Risk management

The Trustees' risk management strategy comprises:

- an annual review of the risks the charity may face;
- the establishment of systems and procedures to mitigate those risks identified in the business plan; and

STATEMENT OF TRUSTEES' RESPONSIBILITIES **For the year ended 31 December 2024**

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Under that law the Trustees have elected to prepare the financial statements in accordance with the United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs, of the charitable company, and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and

The Trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the charitable company, and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities

I report to the charity trustees on my examination of the financial statements of the London International Christian Church (the Company) for the year ended 31st December 2024.

Respective responsibilities of trustees and examiner

As the charity's trustees of the Company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act')

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of the ACCA, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

LONDON INTERNATIONAL CHRISTIAN CHURCH

1. ACCOUNTING POLICIES

Basis of preparation of financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2020)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Company status

London International Christian Church is a company limited by guarantee. The members of the company are the Trustees named in the trustees' report.

Income

Incoming resources are accounted for on a receivable basis deferred as described below where appropriate.

Investment Income

Bank interest received is included on an actual receipts basis.

Government grants

Grants received in relation to the Coronavirus pandemic are accounted for as they fall due and included within the Statement of financial activities.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

In particular the policy for including items within costs of generating funds and charitable activities costs is:

Charitable activities

This includes the cost of goods and services and ancillary costs that have been incurred in charitable activities. The ministers are involved with such activities and therefore the relevant stipend costs are treated as direct charitable expenditure.

Allocation and apportionment of costs

The methods and principles for the allocation and apportionment of all costs between the different activity categories of resources set out above are:

The Charity's operating costs including staff costs, rent and other related costs. Such costs are allocated between types of resources expended and between charitable expenditure and management and administration on the basis of estimates made by the directors.

The bases of the estimates used were a common sense assessment of the nature of the costs involved.
