" that reflects our city. Our men must put plans in place to achieve this. Our men need to get their act together
6. Alpha course: online alpha/youth alpha/Ladies alpha/Men alpha. I need volunteers.
7. Focused, fasting & prayer for healing and deliverance according to James 5:13-16

## **Europe**

It has been my desire to have partnerships or establish churches in Europe for a very long time!

## **King's Chapel family:**

Where are we going?

What is your /our plan in God's kingdom?

## **Proposed Trips for 2023**

1. Pakistan

2. India
3. Rwanda
4. Uganda
5. Kenya
6. Tanzania
7. Zambia
8. Zimbabwe
9. Nigeria
10. Europe. Praying that the Lord Jesus WILL open the doors and make this happen!

This is **NOT** possible without a **MIRACLE!**

For any or all of this to be accomplished, we will need funds that we don't have and our pastors in these territories getting involved to assist in any way possible!

**Humbly Submitted**

**Pastor Louis Farquharson.**

**Motion to accept the Report:**

Accepted by Sis Denise

Seconded by Bro Gerald.

Bro John asked, "Just in case the miracle happens; does it mean you will visit all those countries?" Pastor responded maybe/maybe not; others of the church might get involved.

Bro Gerald asked "Regarding what John said, would there be a priority? (Out of the 10 countries)"

Pastor responded that yes, certain countries like Pakistan and Zimbabwe will or have provided food or accommodation. Certain

countries Pastor has also promised that he will visit, such as Rwanda and Tanzania. Nigeria is qualified for a mission's trip as he pays his tithes and contributes towards King's Chapel UK.

### **Financial Report:**

The report was read by Melissa and is available on request.

### **Motion to accept the Report:**

Accepted by Sis Trecelle

Seconded by Sis Sandra

Sis Joy commented that that is a lot we pay for storage. Each time I pray and think about what we have to pay for, it's a lot. We have to continue, trusting and praying and doing what we know to do.

Sis Anya asked would it not be cheaper to not pay the storage and buy things new when we have our own building? Pastor responded that some of the stuff we have in storage is worth thousands, and we would have to spend more thousands of pounds to be able to buy it back.

Sis Laverne asked apart from Pastor Paul, do we have any other pastors that we give to on a regular basis? Pastor responded no. We support pastors periodically, but it is only Pastor Paul that is supported regularly. Some of the churches are not onboard with the vision, unlike Pastor Paul.

Sis Denise asked, for the storage, are we still paying for the garage in Cheylesmore, and if we do is it only a couple of chairs? Pastor responded that no we have large stuff. Sis Denise asked if we take action and have a look at what's in there and possibly distribute what is in there amongst the church members, to try and save

money. We will check the storage and take pictures.

The financial report questions and comments ended with a statement from Pastor asking for those who are Taxpayers that when you are giving offering whether it be online or cash, please make sure your name and the amount of offering is stated, so that we as a church can claim back on it through GiftAid.

**Break for Lunch at 13:00**

**Reconvened at 13:55**

### **Youth report**

Bro Alexander read the KCAC youth report, and a copy is available on request.

Sis Sandra said its good that the same issues Alexander faced last year are not reported for this year.

Pastor asked Alexander why he did not present his Vision and Plan for 2023? Alexander responded that he didn't include it at the bottom of his report but had completed it separately. Alexander then presented the Action plan for Youth group 2023. This action plan is available upon request.

Pastor recommended to Alexander that he includes his Vision for 2023 in the report.

### **Sunday School report:**

Sis Emma read the KCAC Sunday school report and a copy is available on request.

### **Motion to accept the Report:**

Bro Gerald asked if people could let him know beforehand if they will be attending outreach, in case they're not in the same area. Sis Cleoverne asked if she could have some flyers for her area that include the church's info on there.

### **Any other business**

#### **Crusades**

Our March Crusade "He Still Loves Me" will be run by the youth. Sis Sandra will liase with Stoke St Michaels to book the rooms for the 3<sup>rd</sup>-5<sup>th</sup> March 2023. We also have crusades in June and September, "Because of the times" and "Every Soul Counts".

Our September crusade "Every Soul Counts" will be on the 8<sup>th</sup>-10<sup>th</sup> September 2023.

## King's Chapel Financial report for 2022

2022 was my first year as treasurer of King's Chapel Apostolic church. Though my first year of treasurer was straightforward, it is because of Pastor Louis and other church members that it came to be so.

This year we have seen the majority of the congregation paying their tithes and offering online, and have seen an increase in tithe payers also. The increase in tithe payers and giving positively affects the state of the churches bank balances and allows for more money to go into the mission's fund and building fund.

This year, we have also seen our Gift Aid return to be higher than the previous year. The sum was £4480.28. This sum was higher than last year largely due to the fact that we had more tithe payers. Because of this, we were able to put a substantial amount of money into our building fund.

Our building fund account stood at just under £10,000 for the end of 2022. (£9,357.43) We started off the year with £3541.50, so we have seen an increase of just under £6000 (£5815.93) For 2023, it would be good to aim for a bigger increase to the building fund, so we can place a bigger deposit on a building to call home for King's Chapel Apostolic Church.

Our missions fund account has struggled this year, especially in supporting our Pastor in missions trips this year to Kenya and Tanzania. We have also supported various needs of Pastors across the world, including Pakistan, Nigeria, Zambia and Kenya. The end of year balance for the missions account stood at £515.46, which is more half of what it was in January 2022. (£1128.95)

For the year of 2022, these were the figures of each month.

For 2023, I pray that we become more generous in our giving. Not just by paying our tithes which belongs to God, but in our financial offerings and that by 'sowing' into the church and missions financially, you may all have favour in God and be stable in your own lives financially, because God had made it to be so.

As a church and collective body, let's make 2023 the year we can put a deposit down on a building and establish roots.

Lastly, I'd like to thank Our Pastor Louis and Sis Sandra for all of the guidance and support you have given to me in my first year as treasurer.

Thank you

**Minutes of the Annual General Meeting**  
**21<sup>st</sup> January 2023**

Chairman: Pastor Louis Farquharson

Attendees: Sis Emma, Denise, Antoinette, Trecelle, Alice, Anya, Verona (Joy), Frances, Laverne, Cleoverne, Sandra, Melissa Bro Gerald, Craig, El-Makawi, Jomal, Alexander, and John.

The Annual General Meeting was opened at 10:39am by our Pastor Louis Farquharson in prayer.

The meeting was called to order with housekeeping, rules of attendance and an urge to read the AGM Minutes report before the meeting, so when everyone attends the next annual general meeting or business meeting in June, we can accept the minutes as **read**. AGM Minutes can sometimes consist of several pages, so reading it in advance of the next meeting will help us save time.

All leaders are in an 'acting' role for the duration of the meeting.

The minutes of the last meeting were read by Sis Melissa and taken as a true record.

**Motion to accept the minutes:**

Accepted by Sis Sandra

Seconded by Sis Anya

**Matters Arising from the minutes:**

Sis Emma's name was not present in the attendees.

Bro John asked for clarification for "virtually". Pastor responded that since some members of the church were ill, they were present

online on zoom but not in person.

Bro John also asked if the 77,800 naira to Pastor Paul is taken from the building fund. Pastor responded no, the brothers don't give as normal apart from Bro Gerald, so as a church we give Pastor Paul a monthly sum, which in total for the year 2021 was 77,800 naira. There was some discussion if the 77,800-naira Pastor Paul received was correct.

Pastor asked that himself and Melissa have a look at the 77,800-naira Pastor Paul received in 2021, reported in 2022. It is not a true reflection. We are short by at least a zero.

Pastor asked Bro John from January onwards, if he could send Pastor and Melissa the receipt/amount of what he sends to Pastor Paul, so it can be reported for the year 2023.

Sis Denise asked if we record/keep a log of the smaller transactions we do. Pastor responded yes.

Sis Melissa was handed the role of Chairman and introduced Pastor Louis Farquharson to give the Pastors Report.

### **Pastor's Report:**

The theme for 2023 is "RISE up and WALK".

This report was made to be as real as possible. There is nothing that the church does not already know. We had to be relocated due to renovations at St Michaels church, but did not be as fruitful as we had hoped, as our outreach efforts proved to be unfruitful in that area. We probably did enough physically, but we probably did not do enough spiritually. We did our revival by design, and we

bound the strong man for things to be loosed. We affected the demonic realm, and the devil came back at us since we had our guard down. Sometimes we take our eyes off the ball, and we sink in the midst of what's going on.

We need consistent prayer. We did not do enough of that where Stoke Heath Community Centre is located, The devil is not getting weaker unless the church is getting stronger.

## 2022      Is/Visions

1. Monthly personal time of prayer and fasting.
  - This should be separate to the fasting and praying we do as a church. It's imperative!
2. Make a way or create ways in the current climate to save souls.
  - Do not depend on the church to plan something in order to be proactive. We were called by Jesus Christ to reach lost souls the way we entered into the Kingdom of God.
3. Outreach: we need to become creative on a monthly basis, to book online bible studies.
4. Alpha course: online alpha/youth alpha/ladies' alpha/men's alpha.
  - We do not need our Pastor to tell us that we are permitted to go, the bible already tells us to go.
5. Focused, fasting and prayer for healing and deliverance. James 5:13-16
6. Bible school of ministry: Selected/volunteers to be trained and equipped in the word.
  - We have this in place already, however knowledge is something that we constantly acquire. Knowledge should and is a constant progress.
7. 24 new souls to be saved. (Baptised/filled with the Holy Ghost) we had 7 of our children baptised in 2022 and one visitor.

## **Trips for 2022:**

- Kenya -
- Zimbabwe - July
- Nigeria - October/November

## **Praying**

Praying in our current climate has become very neglectful. We do not pray enough when it comes to praying in our homes. It is not supported enough, and that's the choices we make.

- a) Prayer has always been best and most valuable investment in this present climate.
- b) Spiritual warfare must also become a way of life for each and every believer. However, this is only going to become because we apply ourselves and not just because we want it.
- c) Our warfare is real, but it is too late for us to stand by as spectators hoping and praying.
  - We are in need of being strong. All the enemy always need is one weak area to break down and once that's done, they will overtake the city and make people captive. The moment we become relaxed and distracted of what is going on in our lives, we lose.

## **2023 Vision**

Looking back on previous years, this year's vision has been a struggle to qualify.

I know that where there is no "vision" the people perish. Proverbs 28:18. But I also believe that where there is no people the "vision" perishes!

Matt 9:36-38, Luke 10:1-3, John 4:34-36

How many of us would rather to stay in the confines of our congregation instead of going to witness and reach our friends and

loved ones?

1. Monthly personal and collective time of fasting and prayer. This is imperative!
2. Growth amongst our “Sunday School” that reflects our community. Sunday school department to put plans in place for this to be achieved!
3. Growth amongst our “Youth” that reflects our city. Youth department plans to be put in place.
  - We have enough youth to get involved, and we should realise that we are all part of the vision.
4. Growth amongst our “Ladies” that reflects our city. Ladies department must put plans in place to achieve this.
5. Growth amongst our “Men” that reflects our city. Our men must put plans in place to achieve this. Our men need to get their act together
6. Alpha course: online alpha/youth alpha/Ladies alpha/Men alpha. I need volunteers.
7. Focused, fasting & prayer for healing and deliverance according to James 5:13-16

## **Europe**

It has been my desire to have partnerships or establish churches in Europe for a very long time!

## **King’s Chapel family:**

Where are we going?

What is your /our plan in God’s kingdom?

## **Proposed Trips for 2023**

1. Pakistan

2. India
3. Rwanda
4. Uganda
5. Kenya
6. Tanzania
7. Zambia
8. Zimbabwe
9. Nigeria
10. Europe. Praying that the Lord Jesus WILL open the doors and make this happen!

This is **NOT** possible without a **MIRACLE!**

For any or all of this to be accomplished, we will need funds that we don't have and our pastors in these territories getting involved to assist in any way possible!

**Humbly Submitted**

**Pastor Louis Farquharson.**

**Motion to accept the Report:**

Accepted by Sis Denise

Seconded by Bro Gerald.

Bro John asked, "Just in case the miracle happens; does it mean you will visit all those countries?" Pastor responded maybe/maybe not; others of the church might get involved.

Bro Gerald asked "Regarding what John said, would there be a priority? (Out of the 10 countries)"

Pastor responded that yes, certain countries like Pakistan and Zimbabwe will or have provided food or accommodation. Certain

countries Pastor has also promised that he will visit, such as Rwanda and Tanzania. Nigeria is qualified for a mission's trip as he pays his tithes and contributes towards King's Chapel UK.

### **Financial Report:**

The report was read by Melissa and is available on request.

### **Motion to accept the Report:**

Accepted by Sis Trecelle

Seconded by Sis Sandra

Sis Joy commented that that is a lot we pay for storage. Each time I pray and think about what we have to pay for, it's a lot. We have to continue, trusting and praying and doing what we know to do.

Sis Anya asked would it not be cheaper to not pay the storage and buy things new when we have our own building? Pastor responded that some of the stuff we have in storage is worth thousands, and we would have to spend more thousands of pounds to be able to buy it back.

Sis Laverne asked apart from Pastor Paul, do we have any other pastors that we give to on a regular basis? Pastor responded no. We support pastors periodically, but it is only Pastor Paul that is supported regularly. Some of the churches are not onboard with the vision, unlike Pastor Paul.

Sis Denise asked, for the storage, are we still paying for the garage in Cheylesmore, and if we do is it only a couple of chairs? Pastor responded that no we have large stuff. Sis Denise asked if we take action and have a look at what's in there and possibly distribute what is in there amongst the church members, to try and save

money. We will check the storage and take pictures.

The financial report questions and comments ended with a statement from Pastor asking for those who are Taxpayers that when you are giving offering whether it be online or cash, please make sure your name and the amount of offering is stated, so that we as a church can claim back on it through GiftAid.

**Break for Lunch at 13:00**

**Reconvened at 13:55**

### **Youth report**

Bro Alexander read the KCAC youth report, and a copy is available on request.

### **Motion to accept the Report:**

Accepted by Sis Anya

Seconded by Bro Jomal

Sis Sandra said its good that the same issues Alexander faced last year are not reported for this year.

Pastor asked Alexander why he did not present his Vision and Plan for 2023? Alexander responded that he didn't include it at the bottom of his report but had completed it separately. Alexander then presented the Action plan for Youth group 2023. This action plan is available upon request.

Pastor recommended to Alexander that he includes his Vision for 2023 in the report.

### **Sunday School report:**

Sis Emma read the KCAC Sunday school report and a copy is available on request.

### **Motion to accept the Report:**

Bro Gerald read the KCAC Outreach report, and a copy is available on request.

### **Motion to accept the Report:**

Accepted by Bro Jomal

Seconded by Sis Frances

Sis Denise asked if Bro Gerald needs help with any tracks/information leaflets. Pastor responded that we need more and we need to get our Facebook details on there. Pastor volunteered Bro Jomal and Mack to get involved. Sis Sandra also suggested prayer cards.

Bro Gerald asked if people could let him know beforehand if they will be attending outreach, in case they're not in the same area. Sis Cleoverne asked if she could have some flyers for her area that include the church's info on there.

### **Any other business**

#### **Crusades**

Our March Crusade "He Still Loves Me" will be run by the youth. Sis Sandra will liase with Stoke St Michaels to book the rooms for the 3<sup>rd</sup>-5<sup>th</sup> March 2023. We also have crusades in June and September, "Because of the times" and "Every Soul Counts".

**Pastor's Report/Feedback:**

Since the beginning of the year, the virus has spread in our church, starting from Sis Sandra to Melissa and Noah being the latest victims. January was the month of fasting and prayer, looking at the relationship between spiritual and physical. This year was faced with cancellations, but we have bounced back to a degree and moved forward somewhat from how we were affected in 2021.

We should become creative with alpha, focus on fasting and prayer for healing and deliverance. Do we believe God can or that God will? Some things can only be done through fasting and prayer. This does not cause deliverance or healing, but it moves God and raises our faith. Bible school: selected volunteers to be trained and equipped. We should produce after our own kind and win lost souls. Trips did not happen and didn't go ahead because of how things unfolded such as restrictions. Praying; prayer in our homes is our most valuable asset in a current climate.

Spiritual warfare is also a necessary and must become a way of life, but we must apply it. Seek ye the Lord while he may be found. Be creative in your city, In your country. We can create a home group in whatever city, just be creative. We need to be more proactive as a congregation. I submit this report for 2022. Hopefully we can see the reality of our world and it will require work on everybody's part to impact the kingdom.

**Pastor's Report/Feedback:**

Thank you for helping me through 2020, it has been a difficult year. Welcome to 2021 and another year of great possibilities. These are unprecedented or perilous time and the usual does not apply. I greet you in the name of our Lord Jesus Christ. As I report on the past year the journey has been with disappointment, cancellations closures of church and business etc.

January is a month of fasting and prayer in preparation for the journey/year ahead. Our focus was clear, believing for a great year.

January – February 2021 I travelled with the Kleins to Jamaica.

Jan - March there were 7 baptisms

March He still loves me crusade was a success with a wonderful move of the Holy Ghost.

**2020 Goals/Visions**

1. Monthly personal time of fasting prayer, imperative for leaders
2. Regular outreach
3. Alpha course
4. Prayer for healing and deliverance
5. School of ministry
6. New place of worship
7. 24 new souls

We struggled with that vision and proposed trips were cancelled because of Covid-19.

**Vision for 2021**

All visions are subject to God

1. Monthly personal time of fasting prayer - the time demands
2. Let us make a way to use what we have under the circumstances to save souls
3. Outreach: we need to become creative with this on a monthly basis
4. Alpha course – let us become creative with online Alpha/youth Alpha
5. Fasting and prayer for healing and deliverance: Pray for the sick

6. Bible school of ministry – selected volunteers to be trained and equipped in the word. Nine will start February with Dr Klein. We have access to online materials.
7. 24 new souls to be saved in 2021 (Baptised/ filled with the Holy Ghost). We need to be creative.

Where are we going from here in these times? If we continue the same as 2020, we will end up at a loss with no-one saved since March last year. People are struggling all over the world. Whatever value we place on eternity has to be greater than what we place on friendship. What is your/our part in God's kingdom? Proposed trips for 2021 are still questionable.

### **Praying**

Prayer is going to be our best and most valuable investment at this time. Prayer meetings should be the most powerful, but was missed because it was not  
Spiritual warfare must become a way of life for each and every believer and will become because we apply ourselves. The more we apply ourselves, the better we become.  
The warfare is real, but it is too late for us to standby as spectators! The government in times of the pandemic does not determine our spiritual atmosphere. We are losing focus and should not be distracted by others. We do not know when these times will change and the part we are going to pay in 2021.

Bro Gerald: stated that it was hard to go out and not be able to invite people to church. Pastor stated that we speak to people, not for them to come to church but because of bringing them to a place salvation.

We are supposed to put on the whole armour of God daily and should become skilful and be prepared physically and spiritually. Why is the church not the first line of defence as other frontline workers? What is to stop us? We are an essential worker, and have a specific role in these times, heaven is dependent on you? Too late to be a spectator, we have a responsibility.

- Bro John suggested going to Stoke St Michael daily – Pastor stated that everyone will still have to pay. Restrictions may still be in place. It is easier to plan for that; it will be based on whether we are able to meet.
- Sis Sandra: use breakout rooms for separate sessions, if on Zoom.
- Bro Gerald: If it is on Zoom would it be less days? Pastor stated that specific sessions could have specific time and it could be opened up to invite those outside of the church.
- We could plan for preachers – virtually.
- It will all take planning and so if it is in the building it will be planned for. It will be flexible up to the time.
- Virtually is more affordable and much can be done virtually.
- We will plan in the leader's session

**He still loves me crusade** – the youth will be responsible for running the session

**Men 2021** – men to put suggestions in the men's group for what could be done this year followed by a discussion.

Bro John: Is there a restriction to inviting preachers eg. Pastor Adamson. Pastor answered – no it is easier and we do not have the costs of having them preach in person. Further discussion will take place at leader's meetings.

**June crusade** – last year was cancelled but this year it will be planned for.

**Every soul counts** – September this year it will be planned for

**World mission's week**- proposed by Pastor Willard. September is our world mission's month. Pastor Paul could be a guest speaker and we can contribute to his data, network permitting.

There could be speakers from UK and abroad and Ladies could have ladies/pastor's wives from abroad to preach, exhort, deliver sessions.

- Hire a room to broadcast from is also a possibility.
- Our only restriction is internet access in other countries.
- Please let Pastor know before the next leaders meeting.

Let's plan effectively as we know what to do during the pandemic. Each department bring ideas to pastor before they are announced.

This year is possible. Sis Denise, Sis Anya and Sis Sandra to continue to plan for the women's sessions and Bro Craig for the men's sessions. Pastor proposes these to be achieved this year.

**Pastor's Report/Feedback:**

Thank you for helping me through 2020, it has been a difficult year. Welcome to 2021 and another year of great possibilities. These are unprecedented or perilous time and the usual does not apply. I greet you in the name of our Lord Jesus Christ. As I report on the past year the journey has been with disappointment, cancellations closures of church and business etc.

January is a month of fasting and prayer in preparation for the journey/year ahead. Our focus was clear, believing for a great year.

January – February 2021 I travelled with the Kleins to Jamaica.

Jan - March there were 7 baptisms

March He still loves me crusade was a success with a wonderful move of the Holy Ghost.

**2020 Goals/Visions**

1. Monthly personal time of fasting prayer, imperative for leaders
2. Regular outreach
3. Alpha course
4. Prayer for healing and deliverance
5. School of ministry
6. New place of worship
7. 24 new souls

We struggled with that vision and proposed trips were cancelled because of Covid-19.

**Vision for 2021**

All visions are subject to God

1. Monthly personal time of fasting prayer - the time demands
2. Let us make a way to use what we have under the circumstances to save souls
3. Outreach: we need to become creative with this on a monthly basis
4. Alpha course – let us become creative with online Alpha/youth Alpha
5. Fasting and prayer for healing and deliverance: Pray for the sick

6. Bible school of ministry – selected volunteers to be trained and equipped in the word. Nine will start February with Dr Klein. We have access to online materials.
7. 24 new souls to be saved in 2021 (Baptised/ filled with the Holy Ghost). We need to be creative.
