MUSIC AND ARTS PRODUCTION LEEDS

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST JULY 2020

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31st July 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Objectives

- 1) The advancement of education in the arts and music.
- 2) The promotion of racial harmony and diversity through the medium of arts for the public benefit by promoting activities to foster knowledge and understanding between people of different racial groups and diverse backgrounds.
- 3) The promotion of equality and diversity for the public benefit by (for example):
 - (a) the elimination of discrimination on the grounds of race, gender, disability, sexual orientation or religion;
 - (b) advancing education and raising awareness in equality and diversity;
 - (c) promoting activities to foster understanding between people from diverse backgrounds;
 - (e) cultivating a sentiment in favour of equality and diversity.

In furtherance of these objects MAP has established an arts centre called MAP situated at Hope House, 65 Mabgate, Leeds. MAP is comprised of arts and music studios for education sessions and an adjoining space called Hope House Gallery that is suitable for exhibitions, workshops & performance.

MAP arts centre provides a school alternative provision programme offering arts and music education courses to young people who have difficulty in accessing mainstream school education. MAP also provides after-school arts sessions and maintains a volunteer programme.

Hope House Gallery is host to arts exhibitions and events: the work presented ranges from that of young people at school to college and university students, through to professional artists.

Aims

- To empower young people to take a greater responsibility for their own well-being.
- To enable young people with difficulty accessing mainstream education to access provision.
- To encourage young people to achieve accredited qualifications for their work.
- To increase opportunities in arts and music for young people in Leeds.
- To encourage young people to further their education after school.
- To encourage the development of new skills in the arts and music.
- To enable greater access to the arts and music for the public.
- To broaden possible life experiences of the public and in particular within disadvantaged communities.

Activities and strategy

The aims are addressed by a series of activities designed to achieve specific results. Targets will be set by the management in line with activity experienced during the previous year and will take into account any proposed expansion, which will be approved by the trustees.

MUSIC AND ARTS PRODUCTION LEEDS

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST JULY 2020

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The attendance figure for the year of 70% is in line when compared with the previous year of 75.7%, though it has been affected the uncertainty around education provision during the pandemic. Despite this it is also broadly in line with the MAP ten-year average. The achievement levels are also in line with previous years' performance and MAP was able to carry out a special pandemic accreditation process with Edexcel BTEC, underpinned by our long standing relationship. The education programme has maintained its reputation amongst students, families/carers, supporting professionals and staff at schools, and the introduction of remote learning, online learning and emergency pandemic workshops for MAP's most vulnerable students.

In October 2019 MAP Charity purchased Hope Foundry for £1,075,000 from a developer, who had planning permission to turn the site into luxury flats, in order that the charity could proceed with a project of providing affordable work places for the creative sector. Leeds City Council has agreed to provide £450,000 towards refurbishment, and sponsored a further £500,000 of matched funding from the European Economic Redevelopment Fund ("ERDF"). MAP will contribute £50,000 towards the refurbishment. At the current time Leeds City Council is finalising the legal agreement and the ERDF application is still pending. The purchase of the property was funded by a loan of equal amount from social investors and is secured on the property. The loan agreement provides for a bullet capital repayment after 5 years. Interest payments on the social investment loan (£1,075,000 in total) are 4% (£43,000) per annum, which is affordable because of MAP's income stream and other existing tenancies within the building.

The pandemic has meant that no new education referrals have been put in place through spring and summer terms (2020) subsequent to these accounts, so the income for 2019-20 will be lower than in 2018-19 by approximately £30,000. The placements that were active at the start of the pandemic were maintained. MAP Education Staff adapted to provide one-to-one support for some learners with remote phone/online support for others. The number of referrals in place for the start of the 2020-21 academic year is reasonably encouraging.

The ability to run events to fund-raise has been extremely limited throughout the pandemic, and so MAP has had to divert resources in order to seek support from emergency grants and funds.

MAP dedicated extra money towards development costs to deliver long term plans. This has allowed MAP to develop a fuller fund raising strategy, address redevelopment of Hope Foundry as a possible long term home for the charity, and also provide a wider range of activities that help MAP meet its charitable objects.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST JULY 2020

FINANCIAL REVIEW

Performance in year

In 2019-20 the number of referrals from schools was lower than the levels seen in previous years, this is due to the fact that during the first pandemic shut down most schools stopped referring new students to MAP Education. This resulted in a reduction of 22% from income from the education program.

The fund raising events that MAP carries out came to a halt at the start of the pandemic shut down, meaning that income from events was reduced by 54% across the year, from £91,000 to £42,000.

MAP placed more emphasis on resourcing funding applications, some of which were tailored to providing support in response to the pandemic. The total income from grants and donations throughout the 2019-20 year was increased by 26% from the 2018-19 year, from £76,000 to £96,000.

Reserves Policy

It is the policy of the charity that it should work towards a position where reserves should be maintained at a level sufficient to sustain the operation of the charity for four months, the target being £100,000. Looking to the future the plan is to extend the target to 6 months of running costs such that the target is increased to £150,000.

Total reserves at 31st July 2020 stood at £172,649 (£201,083 at 31st July 2019). This is the above the target figure however given the additional uncertainties associated with a major property refurbishment and related funding the Trustees do not feel additional action is required with regard to this excess.

Future plans

The refurbishment of the workspace on the top two floors of Hope foundry throughout 2021-22 will enable MAP Charity to support creative industries and maintain the financial sustainability of the site. In 2020-21 MAP Education will adapt to the conditions required, and sustain the current creative and functional skills programme, and the development team will continue improving MAP's other income generating activities and fund raising programme. This will allow MAP to work on strategic development.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

MUSIC AND ARTS PRODUCTION LEEDS

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST JULY 2020

Nature of governing document

Music And Arts Production Leeds is a private registered charitable company limited by guarantee, with no share capital, incorporated on the 8th June 2007 and governed by its Memorandum and Articles of Association.

Each member undertakes to pay an amount not exceeding £10 towards liabilities in the event of the charity being dissolved.

Management

The policy and general management of the affairs of MAP are directed by the Trustees, one third of whom retire each year by rotation, but are eligible for re-election.

The day-to-day management of MAP is carried out by the managers, Tom Smith, Charlotte Stobbart and Andrew Grayson.

The trustees affirm and maintain their commitment to Child Protection, Health and Safety, Anti-Bullying policies and Equal Opportunities policies. Details of the policies in force can be found in the MAP Trustees Handbook.

Recruitment, appointment and training of trustees

Trustees are appointed with a view to diversity, sound experience in a related field or professional expertise in a relevant area.

Such candidates are given first-hand experience of the work of MAP and are invited to a Trustees' meeting. Appointment is then conditional on the approval of the Trustees generally.

Trustees have fully documented Job Descriptions and these are to be found in the MAP Trustee Handbook.

All new trustees are trained as appropriate and all existing trustees receive updates from the Charities Commission.

Key management remuneration

The trustees consider the Chief Executive, Financial Officer and Education Managers as comprising the key management personnel of the charity in charge of directing and controlling the charity and running and operating the charity on a day to day basis. All trustees give of their time freely and no trustee remuneration was paid in the year. Details of trustee expenses and related party transactions are disclosed in note 9 and 18 to the accounts.

Governance

MAP formally supports the principles of the Code of Good Governance as developed by The Governance Hub.

Risk Policy

Trustees place a high priority on risk management. Risks identified are categorised as follows:

- Governance and management risks
- Operational risks
- Financial risks
- External and compliance risks
- Government reducing schools' ability to spend on alternative provision for their pupils.

It is the policy of the trustees to review all risks on an annual basis. The annual review seeks to establish that all risks are documented and that steps to mitigate such risks are established and executed. As a result of this process, the trustees are satisfied that residual risks are minimised.

MUSIC AND ARTS PRODUCTION LEEDS

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31ST JULY 2020

Public Benefit

The Trustees are aware of the Charity Commission's advice on Charities and Public Benefit.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning future activities for the year.

MAP is of benefit to the public, specifically young people struggling to access mainstream education. This benefit is not restricted by the public's ability to pay, nor is it unreasonably restricted geographically. MAP is also of benefit to the public in providing arts exhibitions and events that foster understanding between people of different groups and promoting equality and diversity. For quantitative evidence supporting this please see section on 'Achievement And Performance' (page 3).
