Structure, governance and management

Governing document

As the Charity is a Company, its governing documents are its Memorandum and Articles of Association.

Appointment, Training and Recruitment of Trustees

As set out in the Articles of Association the members of the charity shall not exceed twenty five. There are two classes of members:

Ordinary Members - subscribers and all persons subsequently admitted to membership.
Honorary Members - persons the Council may admit from time to time with written consent.

All current trustees are ordinary members and no honorary members have been appointed. The organisation is run by the trustees. Every trustee holds office until he/she shall die or shall cease to hold office by virtue of Article 49 of the Articles of Association.

None of the trustees have any beneficial interest in the charity.

All trustees give their time voluntarily and no benefit or expenses were paid to them in the year. Appropriate recruitment and training procedures will be applied prior to the appointment of any new Trustees.

Risk management

The Charity has assessed the major risks to which the Charity is exposed, in particular those to the operations and finances of the Charity, and is satisfied the systems are in place to mitigate its exposure to those risks.

Financial risk management and policies

The charity holds or issues financial instruments in order to achieve three main objectives being:

- a) to finance its operations
- b) to manage its exposure to interest and currency risks arising from operations and from its sources of finance; and
- c) for generating funds.

In addition various financial instruments (e.g. trade debtors, trade creditors, accruals and prepayments) arise directly from the charities operations.

Credit risk

The charity monitors credit risk closely and considers that its current policies of credit risk checks meets its objectives of managing exposure to credit risk. The charity has no significant concentrations of credit risk. Amounts shown in the balance sheet best represent the maximum credit risk exposure in the event other parties fail to perform their obligations under the financial instruments. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed

Related Party Transactions

All related parties are disclosed in the Financial Statements and the Notes thereon.

Group Structure and Relationships

The charity has one non-charitable operating subsidiary and one associate as follows:

Company	Nature of Business	Percentage Holding
Elpold Trading Limited	Property Investment	100%
Tenacious Properties Limited	Property Investment	23.3%

Objectives and activities

The company is established to further those purposes both in the United Kingdom and abroad recognised as charitable by English Law particularly the advancement of religion in accordance with the Orthodox Jewish faith and the relief of poverty. The charity receives income mainly from its investment properties, its subsidiary and associate undertaking and by donations which it utilises in the provision and distribution of grants and donations. The company's principal activity throughout the year was the provision and distribution of such grants and donations, and no change is envisaged in the immediate future.

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and setting the grant making policy for the year.

Achievements and performance

The Company continued its philanthropic activities in support of religious, educational and other Charitable Institutions and, aggregate donations were paid in the year of £336,500 (2021 - £312,000).

The financial results of the company's activities for the year are fully reflected in the attached Financial Statements together with the Notes thereon.

Financial review

The Trustees consider the position of the charity and its subsidiary to be satisfactory.

Investment powers and policy

By the terms of its memorandum and articles of association, the charity has the power to make any investment which the trustees see fit. The trustees regularly review the charity's position and needs in respect of the investment policy.

Grant Making Policy

Grants are made to charitable institutions and organisations in accordance with the objects of the charity.

Reserves Policy

It is the policy of the charity to maintain unrestricted funds, which are the free reserves of the charity, at a level which the trustees think appropriate after considering the future commitments of the charity and the likely administrative costs of the charity for the next year.

Plans for future periods

The Trustees plan to continue to make distributions in accordance with their grant making policy and to ensure that the ability to generate sufficient income is maintained to achieve that end.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

Independent Examiner's Report to the Trustees of Elpold Charities Limited
Year ended 30 June 2022

I report to the trustees on my examination of the financial statements of Elpold Charities Limited ('the charity') for the year ended 30 June 2022.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements
Year ended 30 June 2022

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is New Burlington House, 1075 Finchley Road, London, NW11 0PU.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Consolidation

The charity is not required to prepare consolidated accounts in accordance with the Charities Act 2011, and has taken advantage of the option not to prepare consolidated financial statements contained in Section 398 of the Companies Act 2006 on the basis that the charity and its subsidiary undertakings comprise a small group.

Judgements and key sources of estimation uncertainty

Judgements and estimates made by the trustees, in the application of these accounting policies have significant effect on the financial statements as follows:

i. Property valuations

The valuation of the charity's property portfolio is inherently subjective, depending on many factors, including the individual nature of each property, its location and expected future net rental values, market yields and comparable market transactions. Therefore the valuations are subject to a degree of uncertainty and are made on the basis of assumptions which may not prove to be accurate, particularly in periods of difficult market or economic conditions.

ii. Trade debtors

Management uses details of the age of trade debtors and the status of any disputes together with external evidence of the credit status of the counterparty in making judgements concerning any need to impair the carrying values.

3. Accounting policies *(continued)*

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

Investment income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. Income from donations or grants is recognised when received.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Investment property

Investment properties are included in the Balance Sheet at the Trustees' best estimation of open market value. The Trustees have many years experience in the field of property investment and valuation.

3. Accounting policies *(continued)*

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

4. Limited by guarantee

The Charity is a Company limited by guarantee and has no share capital. The liability of each member in the event of winding up is limited to £10.
