Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To increase the amount of play provision for children and young people with disabilities in the Borough of Rushmoor and local area.

We run a MADD (music, art, dance and drama) Club. This involves weekly term time sessions of music, dance and drama and activity days during school holidays which feature arts and craft and/or music, dance and drama. Two of these events during school holidays culminate in a performance at end of the day to an invited audience for the children and young people to highlight what they have achieved. The clubs and activity days are for the special needs child/young person and siblings.

We purchase a whole performance of the local Christmas Pantomime allowing 120 plus families the opportunity to access an event that they may not have been able or confident enough to due to their special needs child/young person. This is an activity that regular families take for granted. We cover the cost of all the seats and each child is given a light up toy and every attendee is offers an ice cream and a drink.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Weekly running of MADD (Music, Arts, Dance and Drama) clubs successfully for the whole year. Clubs run weekly during term time for local special needs young people and their families. Music sessions have had full capacity, dance which has 2 sessions and drama have been well attended over the year.

Purchase of the whole performance of the local pantomime which we then sell at a considerably reduced rate to local special needs families also including sundry items for the young people. We reach in excess of 140 families which is about 420 seats.

We held a charity football match for local special needs young people raising funds for the charity. This raised in excess of £7000.

Our February festival was well attended where young people come along and join in activities including music, dance and crafts and at the end of the day put on a performance to an invited audience. Over 40 young people took part.
