King's Church Uckfield Limited

Report of the Trustees for the Year Ended 31 March 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the charity are:

- to advance the Christian faith by such means as the Charity shall determine from time to time in Uckfield and such other parts of the United Kingdom or the World as the Members may from time to time see fit.
- to relieve sickness, poverty, hardship and persons in need by virtue of their age or social or economic circumstances.
- to advance the religious or secular education of young people or adults.
- to further such other charitable purposes as the Members from time to time in their absolute discretion determine.

Mission Statement:

Every person in the Uckfield area, the United Kingdom generally and abroad must be given the opportunity to hear, experience and be persuaded of the good news of Jesus Christ in a way they can understand, by means of Christian instruction, evangelisation, the relief of sickness and poverty, education and the advancement of the Christian faith generally.

Strategies for achieving objectives

The overall aims of King's Church Uckfield continue to be those adopted when the Church was formed in 1983, namely to build the Church as a loving community and to tell those outside the Church the message of Jesus.

This is being achieved by the following means:

- providing for leadership in the Church, fully-financed resourcing, and premises in which to meet and from which to operate;
- adopting a planned programme of Bible teaching and practical training, under the guidance of the Holy Spirit, in order to equip and encourage members of, and adherents to, the Church in their Christian lives and their involvement in Uckfield and the surrounding communities;
- caring for members of the Church and others with whom the Church is associated, particularly when sickness or poverty is needing to be relieved;
- evangelisation of non-Christians in Uckfield and the surrounding communities;
- sending people out from the Church proclaiming the Gospel message on short and long-term projects in the United Kingdom and overseas;
- maintaining our involvement as part of an apostolic movement, i.e. Newfrontiers/Catalyst.

Report of the Trustees for the Year Ended 31 March 2022

OBJECTIVES AND ACTIVITIES

Grantmaking

Under the Memorandum and Articles of Association, the charity has the power to make charitable grants, donations or other payments (including informal loans) to individuals, organisations, charities, churches, societies or institutions locally, nationally or internationally as the trustees think fit.

In preparing the Annual Budget, decisions are made as to expenditure of funds in the form of grants to various bodies and individuals. Those decisions are based on a consideration of the extent to which the work being carried out by those bodies or individuals coincides with the overall aims and objectives of King's Church Uckfield.

Grants are made (a) for individual projects and (b) on a time basis. Time-based grants are made on two bases:

- i) for one year only,
- ii) for a period of years.

Grants made for one year only may be repeated in following years. Grants made for a period of years are, nonetheless, reviewed at least annually. In all cases, the actual payment of a grant is contingent upon there being sufficient funds within the charity, and the receiving body or individual continuing with the work for which the grant was originally made or carrying out such other work as coincides with the overall aims and objectives of King's Church Uckfield as set out in the Memorandum and Articles of Association, and which the trustees desire to support.

Volunteers

The Elders, one of whom is a salaried employee, are appointed for the purpose of leading the work of the Church. They are assisted by one full-time member of paid staff, and two part-time members of paid staff.

Ordinarily the substantial remainder of the work is carried out by other members of the Church who are volunteers, receiving no payment for their services, but giving themselves to the work as they follow the call of Jesus Christ on their lives to serve Him and make His way known in the communities in which they live.

During the Covid-19 pandemic this has been much reduced so that previous years' estimates of the value of the time offered by volunteers in the church of around 6,400 hours over the year, is more likely to be around 2,600 hours with an approximate value of £25,740 (based on the Living Wage Foundation's (<http://www.livingwage.org.uk>) 2022 real living wage rate of £9.90 per hour).

The Trustees are very grateful to all the volunteers who serve the church so faithfully in many and varied roles.

ACHIEVEMENT AND PERFORMANCE

Review of activities

Regular (weekly/monthly) activities

The regular activities have been heavily impacted by the Covid-19 pandemic as detailed below.

- King's Church Uckfield meetings at the Uckfield Civic Centre ceased in March 2020 to comply with the Government lockdown and moved to a YouTube broadcast so as to provide a virtual service to our members and the wider community and this was well received. Our meetings recommenced in May 2021 as Government restrictions relaxed and have gradually opened up to allow more members to attend following the guidance and legislation in place at the time.
- Monthly prayer meetings have taken place on Zoom to allow members to pray together for the work of the church and the situation in the world generally.
- Weekly meetings have been held in members' homes as permitted and in compliance with Covid legislation.
- Three toddler groups for 0-1, 1-2 and 2-3 year olds were also affected by the Covid restrictions and opened back up in May 2021 with booking required. As restrictions lifted, this eased and a few more parents and toddlers have been able to attend.
- Our youth group began again in September 2021 on a fortnightly basis.

Annual and less regular events

- In July 2021 the church took part in the annual Uckfield Festival Big Day Out where we provided free tea and coffee to hundreds of families as they walked through the field. We also had children's play area with entertainment from a balloon artist.
- We took part in a Christmas Nativity event in close collaboration with Uckfield Baptist Church as part of the town's late night shopping evening. This was a tremendous success with many people able to see it.
- In August 2021 the members of the church were invited to attend a camp at a local campsite. As well as meetings for worship and teaching, there were many opportunities for food and fellowship which was so sorely missed during the various lockdowns. This was a wonderful time together which was appreciated by all who came along.
- In February 2022 four of our young people attended a youth weekend away with Christ Church Hailsham which they benefitted hugely from.

During the year under review one offering was held as we continue to raise sufficient funds to secure a multi-purpose building to become our permanent home.

Strong ties remain in place with two churches in Bulgaria (Mezdra and Vratsa) with an offering being taken up to fund the employment of a Youthworker in Vratsa for a further year.

Our website (www.kingschurchuckfield.org.uk) has been updated, and continues to keep members with up to date information and downloads, as well as showing the local community not only who we are and what we do in the town, but the reason why we do it - namely as a response to Jesus' call to share his good news. The website is seen as a growing area in which the church can communicate with people in the town.

The church continues in a supporting partnership with Uckfield FM, a local radio station. In addition to a Thursday morning 'thought for the day', the church sponsors the Sunday morning breakfast show to promote our Sunday meetings and work in the community generally.

ACHIEVEMENT AND PERFORMANCE

Safeguarding

King's Church Uckfield takes seriously the responsibility to protect and safeguard the welfare of children and young people entrusted to its care, and have a robust Child Protection Policy. We have detailed guidelines and procedures relating to child abuse suspicions or allegations and ensure that these procedures are known and followed by all workers.

All those volunteering to work with children and young people are subject to a stringent application and induction process including DBS Enhanced Disclosure, references, declaration of conviction, interview and supervised probationary period. Training is offered to all of our workers with this being required at least once every three years.

Overseas support

As stated above, the overall aims and objectives of the Church include sending people out from the Church proclaiming the Gospel message on short and long-term projects in the United Kingdom and overseas. The overseas work, with which members of the Church have been involved, and to which direct financial support has been given, has continued and includes the following:

- i) support of two members of King's Church Uckfield working in Bolivia, providing help to street children in Santa Cruz, under the auspices of "Youth With a Mission". Also their church plant which has recently started and been accepted as part of Newfrontiers;
- ii) Support of Church members and staff visiting partner churches in Bulgaria.
- iii) Support of the church in Mezdra, particularly to allow them to afford a church leader. This has been shared with Christ Church Hailsham and is evidence of us working together to achieve shared aims.

Pastoral support

The Elders of the Church provide pastoral support for the members of the church including marriage counselling and spiritual advice/counselling. This is available to non-members of the church in varying degrees as those wanting support will often not be Christians and may not concur with the Christian foundation of any advice or support given.

Membership of the church

The membership of King's Church Uckfield as of 31 March 2022 was 90 (2021: 100).

During the period under review:

- i) 2 were added as new members of the Church.
- ii) 12 people are no longer part of the church membership.
- iii) 0 were saved into the Christian faith as a result of the work of the Church.
- iv) 3 were baptised by total immersion, confessing their faith in the Lord Jesus Christ.

Membership of the Church is at the discretion of the elders who take into account a confession of faith in the Lord Jesus Christ, baptism in water and subscription to the Vision & Values of the Church.

FINANCIAL REVIEW

Principal funding sources

The financing of the overall aims of the Church has been achieved almost exclusively by gifts, donations and offerings from the Church membership and others attending the Church. This forms around 78% of the church's non-specific income and has during the year under review been bolstered by additional one-off gifts from members of the church.

Tax relief obtained from HMRC as a consequence of giving made by donors under the Gift Aid Scheme contributes a further 16% of non-specific income.

The remaining 6% of income is received from miscellaneous sources, government grants, and bank interest.

Expenditure

The expenditure of the church in fulfilling the overall aims described earlier has been almost exclusively concentrated on: -

- maintaining and expanding the resource base of leadership and staff;
- satisfying the conditions of the King's Centre lease to further pursue our own building project;
- financing the Church's outreach programmes; and
- giving to projects in the UK and overseas as the Church has sought to carry out its aims.

All assets of the charity have been and are being used to further the general work of the church, as well as to relieve sickness and poverty and advance the Christian faith generally, in the United Kingdom and abroad.

The funds of the charity have been applied as described in the Income and Expenditure account, and the accounts of the Restricted Funds.

The General Fund surplus occurring under the charity in the year ended 31 March 2022 amounted to £21,023. The Trustees recommend that the balance of £193,133 be carried forward.

The Trustees are not aware of any needs beyond the budgeted normal running costs of the charity in fulfilling its objects and aims.

At the end of the year, the Trustees held total reserves (that is those funds that are freely available), derived from income received throughout the year, amounting to £766,456. This sum, apart from the balances relating to the various Restricted Funds, is not intended to be retained to cover any particular contingency, but is to be used to further the work of the church in the manner described earlier. Such reserves may, therefore, be more appropriately understood to be an overall balance of income (including the brought forward balances) over expenditure that has been reported in the financial statements at the end of the financial year.

The Building Fund, created with the aim of accruing sufficient funds to aid in the purchase of a suitable building in the centre of the town, has had one Gift Day during this financial period with a fund total of over half a million pounds now accrued.

In addition to this, the trustees created a designated fund in 2020 with a starting balance of £50,000 which is to be used in the first instance to commence investigations into the potential of buildings as they arise. A further £40,000 was added to this designated fund in March 2021.

FINANCIAL REVIEW

Investment policy and objectives

Under the Memorandum and Articles of Association, the charity has the power to invest in any way the trustees wish.

Any charity general funds surplus to immediate requirements are held in a savings account. The current account is kept at a practical level so that invoices can be satisfied whilst securing the best interest rate for the majority of the church's funds. The funds available in the deposit account are monitored closely on an ongoing basis with any need for additional funds being acted upon appropriately.

Funds received for specific purposes but not required for immediate use are invested in a variety of accounts to achieve maximum growth in the fund with no risk to the basic fund and ensure that these monies are, where possible, covered under the Financial Services Compensation Scheme.

Reserves policy

The trustees of King's Church Uckfield (KCU) see significant value in holding cash reserves with the aim of eliminating the impact of one or more unforeseen, short-term financial shocks. Such shocks will typically involve a significant, unforecast fall in income and/or substantial, unplanned and unavoidable expenditure.

The intent of these reserves is to enable the church to continue to operate for a defined period of time, continuing to work towards its aims and objectives, while the trustees fully assess the situation and formulate a medium to long-term plan, if felt necessary.

To help the trustees calculate the correct level of cash reserves, we will take guidance from the recommendations issued by the Charity Commission of England & Wales. The minimum level will be based on the period of time we are looking to cover and the current level of church liabilities (such as salaries and building costs). We will however also take account of the future level of church liabilities, where a significant change is expected in the short to medium-term.

With the church's stated goal of owning its own building, the trustees consider it prudent to increase our reserves over a five-year period from their 2018/19 level of £15.7k to £36k (i.e. aimed to be £5k per annum). This higher reserves level will increase the period of cover from 4 weeks to 8 weeks and will also allow for the significant step-change in staffing and building costs associated with running our own building.

The trustees will continue to make a decision at the end of each financial year as to the desired level of reserves. Only surplus funds will be used to further bolster our reserves. If no surplus funds are available, the trustees may decide to take more surplus funds into the reserves in subsequent years and/or may decide to extend the period over which the reserves reach their new targeted level.

FUTURE PLANS

The short to mid-term plans of the church have been somewhat altered due to the Covid-19 pandemic.

The main development in the coming months is the relocation of our office which is currently within a local primary school. The church will be taking on a lease of an office and storage area which will allow us to have all our possessions under one roof (we currently also have a storage unit) and also to host some groups and outreach activities which are not possible in the school. It is hoped that this will provide significant opportunities to how we interact with and impact our local community.

We hope to put postcards through the letterbox of all houses in the town, particularly new estates, to alert them to our website and meetings.

The member of staff that has run our toddler groups is relocating later in 2022 so we will be re-evaluating these to make sure we can provide a beneficial and sustainable group to those that have benefitted from the groups over many years.

Navigating a course as we come out of the Covid-19 pandemic remains the overriding priority of the church with the aim of not just surviving, but emerging stronger and more resilient - financially, technologically, practically and spiritually.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The company is constituted as a company limited by guarantee under a Memorandum of Association dated 16 April 2008 and is a registered charity, number 1124576.

There are currently three members of the Company, each of whom agrees to contribute £10 in the event of the charity winding up. The members of the Company are also the elders of the Church.

The principal object of the Company is the advancement of the Christian faith.

Recruitment and appointment of new trustees

The trustees are nominated and appointed by the members of the Company, these being the Elders of the church, who meet regularly and are able to nominate trustees prior to the AGM.

One third of the trustees must retire from office each year in accordance with the Memorandum and Articles of the Company, but can be re-nominated and appointed at the discretion of the members.

Organisational structure

The board of Trustees administers the charity in close partnership with the Elders of the Church, in whom the general work of the Church (worship, teaching, evangelism and pastoral care, for example) is vested. The Elders are also members and Trustees and communicate effectively the means by which the objects of the charity can be fulfilled.

Trustees are appointed to: manage and administer a specific area of responsibility of the charity; ensure that the proper legal framework is maintained; ensure the work of the Church is carried out effectively; and ensure the funds of the Church are administered appropriately.

Three of the Trustees, none of whom are employed by the church, form the Salary Review Committee. They are involved in the appraisal of staff and their appropriate remuneration. At least one Trustee not employed by the church is required to authorise all cheques and payments.

King's Church Uckfield Limited

Report of the Trustees for the Year Ended 31 March 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT

Induction and training of new trustees

The Trustees have adopted a policy for the induction and training of new Trustees, including providing each Trustee with a copy of the following:

1. The governing documents - Memorandum and Articles of Association;
2. The Charity Commission booklet "Responsibilities of Charity Trustees";
3. The Charity Commission booklet "The Hallmarks of an Effective Charity" (CC60);
4. The most recent annual report and accounts;
5. The minutes of the most recent Trustees' meeting;
6. Copies of all policies that the Trustees have concern for in their role.

Trustees are encouraged to attend appropriate training events that will assist them in their role and financial provision has been made in the church's annual budget to meet any expenses incurred.

Related parties

King's Church Uckfield is part of the Newfrontiers family of churches (New Frontiers International Trust Limited - newfrontierstogether.org) and falls under their apostolic covering. This relationship promotes working together with local and international Newfrontiers churches as part of the Catalyst network of Newfrontiers (catalystnetwork.org).

We have forged strong links with four other local Catalyst churches (King's Church Lewes, King's Church Heathfield, Christ Church Hailsham and Community Church Crowborough) and often share times together, particularly as leaders. This has resulted in regular collective youth events and also a shared passion and commitment to support the work of Catalyst in Eastern Europe.

King's Church Uckfield is a member of the Evangelical Alliance (eauk.org).

King's Church Uckfield also works together at community events with the other churches in the town as part of the 'Churches in Uckfield' initiative.

Risk management

The trustees of King's Church Uckfield have a risk management strategy which comprises:

- an annual review of the risks the charity may face;
- trustees with particular areas of responsibility implementing procedures to minimise any potential impact to the charity should those risks occur;
- regular review of policies that regulate areas of particular risk.

The risk management work that the trustees have undertaken has identified a few minor risks which have resulted in better working procedures for the church. Particular attention has focussed on non financial risks arising from fire and flood, health and safety of volunteers serving the church and food hygiene, as well as looking at financial risks such as fraud and continuity of incoming resources in these turbulent economic times.

**Independent Examiner's Report to the Trustees of
King's Church Uckfield Limited**

Independent examiner's report to the trustees of King's Church Uckfield Limited ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The charitable company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

Donations are recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably. Investment income is recognised on a receivable basis.

Grants

Government grants in respect of capital expenditure are credited to a deferred income account and released to profit over the expected useful lives of the relevant assets in equal annual instalments.

Government grants of a revenue nature are credited to income so as to match them with the expenditure to which they relate.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants payable are made to third parties in the furtherance of the charitable objectives. Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the statement of financial activities once the recipient of the grant has provided the specific service or output. Grants payable without performance conditions are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Notes to the Financial Statements - continued
for the Year Ended 31 March 2022

1. ACCOUNTING POLICIES - continued

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs

Governance costs include costs of the preparation and examination of the statutory accounts, the costs of trustees meetings and the cost of any legal advice to trustees on governance or constitutional matters.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Motor vehicles	- 25% on reducing balance
Computer equipment	- 33% on reducing balance

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of material funds is included in the notes to the financial statements.

Operating leases

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

The charitable company contributes to employee's defined contribution pension schemes. Contributions payable to the pension schemes are charged to the Statement of Financial Activities in the period to which they relate.

Going concern

The trustees have assessed whether the going concern basis of preparation continues to be appropriate, based on whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charitable company to continue as a going concern. This assessment has been required in the light of the significant uncertainty around the short to medium term impact of the spread of the Covid-19 virus.

1. ACCOUNTING POLICIES - continued

Going concern

At the time of approving the financial statements the trustees believe that all appropriate measures have been or will be taken to ensure that the charitable company will be able to continue its operations for at least the next 12 months and thus conclude that the going concern basis remains appropriate.

15. MOVEMENT IN FUNDS - continued

D & S Adjei

The purpose of this fund is to raise money for two church members working in Bolivia, providing help to children in Santa Cruz, under the auspices of "Youth With a Mission".

Specific gifts

This fund was created with the purpose of supporting members of the church during times of hardship and difficulty.

Building fund

The Building Fund is accumulating for the purpose of purchasing a suitable building to become the Church's permanent home. During the year, a further £28,859 (2021: £46,097) was raised in the form of donations and investment income.

Newfrontiers

Newfrontiers is a group of apostolic leaders partnering together on a global mission, joined by common values and beliefs, shared mission and genuine relationships. This fund has been created with the purpose of working with Newfrontiers to achieve shared aims, part of this work includes a church plant in Bolivia which has been recently started.

Toddlers

This fund was created to support three toddler groups for 0-1, 1-2 and 2-3 year olds on Friday mornings during term time. Toys and activities are provided to the children, as well as refreshments for them and their carers.

Bulgaria

As part of the overall aims and objectives of the church, church members are sent overseas proclaiming the Gospel message. This fund is used to support church members travelling to Bulgaria to visit partner churches and support of the church in Mezdra, particularly to allow them to afford a church leader.

16. EMPLOYEE BENEFIT OBLIGATIONS

The charitable company contributes to employees' defined contribution pension schemes. The pension cost charge for the year represents contributions payable by the charitable company to the schemes and amounted to £3,195 (2021: £3,195).

Contributions totalling £479 (2021: £479) were payable to the schemes at the end of the year.

King's Church Uckfield Limited
