Annual Report 2023

Charity Name	Fund for Action Through Education (FATE)
Registered Charity Number	1125401 (Registered in England and Wales)
Governance and Constitution	Model Trust Deed, dated 3 rd January 2008
Address	P.O. Box 4166, Bracknell, RG42 9JU
Trustees	Sarah Noor Sarah Nutbrown John Yeomans (New trustees are appointed in accordance with the Deed)

Objectives and Activities

The object of the charity is to advance the education and improve the welfare of underprivileged children and young adults in developing countries

The charity's main activity in support of this object is to match underprivileged children with the ability and desire to learn, with sponsors who will provide funds to cover the cost of their education. The charity also raises funds to cover additional costs in relation to the education and welfare of the children we support and their families.

Achievements and Performance

The trustees have complied with their duties, having due regard for the Charity Commission's guidance on public benefit, particularly in regard to education, delivering identifiable benefits to the public.

2023 began with FATE celebrating the successes of one of its sponsored students, Eunita Akumu. With support from her sponsor, Eunita achieved not only a primary and secondary education, but also a university education in engineering. Eunita has been working hard in her chosen profession becoming independent and developing her skills.

Three more students graduated at the end of 2023. Mohammed Ali surpassed all expectations and has even gone on to begin a Masters course in criminology continuing to be sponsored by FATE.

In October, two of the FATE Trustees visited our partner, the Wema Centre in Mombasa. The Wema Centre is a non-governmental organisation in Kenya that cares for, and supports, street children and children living in poverty. We have worked with them since our foundation to help provide opportunities for children in their care, or in the local community, to access education. We also provide funding to support the children's welfare to enable them to engage well in their education and get the most from it. It had been many years since our last visit, and it was a resounding success. The trip involved a tour of Wema's farm, football matches, outreach visits and a wonderful celebration day. Many of the FATE alumni who had graduated from the programme over the years, returned to join the celebration and gave some wonderful speeches. They shared their experiences of being cared for by Wema and sponsored by FATE, inspiring many more young Wema beneficiaries to work hard and follow their dreams.

Fund for Action
Through Education

We have gratefully received ongoing support and donations from **John and Annabelle Yeomans** help to cover FATE's admin costs meaning 100% sponsorship funds continue to reach the children they are raised for.

FATE would like to thank all its fantastic sponsors, donors and corporate supporters for helping us to make such a difference.

Financial Review

Results and Funds

Income increased from £17,048 in 2022 to £33,524 in 2023. This was due to the receipt of four years' worth of gift aid (which totalled £11,568), and the ongoing support and loyalty of our wonderful sponsors and donors. A decrease in the value of the Kenyan Shilling also resulted in a reduction in the total annual outgoings. After expenditure of £14,027, this left a reserve of £48,977. (No funds are held as a custodian trustee on behalf of others).

Reserves Policy

It is the policy of the charity to commit to help the children we support throughout the lifetime of their education. For some children this will take them right through university and for others this may be up to secondary school followed by vocational training.

In order to meet this commitment, we have been fundraising and building our reserves to ensure we can continue to support all our beneficiaries for a period of at least 24 months, even if any of our sponsors or corporate donors were to cease their support and we were unable to secure replacements immediately.

Plans for Future Periods

Costs are expected to continue to increase over the coming years, as a result of the sponsored children progressing through their education and anticipated rises in costs for transport, food and other essential items. The British Pound remains strong against the Kenyan Shilling and helps to mitigate some of the impact of increased costs. The situation will continue to be monitored closely.

Responsibilities and basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended DD / MM / YYYY.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [] if not applicable.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
the accounts did not accord with the accounting records; or
the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Achievements and Performance

The trustees have complied with their duties, having due regard for the Charity Commission's guidance on public benefit, particularly in regard to education, delivering identifiable benefits to the public.

2020 began with FATE celebrating the graduation and independence of one of its sponsored students. With support from her sponsor, Elizabeth has secured a position at a local business and has already begun to earn her own income.

In March FATE took on an additional sponsored child who was enrolled at school and is now busily pursuing his dreams of becoming a pilot.

In May, FATE celebrated the graduation of another of its sponsored students. Achieving a diploma in education, Leila has already secured a teaching position at a local school.

Towards the end of 2021, another two of FATE's beneficiaries, Bashir and Ethel, graduated from the sponsorship program having secured a job in Sales and Administration have become fully independent. Their graduation has also enabled new children to benefit from the gift of a great education.

Gratefully received ongoing support and donations from **John and Annabelle Yeomans** help to cover FATE's admin costs meaning 100% sponsorship funds

continue to reach the children they are raised for. John has also now joined the FATE team as a trustee and his input has already proved invaluable.

FATE would like to thank all its fantastic sponsors, donors and corporate supporters for helping us to make such a difference.

Financial Review

Result and Funds

Income remained similar in 2021 at £27,323 from £28,328 in 2020, due to the loyalty of our many long-term supporters and sponsors. After expenditure of £18,296, this left a reserve of £27,048. (No funds are held as a custodian trustee on behalf of others).

Reserves Policy

It is the policy of the charity to commit to help the children we support throughout the lifetime of their education. For some children this will take them right through university and for others this may be up to secondary school followed by vocational training.

In order to meet this commitment, we have been fundraising and building our reserves to ensure we can continue to support all our beneficiaries for a period of at least 12 months, even if any of our sponsors or corporate donors were to cease their support and we were unable to secure replacements immediately.

Plans for future periods

Costs are expected to continue to increase over the coming years, as a result of the sponsored children progressing through their education and anticipated rises in costs for transport, food and other essential items.

The charity has plans through 2022 and 2023 to focus on increasing our donations from corporate and individual sponsorships to ensure we can cover these increasing costs. The strengthening value of the British Pound (£) against the continuously weakening Kenya Shilling (KSH) will go some way to manage these costs.

The trustees have complied with their duties, having due regard for the Charity Commission's guidance on public benefit, particularly in regard to education, delivering identifiable benefits to the public.

January 2020 began with FATE celebrating the graduation and independence of 2 of its sponsored students. Their wonderful sponsors remained as sponsors and are now sponsoring 2 new young students through their education.

In March FATE held a very successful fundraising event at Bodeites House in Charterhouse School where funds were raised for the children of Wema Centre and 2 new sponsors came forward.

The impact of Covid-19 through 2020 was considerable, affecting the education of all the children supported by FATE. However through smaller groups and remote learning, the children were able to keep up with their studies and crucial education.

Towards the end of 2020, 2 further students graduated from the FATE Sponsorship programme, becoming fully independent and making way for 2 more children to enjoy the gift of a great education.

In December 2020, FATE joined forces with a couple of amazing companies, **Kamac Group** and **Diversified US** who helped us to send over Christmas Cuddly Toys to every single child at the Wema Centre Home for Orphaned and Abandoned Children.

Additional donations from **Paradon Homes** and **ASystems DK** were gratefully received as well as the incredible ongoing support and donations from **John and Annabelle Yeomans** to help cover FATE's admin costs meaning 100% sponsorship funds continue to reach the children they are raised for.

FATE would like to thank all its fantastic sponsors, donors and corporate supporters for helping us to make such a difference.

Financial Review

Result and Funds

Income rose in 2020 to £28,328 from £17,910 in 2019, which reflects the increased number of children sponsored and the successful fundraising event held in March 2020. This is a healthy increase, and, after expenditure of £20,160, left a reserve of £8,168. (No funds are held as a custodian trustee on behalf of others).

Reserves Policy

It is the policy of the charity to commit to help the children we support throughout the lifetime of their education. For some children this will take them right through university and for others this may be up to secondary school followed by vocational training.

Objectives and Activities

The object of the charity is to advance the education and improve the welfare of underprivileged children and young adults in developing countries

The charity's main activity in support of this object is to match underprivileged children with the ability and desire to learn, with sponsors who will provide funds to cover the cost of their education. The charity also raises funds to cover additional costs in relation to the education and welfare of the children we support and their families.

Achievements and Performance

The trustees have complied with their duties, having due regard for the Charity Commission's guidance on public benefit, particularly in regard to education, delivering identifiable benefits to the public.

January 2020 began with FATE celebrating the graduation and independence of 2 of its sponsored students. Their wonderful sponsors remained as sponsors and are now sponsoring 2 new young students through their education.

In March FATE held a very successful fundraising event at Bodeites House in Charterhouse School where funds were raised for the children of Wema Centre and 2 new sponsors came forward.

The impact of Covid-19 through 2020 was considerable, affecting the education of all the children supported by FATE. However through smaller groups and remote learning, the children were able to keep up with their studies and crucial education.

Towards the end of 2020, 2 further students graduated from the FATE Sponsorship programme, becoming fully independent and making way for 2 more children to enjoy the gift of a great education.

In December 2020, FATE joined forces with a couple of amazing companies, **Kamac Group** and **Diversified US** who helped us to send over Christmas Cuddly Toys to every single child at the Wema Centre Home for Orphaned and Abandoned Children.

Additional donations from **Paradon Homes** and **ASystems DK** were gratefully received as well as the incredible ongoing support and donations from **John and Annabelle Yeomans** to help cover FATE's admin costs meaning 100% sponsorship funds continue to reach the children they are raised for.

FATE would like to thank all its fantastic sponsors, donors and corporate supporters for helping us to make such a difference.

Financial Review

Result and Funds

Income rose in 2020 to £28,328 from £17,910 in 2019, which reflects the increased number of children sponsored and the successful fundraising event held in March 2020. This is a healthy increase, and, after expenditure of £20,160, left a reserve of £8,168. (No funds are held as a custodian trustee on behalf of others).

Reserves Policy

It is the policy of the charity to commit to help the children we support throughout the lifetime of their education. For some children this will take them right through university and for others this may be up to secondary school followed by vocational training.

In order to meet this commitment, we have been fundraising and building our reserves to ensure we can continue to support all our beneficiaries for a period of at least 12 months, even if any of our sponsors or corporate donors were to cease their support and we were unable to secure replacements immediately.

Plans for future periods

Costs are expected to continue to increase over the coming years, as a result of the sponsored children progressing through their education and anticipated rises in costs for transport, food and other essential items.

The charity has plans through 2021 and 2022 to focus on increasing our donations from corporate and individual sponsorships to ensure we can cover these increasing costs. The strengthening value of the British Pound (£) against the continuously weakening Kenya Shilling (KSH) will go some way to manage these costs.
