TRUSTEE'S REPORT

FOR THE YEAR ENDED 31 DECEMBER 2022

The Trustees present their annual report together with the financial statements of Christ Light International Christian Centre (the charity) for the year ended 31 December 2022. The Trustees confirm that the Annual report and financial statements of the charity comply with the current statutory requirements of the charity's governing document and the provisions of the Statement of Recommended Practice (SORP) Accounting and Reporting by Charities issued in March 2005.

Structure, governance and management.

a. CONSTITUTION

The principal object of the charity is to provide pastoral care, counselling, training, youth activities and conferences on family, finance, parenting, faith and marriage.

b. METHOD OF APPOINTMENT OR ELECTION OF TRUSTEES

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

Objectives and Activities

a. POLICIES AND OBJECTIVES

The Church has from time to time undertaken the relief of persons who are in conditions of need, hardship or distress or who are aged or sick and will continue to do so. Our plan is to continue to reach out to more people from different ethnic backgrounds through our various activities and to increase our membership. The growth of the church will enable it to acquire resources that could be used to reach the youth arm of the church which aims to develop responsible generation of future leaders for the community and the nation as a whole.

b. ACTIVITIES FOR ACHIEVING OBJECTIVES

Achievements and performance

The Church organised many meetings during the period, such as health and wellbeing, empowerment Youth events, financial and relationships management etc. The meetings were well attended and people from the local community and surroundings joined us at these events.

The Church moved to a new premise in March 2013. This was a major achievement and was made possible through generous contributions and support of our members and friends. On the 23 August 2018, the Church continued on another major achievement by purchasing her own property. The church also provide charity table top sales on Wednesdays and Saturdays. It continues to attract people in the community. The Church continues to reach out to the people in the community through various activities such as Christmas craft events. During the year 2022, the church organises an award night in recognition of outstanding members of the community for their work in support of the church activities during the lockdown. The event which was well attended includes local Councillors and good will messages from local MP.

a. GOING CONCERN

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.
