FOLS AGM - TREASURER SUMMARY 2021/22

During September 2021 to August 2022 FOLS raised a total income from fund raising, donations and activities a gross sum of £32,482. The year has been the most successful one on record partly due to our post-covid drive for getting together but also to the volume and varied nature of the events FOLS put together.

ACTIVITIES

Starting the year with our lead-up disco through to our Christmas Market, to the valentines disco to the huge Easter Egg Hunt, all culminating with our summer series disco, penny count, bouncy castle bundle finishing with our final flourish at the Layer Camp Fest.

I mentioned it was our most successful year for FOLS and this has only been possible with the support of parents, guardians, family, friends and teachers all contributing time and donations to enable us to put on the events all in aid of raising those valued funds for our school.

SCHOOL SUPPORT

With agreement, call upon the FOLS funds was limited so that monies raised would go to the sum required to build the new outside classroom. Therefore, the majority of funds raised have been added to our new classroom reserve account.

We have started the formal planning processes but with slightly unexpected external factors (cost of living and general price increases) all affecting our ability to obtain quotes and specifications we have had to slow our progress.

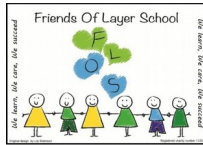

We now expect to be able to seek the necessary planning consents, agreements with school governors and quotes with the building teams by the end of 2022/early 2023. This should then allow us time to begin the next build planning phase with the objective still to have the classroom constructed in this school year.

FUNDS & ACCOUNTS

FOLS achieved a net income (after expenses) of £21,541 for the charities financial year ending August 2022.

Pending the AGM and the Committee agreements, the treasurer recommends a variable budget subject to the fundraising targets for the outdoor classroom and items requiring funding for the school.

The variable funding will be in the region of £1,000 for regular subscriptions and other key activities. This will continue to provide a healthy and increasing balance in the reserve account for the outdoor classroom whilst also providing opportunities to support enrichment activities where requested by the school.

A huge thank you to everyone that has helped us during this record-breaking year to achieve such success.

Commentary for the AGM 18-Sep-09

- 1 Donations to the school in the year 2008/2009 totalled £7,798 plus £360 of School Uniform stock (FOLS handled receipts and payments for uniform before handing responsibility to the school in Jun-09).
- 2 Donations represented £5,500 for a Laptop Trolley, £1,000 for the Greenhouse, £740 for the Year 6 Mersea Trip, £358 for the Glockenspiels and £200 for equipment and resources to improve the school grounds. The donation for the Laptop was made in Sep-08 and was mentioned in last year's report. It is mentioned again because the FOLS financial year started on the date that we registered as a charity i.e. 8-Aug-08. FOLS originally agreed to fund the other items in a meeting dated 8-Oct-08 - in short we met our financial commitment to the school for the year 2008/2009.
- 3 Donations were funded by an opening bank balance at 8-Aug-08 of £7,311, Fundraising Activities of £3,010, a donation from the Essex Wildlife Trust of £1,000, a donation from Alan at the Donkey & Buskins of £500 and net school uniform receipts and bank interest/charges of £91. Therefore the closing bank balance at 31-Aug-09 was £4,114.
- 4 Net receipts from Fundraising Activities are summarised in the table below:

	Receipts	Payment	Net
School Fete	£2,310	£835	£1,475
Quiz Night	£716	£55	£661

Bookfair	£379	£365	£14
Other Activities	£55	£874	-£819
Total	£6,323	£3,313	£3,010

Other payments include: Jute Bags £468*, NCPTA membership of £90, Gambling Licence for non event related raffles £40, Fundraising Kit £85, D&B Tea & Tissues £60, a £50 deposit for the Entertainer for the 2009 X-Mas Party and miscellaneous expenses of £62.

* Sales proceeds of Jute Bags have been included as incidental receipts to the main fundraising events. Sales to date are estimated at £270 and there are 100 bags left in stock.

- 5 Dee Burgess resigned as Treasurer and successfully handed over responsibilities to Gareth Nock in May-09. At the same time Sarah Hughes replaced Tracy Thomas as the second signatory and backup for Treasury activities. Since the handover Internet banking has been implemented and the cash box has been closed.

FOLS AGM – TREASURER SUMMARY 2021/22

AUDITORS NOT REQUIRED

During September 2021 to August 2022 FOLS raised a total income from fund raising, donations and activities a gross sum of £32,482. The year has been the most successful one on record partly due to our post-covid drive for getting together but also to the volume and varied nature of the events FOLS put together.

ACTIVITIES

Starting the year with our lead-up disco through to our Christmas Market, to the valentines disco to the huge Easter Egg Hunt, all culminating with our summer series disco, penny count, bouncy castle bundle finishing with our final flourish at the Layer Camp Fest.

I mentioned it was our most successful year for FOLS and this has only been possible with the support of parents, guardians, family, friends and teachers all contributing time and donations to enable us to put on the events all in aid of raising those valued funds for our school.

SCHOOL SUPPORT

With agreement, call upon the FOLS funds was limited so that monies raised would go to the sum required to build the new outside classroom. Therefore, the majority of funds raised have been added to our new classroom reserve account.

We have started the formal planning processes but with slightly unexpected external factors (cost of living and general price increases) all affecting our ability to obtain quotes and specifications we have had to slow our progress.

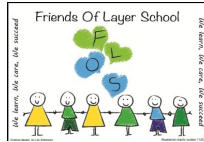

We now expect to be able to seek the necessary planning consents, agreements with school governors and quotes with the building teams by the end of 2022/early 2023. This should then allow us time to begin the next build planning phase with the objective still to have the classroom constructed in this school year.

FUNDS & ACCOUNTS

FOLS achieved a net income (after expenses) of £21,541 for the charities financial year ending August 2022.

Pending the AGM and the Committee agreements, the treasurer recommends a variable budget subject to the fundraising targets for the outdoor classroom and items requiring funding for the school.

The variable funding will be in the region of £1,000 for regular subscriptions and other key activities. This will continue to provide a healthy and increasing balance in the reserve account for the outdoor classroom whilst also providing opportunities to support enrichment activities where requested by the school.
