Structure, governance and management

Kenilworth Lions Limited was incorporated on 5 June 2008. It is a company limited by guarantee as defined by the Companies Act 2006 whose members are fully paid up members of Kenilworth Lions CIO.

Objectives and activities

The overriding objective of the company is to support disadvantaged members of the community in Coventry and Warwickshire.

The main activity of the company is the collection and sale of donated furniture, white goods and other saleable items. Funds raised are then applied for the benefit of other organisations established for charitable purposes, principally Kenilworth Lions Club, who meet charitable needs in accordance with

the guidelines of Lions Club International.

Achievements and performance

This was the first full year of trading following the COVID-19 pandemic.

Two vans continue to operate from the Lions Farmer Ward premises collecting and delivering furniture and white goods. In addition, we now receive contributions of furniture and bric-a-brac from donors directly to the store on Saturday mornings. Our income has increased with the inclusion of a 'Donations' table with collecting boxes near the store entrance.

Sales of all goods enable Lions to administer charitable funds to needy individuals and organisations in the Kenilworth area. Under a voucher scheme, donations of furniture and household items have been made to support refugees, clients of the local Women's Refuge and those in need identified by other organisations. A special sale, well supported by the local community was arranged in March with the proceeds going to the Ukraine war appeal.

At our furniture store we also now recycle blister packs, crisp packets and corks along with the spectacles we have collected for many years. This does not raise funds but reduces the amount of waste going to landfill and helps the environment.

The Directors are grateful for the support of members of Kenilworth Lions Club and volunteers who run the Furniture Store, Bazaar and Donations Table. Students are attending again as part of their Duke of Edinburgh Scheme.

Financial review

Sales of donated furniture, white goods and bric-a-brac for the year to 30 June 2022 amounted to £76,879. Receipts from Warwickshire County Council for recycling of furniture were £3,286. Small cash donations from customers totalled £2,879.

A total of £56,895 charitable donations were made by us to needy causes for the year. In addition to this, numerous vouchers for items of furniture were given out to those in need under the umbrella of other organisations.

Reserves policy

The company directors intend to retain funds to develop ongoing business and for the replacement of one of the vehicles. We intend to maintain reserves of around £47,000 for the 2022/23 year for unforeseen expenditure.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

Independent Examiner's Report to the Trustees of KENILWORTH LIONS LIMITED

Year ended 30 June 2022

I report on the financial statements for the year ended 30 June 2022, which comprise the statement of financial activities (including income and expenditure account), statement of financial position and the related notes.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent Examiner's Report to the Trustees of KENILWORTH LIONS LIMITED *(continued)*

Year ended 30 June 2022

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 386 of the Companies Act 2006, and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met, or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year ended 30 June 2022

1. General information

The charity is a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is John Price House, Farmer Ward Road, Kenilworth, Warwickshire, CV8 2DH.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

KENILWORTH LIONS LIMITED

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 June 2022

3. Accounting policies *(continued)*

Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property - no depreciation provided

Fixtures, fittings and equipment - over 4 years on a straight line basis

Motor vehicles - over 4 years on a straight line basis

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

4. Limited by guarantee

The company is a company limited by guarantee not having a share capital. The liability of each member is limited to £1.
