Results

The net incoming resources for the year amounted to £3,724 (2023: outgoing resources of £22,690). The unrestricted fund has achieved a profit for the year of £17,151 (2023: deficit of £9,263). The restricted fund deficit is due to the annual depreciation charge on those assets, the cost of which was funded and recognised as income in an earlier accounting period. As no related income was received in this financial year this cost is reducing the unspent balance brought forward from the previous accounting period.

Unrestricted funds have increased the accumulated fund from (£4,399) to £12,752. The level of restricted funds carried forward amounts to £484,501 which relates to buildings and other fixed assets purchased with the aid of grant funding. These funds are being reduced each year in accordance with the Charity's depreciation policy.

Reserves policy

The reserves policy of the charity recognises the need to hold reserves to ensure funds are available to continuing to run the activities of the Centre should the income levels fall. Reserves are also required to meet the future maintenance programme for the Centre building thus ensuring the facilities offered to service users is kept to a proper standard. A minimum level of reserves needs to be retained to ensure the trustees can operate their exit strategy and meet its legal commitments should the Charity be unable to continue due to a lack of a sustainable income stream.

R.A.S.C.A.L. (Regeneration Association

Independent examiner's report to the trustees of R.A.S.C.A.L. (Regeneration Association Somerton Community at Large) ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2024.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Notes to the Financial Statements
for the Year Ended 31 March 2024**

1. Accounting policies

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The financial statements have been prepared on a going concern basis. The Trustees have reviewed and considered relevant information, including the annual budget and future cash flows in making their assessment. Based on these assessments, given the measures that could be undertaken to mitigate the current adverse conditions, and the current resources available, the Trustees have concluded that they can continue to adopt the going concern basis in preparing the annual report and accounts.

Income

Donations are recognised where this is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Investment income is recognised when received.

Income from charitable activities include income received in advance of specified service or purchase is deferred until criteria for income recognition is met.

Grant income provides funding to support programme activities and the purchase of fixed assets and is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Expenditure

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Long leasehold	- 2% on cost
Fixtures and fittings	- 20% on cost and 10% on cost
Computer equipment	- 33.3% and 10% on cost

Individual fixed assets costing £300 or more are initially recorded at cost.

Taxation

The company is a registered charity whose income this year contains no non-primary purpose income.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Independent examiner's report to the trustees of R.A.S.C.A.L. (Regeneration Association Somerton Community at Large) ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Notes to the Financial Statements
for the Year Ended 31 March 2022**

1. Accounting policies

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The financial statements have been prepared on a going concern basis. The Trustees have reviewed and considered relevant information, including the annual budget and future cash flows in making their assessment. Based on these assessments, given the measures that could be undertaken to mitigate the current adverse conditions, and the current resources available, the Trustees have concluded that they can continue to adopt the going concern basis in preparing the annual report and accounts.

Income

Donations are recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Investment income is recognised when received.

Income from charitable activities include income received in advance of specified service or purchase is deferred until criteria for income recognition is met.

Grant income provides funding to support programme activities and the purchase of fixed assets and is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Expenditure

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Long leasehold	- 2% on cost
Fixtures and fittings	- 20% on cost and 10% on cost
Computer equipment	- 33.3% and 10% on cost

Individual fixed assets costing £300 or more are initially recorded at cost.

Taxation

The company is a registered charity whose income this year contains no non-primary purpose income.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Financial review

Results

The net incoming resources for the year amounted to £5,499 (2020: outgoing resources of £17,599). The unrestricted fund has achieved a surplus for the year of £18,926 (2020: a deficit of £4,171). The restricted fund deficit is partly due to the annual depreciation charge of £13,427 on those assets, the cost of which was funded and recognised as income in an earlier accounting period. As no related income was received in this financial year this cost is reducing the unspent balance brought forward from the previous accounting period.

Unrestricted funds have increased the accumulated fund from £9,031 to £27,957. The level of restricted funds carried forward amounts to £524,783 which relates to buildings and other fixed assets purchased with the aid of grant funding. These funds are being reduced each year in accordance with the Charity's depreciation policy.

Reserves policy

The reserves policy of the charity recognises the need to hold reserves to ensure funds are available to continuing to run the activities of the Centre should the income levels fall. Reserves are also required to meet the future maintenance programme for the Centre building thus ensuring the facilities offered to service users is kept to a proper standard. A minimum level of reserves needs to be retained to ensure the trustees can operate their exit strategy and meet its legal commitments should the Charity is unable to continue due to a lack of a sustainable income stream. The level of available reserves, i.e. the total unrestricted reserves less amounts invested in fixed assets amounted to £25,344. The trustees are committed to maintaining current service levels for as long as the funding permits.

Independent examiner's report to the trustees of R.A.S.C.A.L. (Regeneration Association Somerton Community at Large) ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st March 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Notes to the Financial Statements
for the Year Ended 31 March 2021**

1. Accounting policies

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The financial statements have been prepared on a going concern basis. The Trustees have reviewed and considered relevant information, including the annual budget and future cash flows in making their assessment. In particular, in response to the COVID-19 pandemic, the Trustees have tested their cash flow analysis to take into account the impact on the charity of possible scenarios brought on by the impact of COVID-19, alongside the measures that they can take to mitigate the impact. Based on these assessments, given the measures that could be undertaken to mitigate the current adverse conditions, and the current resources available, the Trustees have concluded that they can continue to adopt the going concern basis in preparing the annual report and accounts.

Income

Donations are recognised where this is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Investment income is recognised when received.

Income from charitable activities include income received in advance of specified service or purchase is deferred until criteria for income recognition is met.

Grant income provides funding to support programme activities and the purchase of fixed assets and is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Long leasehold	- 2% on cost
Fixtures and fittings	- 20% on cost and 10% on cost
Computer equipment	- 33.3% and 10% on cost

Individual fixed assets costing £300 or more are initially recorded at cost.

Taxation

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.
